NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations (as hereinafter defined), Debtor hereby grants to Secured Party, a continuing security interest in and a general lien upon, and a conditional assignment of, the following (being collectively referred to herein as the "Collateral"): (a) all of Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of Debtor's trademarks, trade names, trade styles, service marks, patents and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, patents, terms, designs and applications described in Exhibit A hereto, together with all rights and privileges arising under applicable law with respect to Debtor's use of any trademarks, trade names, trade styles, service marks and patents and all reissues, extensions, continuation and renewals thereof (all of the foregoing being collectively referred to herein as the "Trademarks and Patents"); and (ii) all prints and labels on which such trademarks, trade names, trade styles, service marks and patents appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks and Patents, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks and Patents; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by Debtor against third parties for past or future infringement of the Trademarks and Patents.

2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to Secured Party pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all obligations, liabilities and indebtedness of every kind, nature and description owing by Debtor to Secured Party, including principal, interest, charges, fees, costs and expenses, however evidenced, whether as principal, surety, endorser, guarantor or otherwise, arising under this Agreement, the Credit Agreement or any of the other Loan Documents (as defined in the Credit Agreement), whether now existing or hereafter arising, whether arising before, during or after the initial or any renewal term of the Credit Agreement or after the commencement of any case with respect to Debtor under the United States Bankruptcy Code or any similar statute (including, without limitation, the payment of interest and other amounts which would accrue and become due but for the commencement of such case), whether direct or indirect, absolute or contingent, joint or several, due or not due, primary or secondary, liquidated or unliquidated, secured or unsecured, and however acquired by Secured Party (all of the foregoing being collectively referred to herein as the "Obligations").

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

Debtor hereby represents, warrants and covenants with and to Secured Party the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Collateral is valid and subsisting in full force and effect, and Debtor owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder. Debtor shall, at Debtor's expense, perform all acts and execute all documents reasonably necessary to maintain the existence of the Collateral consisting of registered Trademarks and Patents as registered trademarks or patents, as applicable, and to maintain the existence of all of the Collateral as valid and subsisting, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted hereunder and pursuant to the Credit Agreement, and (ii) the security interests permitted under the Credit Agreement.

(c) Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Collateral, or otherwise dispose of any of the Collateral, in each case without the prior written consent of Secured Party, except as otherwise permitted herein or in the Credit Agreement.

Nothing in this Agreement shall be deemed a consent by Secured Party to any such action, except as such action is expressly permitted hereunder.

(d) Debtor shall, at Debtor's expense, promptly perform all acts and execute all documents reasonably requested in good faith at any time by Secured Party to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Collateral granted hereunder or to otherwise further the provisions of this Agreement. Debtor hereby authorizes Secured Party to execute and file one or more financing statements (or similar documents) with respect to the Collateral, signed only by Secured Party or as otherwise determined by Secured Party; provided that promptly after the filing thereof a copy is sent to Debtor. Debtor further authorizes Secured Party to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office; provided that promptly after the filing thereof a copy is sent to Debtor. Upon the indefeasible payment in full of all indebtedness evidenced by the Credit Agreement and all other financial accommodations extended by the Secured Party to or for the benefit of the Debtor in connection therewith, and any other obligations of the Debtor to the Secured Party, and the termination of all commitments evidenced by the Credit Agreement, the Secured Party shall prepare and file, at the expense of the Debtor, such documents as may be reasonable necessary to terminate the lien evidenced by this Agreement.

(e) As of the date hereof, Debtor does not have any Trademarks and Patents registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than as set forth in Exhibit B hereto.

(f) Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to Secured Party five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to Secured Party's exercise of the rights and remedies granted to Secured Party hereunder or under any of the other Loan Documents.

(g) Secured Party may, in its discretion exercised in good faith, after prior notice to Debtor, pay any amount or do any act which Debtor fails to pay or do as required hereunder or as requested by Secured Party to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and conditional assignment granted hereunder, including, but not limited to, all reasonable filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. Debtor shall be liable to Secured Party for any such payment made in accordance with the provisions of the preceding sentence, which payment shall be deemed an advance by Secured Party to Debtor, shall be payable on demand together with

interest at the rate then applicable to the Obligations set forth in the Credit Agreement and shall be part of the Obligations secured hereby.

