TRADEMARK ASSIGNMENT

This Trademark Assignment, dated as of May 30, 2008 (the "Effective Date"), is by and among The Spectranetics Corporation, a Delaware corporation (the "Assignee"), on the one hand, and Kensey Nash Corporation, a Delaware corporation (the "Assignor"), on the other hand.

WHEREAS, pursuant to an Asset Purchase Agreement, dated as May 12, 2008 (the "APA"), among the Assignee and the Assignor, the Assignee agreed to purchase from Assignor all of the right, title and interest in and to the Acquired Assets (as that term is defined in the APA);

WHEREAS, Assignor owns all right, title and interest in and to the Trademark Rights (as such term is defined in the APA), including without limitation the marks listed on the attached Schedule A, the pending applications for federal and foreign registration and federal and foreign registrations therefor (collectively "the Marks") and the goodwill developed through the use of the Marks, and the parties have agreed that the foregoing shall be transferred by Assignor to Assignee; and

WHEREAS, Assignor has intended to use the mark "ThromCat AU" shown on the attached Schedule A (hereinafter the "Intent to Use Application" and incorporated in "the Marks" as defined above) in interstate commerce and has filed an application with the United States Patent and Trademark Office based on its *bona fide* intent to use such mark in commerce, but has not yet filed an allegation of use of the mark under Section 1(c) or 1(d) of the Trademark Act, and

WHEREAS, Assignee is acquiring the entire ongoing business or portion thereof to which the Intent to Use Application pertains as required by 15 U.S.C. §1060;

WHEREAS, Assignee is desirous of acquiring all of the rights, title, and interest in and to the Marks, any pending applications for federal and foreign registration and federal and foreign registrations therefor (including the Intent to Use Application) and the goodwill developed through the use of the Marks and is entitled to assignment and transfer of the foregoing.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and sets over to Assignee, the entire right, title, and interest in and to the Marks and the goodwill of the business symbolized by the Marks. All rights and privileges, including the right to sue for and receive all damages from past infringements of the Marks, will be held and enjoyed by Assignee, its successors, assigns and other legal representatives.

AND the above-granted rights, titles, and interests are to be held and enjoyed by Assignee, for its own use and behalf and the use and behalf of its successors, legal

representatives, and assigns, to the full end of the term or terms for which Marks and the goodwill of the business symbolized by the Marks may be granted as fully and entirely as the same would have been held and enjoyed by Assignor had this sale and assignment not been made;

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives, and assigns, that, at the time of execution and delivery of these presents, Assignor is the sole and lawful owner of the entire right, title, and interest in and to the Marks and the goodwill of the business symbolized by the Marks, and that the same are unencumbered, and that Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives, and assigns that Assignor will, whenever counsel of Assignee, or the counsel of its successors, legal representatives, and assigns, shall advise that any proceeding in connection with any trademark application or trademark right within the Marks and the goodwill of the business symbolized by the Marks, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of such trademark application or trademark right, without additional charge to Assignee, its successors, legal representatives, and assigns, but at the cost and expense of Assignee, its successors, legal representatives, and assigns, and, if Assignor is unable or unavailable for any reason to secure such signature, oath, and/or act, then Assignor hereby irrevocably designates and appoints Assignee, and its duly authorized officers and agents as Assignor's agent and attorney in fact, to act for and in Assignor's behalf in the procurement, maintenance, enforcement and defense of any trademark application or trademark right with the same legal force and effect as if originally executed by Assignor.
