WHEREAS Assignor, has adopted, is using, or intends to use the trademarks set forth below and is the owner of the following United States trademark registration[s] or application[s] for registration in the U.S. Patent and Trademark Office listed below (collectively the "**Trademarks**");

Trademark	Registration No.	Registration Date
GREEN BUILDING STUDIO	3219149	March 13, 2007

WHEREAS, Assignor and Assignee, have entered into an Asset Purchase Agreement dated February 5, 2008, as amended on May 1, 2008 (the "**Agreement**"), pursuant to which Assignor has agreed, *inter alia*, to grant to Assignee all of Assignor's right, title and interest in and to the Trademarks and Assignee desires to acquire the entire right, title and interest in and to the Trademarks.

NOW, THEREFORE, in consideration of the foregoing and of the promises contained in this Assignment, the parties agree as follows:

1. Assignor does hereby irrevocably assign, sell and transfer to Assignee, its successors and assigns, all of Assignor's right, title, and interest, anywhere in the universe, in and to said Trademarks, including (i) the registrations of and future applications for registration of the Trademarks in any or all countries of the world, including the right to apply for trademark protection pursuant to any trademark conventions, treaties, agreements or understandings; (ii) the common law rights in and to the Trademarks in any or all countries of the world; (iii) the goodwill of the business symbolized by and associated with the Trademarks and the registration thereof; and (iv) the right to sue and recover for, in law or equity, and the right to profits or damages due or accrued arising out of or in connection with any and all past, present and future infringement or dilution of or damage or injury to the Trademarks or the registration thereof or such associated goodwill.

2. Assignor hereby requests the Commissioner for Trademarks of the United States (and all foreign officials, whose duty it is to issue trademarks and applications as aforesaid) to record Assignee as the owner of the Trademarks, to the same extent as held by Assignor, and to issue the Certificates of Registration for the Trademarks in the name of Assignee, as assignee of the Trademarks.

3. Assignor agrees, promptly upon request of the Assignee, or its successors or assigns, to execute and deliver, without further compensation of any kind, any power of attorney, assignment, or other intellectual property right protection, or any other papers which may be necessary or desirable to fully secure to the Assignee, its successors and assigns, all right, title and interest in and to the Trademarks. Such cooperation by Assignor shall include, giving of testimony, declarations, oaths, executing documents and providing specimens of use and other assistance: (a) for complying with any duty of disclosure; (b) in the preparation and prosecution of any applications for registration or any applications of a renewal of a

registration covering the Trademarks in the United States or any other country; (c) in connection with legal proceedings involving any Trademarks and any applications therefore, including without limitation, compulsory licensing proceedings, infringement actions and court actions; and (d) for obtaining from Assignor's counsel transfer to Assignee of all relevant documents and materials related to the Trademarks. Assignor hereby designates and appoints the Assignee and its duly authorized officers and agents, as Assignor's agents and attorneys-in-fact to act for and on behalf of Assignor and instead of Assignor, to execute and file any documents and to do all other lawfully permitted acts necessary to perfect the Assignee's rights in the Trademarks with the same legal force and effect as if executed by Assignor. This appointment shall be irrevocable and deemed coupled with an interest.

4. Assignor covenants that it is the sole owner and assignee and holder of record title to the above-identified Trademarks and any trademarks that issue thereon (and foreign counterparts thereto) and that it has full power to make the present assignment.