(h) Debtor shall not file any application for the registration of a Trademark or Patent with the United States Patent and Trademark Office or any similar office or agency in the United States, unless Debtor has given Secured Party ten (10) Business Days' prior written notice of such action. If, after the date hereof, Debtor shall (i) obtain any registered trademark or trade name, or patent or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) become the owner of any trademark or patent registrations or applications for trademark or patent registration used in the United States or any State thereof, political subdivision thereof or in any other country, the provisions of Section 1 hereof shall automatically apply thereto. Upon the request of Secured Party, Debtor shall promptly execute and deliver to Secured Party any and all assignments, agreements, instruments, documents and such other papers as may be reasonably requested by Secured Party to evidence the security interest in and conditional assignment of such Trademark or Patent, as applicable, in favor of Secured Party.

(i) Debtor has not abandoned any of the Trademarks or Patents and Debtor will not do any act, nor omit to do any act, whereby any of the Trademarks or Patents may become abandoned, invalidated, unenforceable, avoided, or avoidable without the prior written consent of the Secured Party, ~~except that~~ Debtor may abandon or allow any registered Trademark or Patent to become invalidated, unenforceable, avoided or avoidable so long as such Trademark or Patent, as applicable, is not material, is of little or no value, has not been used in the business of Debtor for the immediately preceding three (3) months and is no longer useful to the business of the Debtor. Debtor shall notify Secured Party immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to any Trademarks or Patent may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) Debtor shall render any assistance, as Secured Party shall in good faith request, to Secured Party in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks and Patents as Debtor's exclusive property and to protect Secured Party's interests therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) To the best of Debtor's knowledge, no infringement or unauthorized use presently is being made of any of the Trademarks and Patents that would adversely affect the Collateral or the benefits of this Agreement granted to Secured Party, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of Secured

Party hereunder. There has been no judgment holding any of the Trademarks and Patents invalid or enforceable, in whole or in part nor is the validity or enforceability of any of the Trademarks and Patents being questioned in any litigation or proceeding to which Debtor is a party. Debtor shall promptly notify Secured Party if Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes in any material respect on any Trademark or Patent or is likely to cause confusion with any Trademark or Patent, as applicable. If requested by Secured Party, Debtor, at Debtor's expense, shall join with Secured Party in such action as Secured Party, in Secured Party's discretion exercised in good faith, may deem advisable for the protection of Secured Party's interests in and to the Trademarks and Patents, provided, that, so long as no Default or Event of Default shall exist or have occurred, Debtor may prosecute such action with such counsel as it reasonably selects.

(l) Debtor assumes all responsibility and liability arising from the use of the Trademarks and Patents and Debtor hereby indemnifies and holds Secured Party harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or Patent, as applicable, or out of the manufacture, promotion, labeling, sale or advertisement of any such product by Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Credit Agreement.

(m) Debtor shall promptly pay Secured Party for any and all expenditures made by Secured Party pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and reasonable attorneys' fees and legal expenses. Such expenditures shall be payable on demand, and shall be part of the Obligations secured hereby.

4. EVENTS OF DEFAULT

The occurrence or existence of any Event of Default under any of the Loan Documents is referred to herein individually as an "Event of Default", and collectively as "Events of Default".

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of Secured Party, whether provided under this Agreement, the Credit Agreement, the other Loan Documents, applicable law or otherwise, Secured Party shall have the following rights and remedies which may be exercised without notice to, or consent by, Debtor except as such notice or consent is expressly provided for hereunder:

(a) Secured Party may require that neither Debtor nor any affiliate or subsidiary of Debtor make any use of the Trademarks or Patents or any marks similar thereto for any purpose whatsoever. Secured Party may make use of any Trademarks or Patents for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to Secured Party by Debtor or any subsidiary or affiliate of Debtor or for such other reason as Secured Party may in good faith determine.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as Secured Party shall in its discretion exercised in good faith, deem appropriate. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to Debtor of intended disposition of Collateral is required by law, the giving of ten (10) days' prior written notice to Debtor of any proposed disposition shall be deemed reasonable notice thereof and Debtor waives any other notice with respect thereto. Secured Party shall have the power to buy the Collateral or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, Secured Party may at any time execute and deliver on behalf of Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks or Patents (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Debtor agrees to pay Secured Party on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and reasonable attorneys' fees and legal expenses. Debtor agrees that Secured Party have no obligation to preserve rights to the Trademarks and Patents against any other parties.

(e) Secured Party may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Obligations as Secured Party may in its discretion determine. Debtor shall remain liable to Secured Party for any of the Obligations remaining unpaid after the application of such proceeds and Debtor shall pay Secured Party on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Credit Agreement.

