TRADEMARK ASSIGNMENT AGREEMENT

This Trademark Assignment Agreement ("Agreement") is effective as of April 17, 2008 ("Effective Date"), by and between Simmons Outdoor Corporation ("Assignor"), and Ammunition Accessories, Inc. ("Assignee").

WHEREAS, Assignor is the owner of the trademarks, service marks and/or trade names and all registrations and applications therefor (collectively, "Trademarks") specified in Schedule A attached hereto;

WHEREAS, Assignee is desirous of acquiring the entire and exclusive right, title and interest in and to the Trademarks; and

WHEREAS, Assignor is willing to assign to Assignee all rights, title and interest in and to the Trademarks.

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby assigns to Assignee, and Assignee hereby accepts, all worldwide right, title and interest in and to the Trademarks, including all common law rights, together with the goodwill of the business symbolized by the Trademarks, and the applications and registrations therefor as identified in Schedule A. This assignment includes the right to sue and recover damages for past, present and future infringements of Assignor's rights in the Trademarks and to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation or opposition or other proceeding in connection with the Trademarks. The right, title and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees that it will, at Assignees' expense, execute, verify, acknowledge and deliver all reasonably required further papers, including any instruments of transfer and recordable assignments, and perform such other acts as Assignee lawfully and reasonably may request from time to time, to perfect and vest title in the Trademarks in Assignee, or Assignee's successors and assigns.

Assignor will deliver, within 30 days following the last date of execution on the signature block below, copies of all prosecution files of the Trademarks to counsel for Assignee, excluding attorney-client privileged communications. In exchange for reimbursement of its out-of-pocket costs, Assignor will provide access to all documents and witnesses under its control in connection with any enforcement activities of Assignee in connection with the Trademarks.

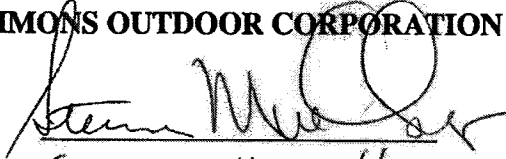

This Agreement shall be governed by and enforced in accordance with the laws of the State of California, without giving effect to any conflicts of law principles.

This Agreement shall be binding on, and shall inure to the benefit of, the parties hereto and their respective successors and assigns.

Each party represents that it has taken all necessary action to authorize the execution and delivery of this Agreement.
