**2. Representations, Warranties and Agreements.** Debtor represents, warrants and agrees that, until all obligations of Debtor to Secured Party shall have been indefeasibly satisfied in full in cash:

(a) The Patents, Patent Licenses, Trademarks, Trademark Licenses Copyrights and Copyright listed on Schedules 1, 2, 3, 4, 5 and 6, respectively, constitute all of the registered patents, trademarks, copyrights and applications therefore now owned by Debtor. If Debtor shall (i) register or apply for any new patents, trademarks, or copyrights, (ii) become entitled to the benefit of any registered patent, trademark, or copyright, or patent for any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement on any Patent, or (iii) become a party to or subject to any trademark copyright or patent license, then the provisions of Section 1 above shall automatically apply thereto and Debtor shall give to Secured Party prompt written notice thereof. Debtor hereby authorizes Secured Party to modify this Agreement by amending Schedule 1, 2, 3, 4, 5 and/or 6, as applicable, to include any future patents, patent applications, trademarks, trademark registrations, trademark applications, trade names, licenses and copyright registrations which are Patents, Patent License, Trademarks, Trademark Licenses or Copyrights or Copyright Licenses, as applicable, under Section 1 above.

(b) Debtor has (or will have at the time Debtor acquires rights in Collateral hereafter arising) good and marketable title to each item of Collateral free and clear of all security interests, liens and encumbrances, except the Security Interest and Permitted Liens (as defined in the Note). Debtor will keep all Collateral free and clear of all security interests, liens and encumbrances, except the Security Interest, and will defend the Collateral against all claims or demands of all persons other than Secured Party and holders of Permitted Liens.

(c) Debtor will not, without Secured Party's prior written consent, sell any of the Collateral or enter into any agreement which is inconsistent with Debtor's obligations or Secured Party's rights under this Agreement. Debtor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action, which would adversely affect the validity of the Collateral or enforcement of Secured Party's rights in the Collateral.

(d) Except to the extent Debtor determines, in its exercise of reasonable business judgment, that any such item is not necessary or materially useful in connection with Debtor's business, (i) Debtor will use commercially reasonable efforts to prosecute

diligently any patent application that is part of the Patents, any trademark application that is part of the Trademarks, and any copyright registration that is part of the Copyrights, pending as of the date hereof or thereafter, (ii) Debtor will file and prosecute applications or registrations on unpatented but patentable inventions, on trademarks and on copyrightable works, as recommended by reputable legal counsel, and (iii) Debtor will preserve and maintain all rights in patent applications and patents that are part of the Patents, in trademark applications, trademarks, and trademark registrations that are part of the Trademarks, and in copyrightable works and copyright registrations that are part of the Copyrights. Any expenses incurred in connection with such registrations or applications shall be borne by Debtor.

(e) Except to the extent Debtor determines, in its exercise of reasonable business judgment, that any such item is not necessary or materially useful in connection with Debtor's business, Debtor shall not abandon any right to file a patent application or trademark application, or any pending patent application, trademark application, patent, trademark or copyright without the consent of Secured Party.

(f) Debtor will at all reasonable times, permit Secured Party or its representatives to examine or inspect any Collateral, wherever located, and to examine, inspect and copy Debtor's books and records pertaining to the Collateral and its business and financial condition as more fully set forth in the Note.

(g) Debtor will keep accurate and complete records pertaining to the Collateral and pertaining to Debtor's business and financial condition and submit to Secured Party such periodic reports concerning the Collateral and Debtor's business and financial condition as Secured Party may from time to time reasonably request.

(h) Debtor will pay when due or reimburse Secured Party on demand for all costs of collection of any of the Obligations and all other out-of-pocket expenses (including in each case all attorneys' fees) incurred by Secured Party in connection with the creation, perfection, satisfaction, protection, defense or enforcement of the Security Interest or the creation, continuance, protection, defense or enforcement of this Agreement or of the Obligations, including expenses incurred in any litigation or bankruptcy or insolvency proceedings.

(i) Debtor will execute, deliver or endorse any and all instruments, documents, assignments, security agreements and other agreements and writings which Secured Party may at any time reasonably request in order to secure, protect, perfect or enforce the Security Interest and Secured Party's rights under this Agreement.

