amount of any of the Advances, addition or elimination of any credit facilities thereunder, extension of any term, addition or deletion of any party thereto, or otherwise.

2. Grant of Security Interests.

(a) To secure the prompt and complete payment and performance of all and each of the Obligations and subject to the terms and conditions herein, each Grantor hereby grants, mortgages and pledges, to the Administrative Agent, for the benefit of the Secured Parties, a continuing security interest in and Lien upon all of the right, title and interest of such Grantor to, in and under the Intellectual Property Collateral.

(b) The grant of the security interest contained in Section 2(a) above shall not extend to, and the term "Intellectual Property Collateral" shall not include, any directly held general intangibles, now or hereafter held or owned by such Grantor, to the extent, in each case, that (i) a security interest may not be granted by such Grantor in such directly held general intangibles (including applications filed in the U.S. Patent and Trademark Office to register trademarks or service marks on the basis of any Grantor's "intent to use" such trademarks or service marks) as a matter of law, or under the terms of the governing document applicable thereto, without the consent of one or more applicable parties thereto and (ii) such consent has not been obtained.

(c) The grant of the security interest contained in Section 2(a) above shall extend to, and the term "Intellectual Property Collateral" shall include, (i) any and all proceeds of such directly held general intangibles to the extent that the proceeds are not themselves directly held general intangibles subject to Section 2(b) above and (ii) upon any such applicable party or parties' consent with respect to any otherwise excluded directly held general intangibles being obtained, thereafter such directly held general intangibles.

(d) The provisions of Section 2(b) above shall not apply to (i) directly held general intangibles to the extent that the restriction on such Grantor granting a security interest therein is not effective under applicable law or (ii) payment intangibles.

3. Covenants. Each Grantor covenants and agrees with the Administrative Agent that in the event that such Grantor shall file any application for the registration of any Trademark, Patent or Copyright with the PTO, the Copyright Office or any similar office or agency of the United States, any State thereof or any other jurisdiction, domestic or foreign, such Grantor shall (i) notify the Administrative Agent at the times set forth in Section 6.02(g) of the Credit Agreement and (ii) promptly and upon request of the Administrative Agent, execute and deliver to the Administrative Agent a supplement hereto (in form and substance reasonably satisfactory to the Administrative Agent) to evidence Administrative Agent's security interests in and Liens upon such Trademark, Patent or Copyright, and all of the general intangibles of such Grantor relating thereto or represented thereby.

4. Security Agreement. The security interests and Liens granted by each Grantor to the Administrative Agent pursuant to this Intellectual Property Security Agreement are granted in conjunction with the security interests and Liens granted by such Grantor to the Administrative Agent pursuant to the Security Agreement. Each Grantor and the Administrative Agent expressly agree that each of the security interests and Liens granted under this Intellectual Property Security Agreement and the Security Agreement in the Intellectual Property Collateral are intended to be treated as a single security interest for purposes of Article 9 of the UCC and other applicable Law. The exercise by the Administrative Agent of any rights or remedies with respect to any of the Intellectual Property Collateral shall be deemed to be an exercise of such rights or remedies in connection with this Intellectual Property Security Agreement and also the Credit Agreement and the Security Agreement. In the event of any inconsistency between the terms and conditions of this Intellectual Property Security Agreement and the Credit Agreement and the Security Agreement, then the terms and conditions of the Credit Agreement and the Security Agreement shall prevail.

5. Reinstatement. This Intellectual Property Security Agreement shall remain in full force and effect and continue to be effective in the event that any petition shall be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made.

6. Notices. Except as otherwise provided herein, whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties hereto by any other party hereto, or whenever any of the parties hereto desires to give and serve upon any other party hereto any communication with respect to this Intellectual Property Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be given in the manner, and deemed received, as provided for in the notice provisions of the Credit Agreement.

