

TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (the "Trademark Assignment"), effective as of June 18, 2008, is made by and between Teltone Corporation, a Washington corporation (the "Assignor"), and IDI Teltone, LLC, a Delaware limited liability company (the "Assignee"). Capitalized terms used but not defined herein have the respective meanings ascribed to them in the Purchase Agreement (as defined below).

WHEREAS, reference is made to those certain registered trademarks, servicemarks, trade dress, trade names and company names, logos, slogans, and other indicia of source or origin set forth in Schedule A attached hereto (collectively, the "Trademarks"), and the corresponding issued or filed applications for Trademark Registration Numbers as set forth in Schedule A attached hereto; and

WHEREAS, the Assignor, the Assignee, and Industrial Defender, Inc., a California corporation, have entered into that certain Asset Purchase Agreement, dated as of June 12, 2008 (as amended, the "Purchase Agreement"), pursuant to which, among other things, the Assignee has agreed to purchase from the Assignor, and the Assignor has agreed to sell to the Assignee, among other things, the Trademarks.

NOW, THEREFORE, to all whom it may concern, be it known that for and in consideration of at least U.S. \$1.00, and other good and valuable consideration, including consideration agreed upon between the Assignor and the Assignee pursuant to the Purchase Agreement, the receipt and sufficiency of which are hereby acknowledged, the Assignor has sold, assigned and transferred and by these presents hereby sells, assigns and transfers unto the Assignee, its successors, assigns and legal representatives the Assignor's entire right, title and interest throughout the world in and to: (i) the Trademarks, including all trademark applications, registrations, and renewals, if any, related thereto; (ii) all translations, adaptations, derivations and combinations of any of the foregoing; (iii) the right to sue for past, present and future infringement related to the Trademarks; and (iv) goodwill associated with Trademarks.

Further Acts / Recordals. The Assignor further covenants with the Assignee to execute when requested, at the Assignee's sole cost and expense, such additional assignments, instruments and documents as may reasonably be necessary to effectuate this Trademark Assignment and to enable the Assignee to record the Trademark Assignment in the territories concerned, including recordations of assignment of trademark suitable for filing with the United States Patent and Trademark Office and equivalent foreign and international agencies. To the extent required under applicable law or otherwise necessary, the Assignor herewith authorizes the Assignee to apply for the recordal of the assignment of the Trademarks and to request the trademark offices in the territories concerned to issue to the Assignee any and all documents covering the Trademarks. The Assignor hereby authorizes and request the Directors of the United States Patent and Trademark Office and equivalent foreign and international agencies and the empowered officials of all other governments to issue the Trademark Rights or Trademarks as shall be granted upon the Trademark Rights, or applications based thereon, to the Assignee, its successors, assigns or legal representatives, as the case may be.

This Trademark Assignment and the obligations and liabilities of the parties are subject in all respect to the terms and conditions of the Purchase Agreement. Nothing in this Trademark Assignment in any way supersedes, enlarges, narrows or modifies, or shall be deemed to supersede, enlarge, narrow or modify, any provision of the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.
