## TRADEMARK COLLATERAL AGREEMENT

This 31st day of July, 2008, LIFE LINE SCREENING OF AMERICA LTD., an Ohio limited liability company ("*Debtor*") with its principal place of business and mailing address at 5400 Transportation Boulevard, Garfield Heights, Ohio 44125, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to FIFTH THIRD BANK, an Ohio banking corporation ("*Fifth Third*"), with its mailing address at Fifth Third Center, MD 109047, Cincinnati, Ohio 45263, acting as administrative agent hereunder for the Secured Creditors defined in that certain Security Agreement hereinafter defined (Fifth Third acting as such administrative agent and any successor or successors to Fifth Third acting in such capacity being hereinafter referred to as the "*Administrative Agent*"), and grants to the Administrative Agent a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark, trademark registration or trademark application listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration, or trademark application, in each case together with the right to sue for and collect said damages;

to secure performance of all Secured Obligations of Debtor as set out in that certain Security Agreement bearing even date herewith between Debtor and the Administrative Agent (such Security Agreement, as the same may be amended, modified or restated from time to time hereinafter referred to as the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Administrative Agent of any applications by Debtor for a trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of the Administrative Agent on such Intent-To-Use Application as collateral security for the Secured Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Trademark Collateral Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, and trademark applications made and granted hereby are more fully set forth in the Security Agreement.

This Trademark Collateral Agreement shall be governed by, and construed in accordance with, the laws of the State of Ohio.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
