Trademark Security Agreement

THIS TRADEMARK SECURITY AGREEMENT, dated as of January 16, 2008, is made by each of the entities listed on the signature pages hereof (each a "Grantor" and, collectively, the "Grantors"), in favor of American Capital Financial Services, Inc. ("ACFS"), as administrative agent and collateral agent (in such capacity, together with its successors and permitted assigns, the "Agent") for the Purchasers and each other Secured Party (as each such term is defined in the Purchase Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to the Amended and Restated Note and Equity Purchase Agreement, dated as of January 16, 2008 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Purchase Agreement"), among Fosbel, Inc., an Ohio corporation (the "US Company"), Fosbel Holdings S.à r.l., a *société à responsabilité limitée* incorporated and existing under the laws of the Grand Duchy of Luxembourg, with a share capital of EUR 51,350, with registered office at 8, rue Jean Monnet, L-2180 Luxembourg, Grand Duchy of Luxembourg, registered with the Luxembourg trade and companies' register under number B 109.744 (the "Lux Company", and together with US Company, each a "Company" and collectively, the "Company"), Holdings, the Purchasers from time to time party thereto and Agent, the Purchasers have severally agreed to make extensions of credit to the Companies upon the terms and subject to the conditions set forth therein;

WHEREAS, each Grantor has agreed, pursuant to an Amended and Restated Security Agreement of even date herewith in favor of the Agent for the Purchasers and each other Secured Party (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), to secure the Obligations (as defined in the Purchase Agreement) of the Companies; and

WHEREAS, all of the Grantors are party to the Security Agreement pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Purchasers, the Agent and other Secured Parties to enter into the Purchase Agreement and to induce the Purchasers to make their respective extensions of credit to the Companies thereunder, each Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms.

(a) Capitalized terms used herein without definition are used as defined in the Security Agreement.

(b) The following terms shall have the following meanings:

"Trademarks" means all rights, title and interests arising under any Requirement of Law in or relating to trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers and, in each case, all registrations and recordations thereof and all applications in connection therewith.

“IP License” means all Contractual Obligations, whether written or oral, granting any right title and interest in or relating to any Intellectual Property.

Section 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Secured Parties, and grants to the Agent for the benefit of the Secured Parties a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the “Trademark Collateral”):

- (a) all of its Trademarks and all IP Licenses providing for the grant by or to such Grantor of any right under any Trademark referred to on Schedule 1 hereto;
- (b) all renewals and extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Each Grantor hereby agrees that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks and IP Licenses subject to a security interest hereunder.

Section 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of Maryland.

[SIGNATURE PAGES FOLLOW]
