## TRADEMARK ASSIGNMENT

WHEREAS, SOUTHWEST OILFIELD PRODUCTS, INC., a Texas corporation ("Assignor"), and Southwest Oilfield Products, Inc., a Delaware corporation ("Assignee") entered into an Asset Purchase Agreement effective as of June 3, 2008 relating to the purchase by Assignee from Assignor of certain assets and properties and goodwill associated with the businesses of the Seller as is provided in the Asset Purchase Agreement;

WHEREAS, Assignor has adopted and used the trademarks and service marks identified in Schedule A attached hereto and incorporated by reference herein (the "Marks") in association with the sale of its goods and/or services, certain of which Marks Assignor either has applied to federally register or for which Marks it owns the registrations on the Principal Register of the United States Patent and Trademark Office as identified and listed in Schedule A for the goods and/or services identified therein;

WHEREAS, Assignee desires to acquire the Marks, including the applications and registrations listed in Schedule A and the associated goodwill appurtenant thereto that Assignee may own; and

WHEREAS, Assignee is the successor of the ongoing and existing business, or portion thereof, of Assignor to which certain Marks pertain, and is desirous of acquiring such Marks.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign to Assignee, *nunc pro tunc*, effective as of June 3, 2008, any and all of Assignor's rights, title and interest in and to each of the Marks together with the goodwill of the business symbolized thereby and appurtenant thereto, as well as any pending applications or issued registrations thereof as listed in Schedule A. This assignment includes the right to sue and recover damages for past and future infringements of Assignor's rights in the Marks and to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation or opposition or other proceeding in connection with said Marks.