(f) Debtor shall supply to Secured Party and its designees, Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Patents and Debtor's customer lists and other records relating to the Trademarks and Patents and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under this Agreement, the other Loan Documents, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW

(a) The validity, interpretation and enforcement of this Agreement and the other Loan Documents and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York but excluding any principles of conflicts of law or any other rule of law that would cause the application of the law of any jurisdiction other than the State of New York.

(b) Debtor and Secured Party irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York of New York County and the United States District Court for the Southern District of New York, whichever Secured Party may elect, and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Loan Documents or in any way connected or related or incidental to the dealings of Debtor and Secured Party in respect of this Agreement or the other Loan Documents or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that Secured Party shall have the right to bring any action or proceeding against Debtor or its property in the courts of any other jurisdiction which Secured

Party deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against Debtor or its property).

(c) Debtor hereby waives personal service of any and all process upon it and consents that all such service of process may be made by certified mail (return receipt requested) directed to its address set forth herein and service so made shall be deemed to be completed five (5) days after the same shall have been so deposited in the U.S. mails, or, at Secured Party's option, by service upon Debtor in any other manner provided under the rules of any such courts.

(d) DEBTOR AND SECURED PARTY EACH HEREBY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION (i) ARISING UNDER THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR (ii) IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF DEBTOR AND SECURED PARTY IN RESPECT OF THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS OR THE TRANSACTIONS RELATED HERETO OR THERETO IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER IN CONTRACT, TORT, EQUITY OR OTHERWISE. DEBTOR AND SECURED PARTY EACH HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY AND THAT DEBTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OF A COPY OF THIS AGREEMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF DEBTOR AND SECURED PARTY TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

(e) Secured Party shall not have any liability to Debtor (whether in tort, contract, equity or otherwise) for losses suffered by Debtor in connection with, arising out of, or in any way related to the transactions or relationships contemplated by this Agreement, or any act, omission or event occurring in connection herewith, unless it is determined by a final and non-appealable judgment or court order binding on Secured Party that the losses were the result of acts or omissions constituting gross negligence or willful misconduct. In any such litigation, Secured Party shall be entitled to the benefit of the rebuttable presumption that it acted in good faith and with the exercise of ordinary care in the performance by it of the terms of this Agreement and the other Loan Documents.

7. MISCELLANEOUS

(a) All notices, approvals, consents, requests, demands or other communications (collectively, "Communications") to or upon the respective parties hereto shall be deemed to have been given and received, if such Communications are given and received in accordance with the notice provisions of Section 10.4 of the Credit Agreement.

(b) All references to the plural herein shall also mean the singular and to the singular shall also mean the plural. All references to Debtor, Secured Party pursuant to the definitions set forth in the recitals hereto, or to any other person herein, shall include their respective successors and assigns. The words "hereof," "herein," "hereunder," "this Agreement" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not any particular provision of this Agreement and as this Agreement now exists or may hereafter be amended, modified, supplemented, extended, renewed, restated or replaced. An Event of Default shall exist or continue or be continuing until such Event of Default is waived in accordance with Section 7(e) hereof or cured, if such Event of Default is capable of being cured as determined by Secured Party. All references to the term "Person" or "person" herein shall mean any individual, sole proprietorship, partnership, corporation (including, without limitation, any corporation which elects subchapter S status under the Internal Revenue Code of 1986, as amended), limited liability company, limited liability partnership, business trust, unincorporated association, joint stock company, trust, joint venture or other entity or any government or any agency or instrumentality or political subdivision thereof. Any term used herein, which is not otherwise defined herein, shall have the meaning assigned thereto in the Credit Agreement.

(c) This Agreement, the other Loan Documents and any other document referred to herein or therein shall be binding upon Debtor and its successors and assigns and inure to the benefit of and be enforceable by Secured Party and its successors and assigns.

(d) If any provision of this Agreement is held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate this Agreement as a whole, but this Agreement shall be construed as though it did not contain the particular provision held to be invalid or unenforceable and the rights and obligations of the parties shall be construed and enforced only to such extent as shall be permitted by applicable law.

(e) Neither this Agreement nor any provision hereof shall be amended, modified, waived or discharged orally or by course of conduct, but only by a written agreement signed by an authorized officer of Secured Party. Secured Party shall not, by any act, delay, omission or otherwise be deemed to have expressly or impliedly waived any of its rights, powers and/or remedies unless such waiver shall be in writing and signed by an authorized officer of Secured Party. Any such waiver shall be enforceable only to the extent specifically set forth therein. A waiver by Secured Party of any right, power and/or remedy on any one occasion shall not be construed as a bar to or waiver of any such right, power and/or remedy which Secured Party would otherwise have on any future occasion, whether similar in kind or otherwise.