7. Governing Law. THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE COMMONWEALTH OF MASSACHUSETTS (WITHOUT GIVING EFFECT TO ANY CHOICE OR CONFLICT OF LAW PROVISION OR RULE THAT WOULD CAUSE THE APPLICATION OF THE DOMESTIC SUBSTANTIVE LAWS OF ANY OTHER STATE).

8. Dispute Resolution. This paragraph, including the subparagraphs below, is referred to as the "Dispute Resolution Provision." This Dispute Resolution Provision is a material inducement for each of the parties entering into this Intellectual Property Security Agreement.

(a) This Dispute Resolution Provision concerns the resolution of any controversies or claims between any of the parties hereto, whether arising in contract, tort or by statute, including but not limited to controversies or claims that arise out of or relate to: (i) this Intellectual Property Security Agreement or any other Loan Documents (including any renewals, extensions or modifications thereof); or (ii) any document related to the Loan Documents (collectively a “Claim”). For the purposes of this Dispute Resolution Provision only, the term “parties” shall include any Affiliate of the Administrative Agent or any Secured Party involved in the servicing, management or administration of any of the Obligations under the Loan Documents.

(b) At the request of any affected party to this Intellectual Property Security Agreement, any Claim shall be resolved by binding arbitration in accordance with the Federal Arbitration Act (Title 9, U.S. Code) (the “Act”). The Act will apply even though this Intellectual Property Security Agreement provides that it is governed by the law of the Commonwealth of Massachusetts.

(c) Arbitration proceedings will be determined in accordance with the Act, the then-current rules and procedures for the arbitration of financial services disputes of the American Arbitration Association or any successor thereof (“AAA”), and the terms of this Dispute Resolution Provision. In the event of any inconsistency, the terms of this Dispute Resolution Provision shall control. If AAA is unwilling or unable to (i) serve as the provider of arbitration or (ii) enforce any provision of this arbitration clause, the Administrative Agent may designate another arbitration organization with similar procedures to serve as the provider of arbitration.

(d) The arbitration shall be administered by AAA and conducted, unless otherwise required by Law, in any U.S. state where Collateral for the Revolving Credit Facility is located or if there is no such Collateral, in the Commonwealth of Massachusetts. All Claims shall be determined by one arbitrator; however, if Claims exceed Five Million Dollars (\$5,000,000), upon the request of any affected party hereto, the Claims shall be decided by three arbitrators. All arbitration hearings shall commence within ninety (90) days of the demand for arbitration and close within ninety (90) days of commencement and the award of the arbitrator(s) shall be issued within thirty (30) days of the close of the hearing. However, the arbitrator(s), upon a showing of good cause, may extend the commencement of the hearing for up to an additional sixty (60) days. The arbitrator(s) shall provide a concise written statement of reasons for the award. The arbitration award may be submitted to any court having jurisdiction to be confirmed and have judgment entered and enforced.

(e) The arbitrator(s) will give effect to statutes of limitation in determining any Claim and may dismiss the arbitration on the basis that the Claim is barred. For purposes of the application of any statutes of limitation, the service on AAA under applicable AAA rules of a notice of Claim is the equivalent of the filing of a lawsuit. Any dispute concerning this arbitration provision or whether a Claim is arbitrable shall be determined by the arbitrator(s), except as set forth at subparagraph (h) of this Dispute Resolution Provision. The arbitrator(s) shall have the power to award legal fees pursuant to the terms of this Intellectual Property Security Agreement.

(f) This paragraph does not limit the right of any party hereto to: (i) exercise self-help remedies, such as but not limited to, setoff; (ii) initiate judicial or non-judicial foreclosure against any Collateral; (iii) exercise any judicial or power of sale rights, or (iv) act in a court of law to obtain an interim remedy, such as but not limited to, injunctive relief, declaratory judgment, writ of possession or appointment of a receiver, or additional or supplementary remedies.

(g) The filing of a court action is not intended to constitute a waiver of the right of any party, including the suing party, thereafter to require submittal of the Claim to arbitration.

