### RECITALS

WHEREAS, Company, certain of Company's affiliates, Original Agent and the Lenders party thereto are parties to a certain Credit Agreement dated as of September 5, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**");

WHEREAS, Company, and Original Agent entered into that certain Trademark Security Agreement (as amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "**Trademark Security Agreement**") dated as of May 30, 2007 and recorded on June 22, 2007 with the United States Patent and Trademark Office at Reel 003567 and Frame 0430 and attached hereto as Exhibit A;

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, Company, Original Agent and Successor Agent hereby agree as follows:

1. Definitions. All capitalized terms used but not defined herein shall have the respective meanings ascribed to such terms in the Credit Agreement.
2. Assignment. Original Agent does hereby assign and transfer all of its rights, remedies, duties and obligations as Agent under the Trademark Security Agreement to Successor Agent, and Successor Agent hereby accepts all of Original Agent's assignment and transfer of its rights, remedies, duties and obligations as Agent under the Trademark Security Agreement. The execution and delivery of this Assignment shall not in any way affect or modify the liability of Company under the Trademark Security Agreement or any other Financing Document, it being understood and agreed that notwithstanding this Assignment, all of the obligations of Company under the Financing Documents shall be and remain enforceable by Successor Agent, as Agent under the Credit Agreement and Trademark Security Agreement, or by its successors and assigns against Company.

3. Severability. Whenever possible, each provision of this Assignment will be interpreted in such manner as to be effective and valid under applicable law. In the event any provision of this Assignment is or is held to be invalid, illegal, or unenforceable under applicable law, such provision will be ineffective only to the extent of such invalidity, illegality, or unenforceability, without invalidating the remainder of such provision or the remaining provisions of this Assignment. In addition, in the event any provision of or obligation under this Assignment is or is held to be invalid, illegal, or unenforceable in any jurisdiction, the validity, legality, and enforceability of the remaining provisions or obligations in any other jurisdictions will not in any way be affected or impaired thereby.

4. Section Titles. Section and Subsection titles in this Assignment are included for convenience of reference only, do not constitute a part of this Assignment for any other purpose, and have no substantive effect.

5. Successors and Assigns. This Assignment will be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

6. Governing Law. This Assignment shall be governed by, and construed and enforced in accordance with, the laws of the State of Illinois applicable to contracts made and performed in such state, without regard to the principles thereof regarding conflict of laws.
