## ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Assignment") is made and entered into as of this 12th day of June, 2008, between IPSCO, Inc. ("Assignor"), in favor and for the benefit of IPSCO Tubulars Inc. ("Assignee", and each of Assignee and Assignor, a "Party" and, collectively, the "Parties").

### WITNESSETH:

WHEREAS, Assignor and Assignee are parties to an Intellectual Property Cross License Agreement (the "License Agreement") dated as of June [ ], 2008, pursuant to which Evraz and the Evraz Acquired Companies have agreed to assign to TMK or any TMK Affiliate designated by TMK all right, title and interest Evraz or any Evraz Acquired Company has in and to all of the trademarks, trademark registrations and applications that are listed in Schedule I hereto, including without limitation all extensions, modifications and renewals of same (collectively, the "Registered Trademarks") and all unregistered trademarks consisting solely of the term "IPSCO" or the slogan "MAKING TUBULARS BETTER", together with the goodwill of the business connected with the use of, or symbolized by, all of the foregoing (all such Registered Trademarks and unregistered trademarks referred to collectively as the "Assigned Trademarks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor and Assignee each hereby agrees as follows:

1. Definitions. Capitalized terms used but not defined herein shall have the meaning ascribed thereto in the License Agreement.

2. Assignment. Assignor hereby sells, assigns, transfers, conveys and delivers to Assignee and its successors and assigns, and Assignee hereby purchases and accepts from Assignor, all of Assignor's right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all past and present goodwill associated therewith or symbolized thereby, all common law rights thereto, all registrations that have been or may be granted thereon, all applications for registrations thereof, and all records and files related thereto, together with the right to sue and recover damages for future or past infringements thereof and to fully and entirely stand in the place of Assignor in all matters related thereto.

3. Further Assurances. Assignor agrees to execute and deliver such other documents and to take all such other actions which Assignee, its successors and assigns may reasonably request to effect the terms of this Assignment and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment. Assignee, or its successor or assign, as the case may be, shall be responsible for all costs incurred by Assignor in executing and delivering any of the foregoing.

4. Recordation. The Parties agree that Assignee may record this Assignment in the United States Patent and Trademark Office and the Canadian Intellectual Property Office. Assignor hereby authorizes and requests that the Commissioner of Patents and Trademarks of the United States and the Registrar of Trademarks in Canada record in the name of Assignee all right, title, and interest in and to the Assigned Trademarks. The Parties further agree that

nothing in this Assignment shall prevent Assignee from seeking to register or registering any of the Assigned Trademarks in any other jurisdiction.

5. Miscellaneous. Except to the extent the mandatory provisions of the United States Bankruptcy Code apply, the interpretation and construction of this Assignment, and all matters and disputes arising out of, relating to or in connection with this Assignment, shall be governed by the laws of the State of New York applicable to contracts made and to be performed entirely in such state without regard to principles of conflicts or choice of laws or any other law that would make the laws of any other jurisdiction other than the State of New York applicable hereto. This Assignment may not be supplemented, altered or modified in any manner except by a writing signed by all Parties. The failure of any Party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions. This Assignment shall bind and inure to the benefit of the respective Parties and their assigns, transferees and successors. This Assignment and any amendments hereto may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.

[The remainder of this page has been intentionally left blank.]

IN WITNESS WHEREOF, Assignor and Assignee have executed this Assignment as of the day and year first above written.