(h) Any arbitration or trial by a judge of any Claim will take place on an individual basis without resort to any form of class or representative action (the "Class Action Waiver"). Regardless of anything else in this Dispute Resolution Provision, the validity and effect of the Class Action Waiver may be determined only by a court and not by an arbitrator. The parties to this Intellectual Property Security Agreement acknowledge that the Class Action Waiver is material and essential to the arbitration of any disputes between the parties and is nonseverable from the agreement to arbitrate Claims. If the Class Action Waiver is limited, voided or found unenforceable, then the parties' agreement to arbitrate shall be null and void with respect to such proceeding, subject to the right to appeal the limitation or invalidation of the Class Action Waiver. The Parties acknowledge and agree that under no circumstances will a class action be arbitrated.

(i) By agreeing to binding arbitration, the parties hereto irrevocably and voluntarily waive any right they may have to a trial by jury in respect of any Claim. Furthermore, without intending in any way to limit this Intellectual Property Security Agreement to arbitrate, to the extent any Claim is not arbitrated, the parties irrevocably and voluntarily waive any right they may have to a trial by jury in respect of such Claim. This waiver of jury trial shall remain in effect even if the Class Action Waiver is limited, voided or found unenforceable. **WHETHER THE CLAIM IS DECIDED BY ARBITRATION OR BY TRIAL BY A JUDGE, THE PARTIES AGREE AND UNDERSTAND THAT THE EFFECT OF THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT IS THAT THEY ARE GIVING UP THE RIGHT TO TRIAL BY JURY TO THE EXTENT PERMITTED BY LAW.**

9. Expenses. In the event that any Grantor shall fail to comply with the provisions of this Intellectual Property Security Agreement or any other Collateral Document, such that the value of any Intellectual Property Collateral or the validity, perfection, rank or value of any Liens created hereunder is thereby materially diminished or potentially materially diminished or put at risk, the Administrative Agent may, but shall not be required to, effect such compliance on behalf of such Grantor, and the Grantors shall reimburse the Administrative Agent for all of the costs and reasonable expenses thereof on demand by the Administrative Agent.

10. Counterparts; Integration; Effectiveness. This Intellectual Property Security Agreement may be executed in counterparts (and by different parties hereto in

different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Intellectual Property Security Agreement and the other Loan Documents constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Delivery of an executed counterpart of a signature page to this Intellectual Property Security Agreement by telecopier (or electronic mail (in PDF format)) shall be effective as delivery of a manually executed counterpart of this Intellectual Property Security Agreement.

11. Additional Grantors. Subsidiaries of the Grantors (each, an “Additional Grantor”) may hereafter become parties to this Intellectual Property Security Agreement by executing and delivering a joinder agreement in form and substance reasonably satisfactory to the Administrative Agent and its counsel. Upon such execution and delivery by any Additional Grantor, such Additional Grantor shall be bound by all of the terms, covenants and conditions hereof to the same extent as if such Additional Grantor had executed this Intellectual Property Security Agreement as of the Closing Date, and the Administrative Agent, for itself and the benefit of the other Secured Parties, shall be entitled to all of the benefits of such Additional Grantor’s obligations hereunder. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition of an Additional Grantor or the release of another Grantor hereunder nor by any election of the Administrative Agent not to cause any Person to become an Additional Grantor.

12. Termination. This Agreement shall continue in full force and effect, and the obligations and agreements of the Grantors hereunder shall continue to be fully operative, until payment in full, in cash, of all Obligations (except Obligations under Article III of the Credit Agreement and contingent indemnification Obligations to the extent that no claim giving rise thereto has been asserted) and such payment shall be final and unavoidable.

[THE REMAINDER OF THIS PAGE IS INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Grantors have caused this INTELLECTUAL PROPERTY SECURITY AGREEMENT to be executed and delivered by its duly authorized officer or other representative as of the date first set forth above.
