WHEREAS, pursuant to the Transaction, Assignor is required to execute and deliver this Agreement to Assignee.

NOW, THEREFORE, in consideration of the foregoing and the mutual promises, covenants and conditions contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Assignment. In connection with and as contemplated by the Transaction, Assignor does hereby assign, transfer, convey and set over unto Assignee its full right, title and interest, including, without limitation, all common law rights, in all countries and jurisdictions of the world in, to and under the Assigned IP, all applications and registrations with respect thereto, together with the goodwill associated therewith and with the exclusive right to enforce, recover