(j) Debtor has delivered true and complete copies of each Trademark License and each Patent License to Secured Party, each of which is in full force and effect and no party thereto is in default thereunder. Debtor will not amend or otherwise modify any Patent License or any Trademark License without the prior written consent of Secured Party.

3. **Royalties.** Neither the Security Interest granted herein, nor the exercise by Secured Party of any of its rights under this Agreement, shall (a) impose on Secured Party any liability to Debtor for royalties or other similar charges, or (b) be limited geographically.

4. **Events of Default.** The occurrence of any Event of Default under the Note shall constitute an Event of Default hereunder.

5. **Remedies upon Event of Default; Power of Attorney.** Upon the occurrence and during the continuance of an Event of Default, Secured Party may exercise those remedies set forth in any Note and other applicable law against the Collateral, including specifically the right to use the Collateral against the Debtor or against any other person or property. All of Secured Party's rights and remedies with respect to the Patents, Patent Licenses, Trademarks, Trademark Licenses, Copyrights, Copyright Licenses and other Collateral, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. Upon the occurrence and during the continuance of an Event of Default, Debtor hereby irrevocably appoints Secured Party as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor or otherwise to carry out the acts described below. Subject to the terms of the Note, upon the occurrence and during the continuance of an Event of Default and the giving by Secured Party of written notice to Debtor of Secured Party's intention to enforce its rights and claims against Debtor, Debtor hereby authorizes Secured Party to, in its sole discretion (i) endorse Debtor's name on all applications, documents, papers and instruments necessary or desirable for Secured Party in the use of the Collateral, (ii) take any other actions with respect to the Collateral as Secured Party deems is in its best interest, (iii) grant or issue any exclusive or nonexclusive license under the Collateral to anyone on commercially reasonable terms, and (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Collateral to anyone on commercially reasonable terms. Secured Party shall take no action pursuant to subsection (i), (ii), (iii) or (iv) of this Section 5 without taking like action with respect to the entire goodwill of Debtor's business and related assets connected with the use of, and symbolized by, such Collateral. Debtor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until the obligations of Debtor to Secured Party shall have been indefeasibly satisfied in full in cash. Debtor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Secured Party under the Note, but rather is intended to facilitate the exercise of such rights and remedies. Secured Party shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a Secured Party under the Uniform Commercial Code as enacted in any jurisdiction in which Collateral may be located or deemed located.

6. **Secured Party's Right to Sue.** Upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, Patent Licenses, Trademarks, Trademark Licenses, Copyrights, Copyright Licenses and other Collateral, and, if Secured Party shall commence any such suit, Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement

and Debtor shall indemnify Secured Party in accordance with the Note for all costs and expenses incurred by Secured Party in the exercise of its rights under this Section 6.

7. **Miscellaneous.** This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by Secured Party. A waiver signed by Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of Secured Party's rights or remedies. All rights and remedies of Secured Party shall be cumulative and may be exercised singularly or concurrently, at Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Debtor shall be deemed sufficiently given if provided in accordance with the Note. Secured Party's duty of care with respect to Collateral in its possession (as imposed by law) shall be deemed fulfilled if Secured Party exercises reasonable care in physically safekeeping such Collateral or, in the case of Collateral in the custody or possession of a bailee or other third person, exercises reasonable care in the selection of the bailee or other third person, and Secured Party need not otherwise preserve, protect, insure or care for any Collateral. Secured Party shall not be obligated to preserve any rights Debtor may have against prior parties, to realize on the Collateral at all or in any particular manner or order, or to apply any cash proceeds of Collateral in any particular order of application. This Agreement shall be binding upon and inure to the benefit of Debtor and Secured Party and their respective representatives, successors and assigns and shall take effect when signed by Debtor and delivered to Secured Party, and Debtor waives notice of Secured Party's acceptance hereof. Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement or other recording document signed by the Debtor shall have the same force and effect as the original for all purposes of a financing statement or other recording document. Debtor will execute, from time to time, and authorizes Secured Party to execute from time to time as Debtor's attorney-in-fact, such financing statements, assignments, and other documents covering the Collateral, including Proceeds, as Secured Party may reasonably request in order to create, evidence, perfect, maintain or continue its security interest in the Collateral (including additional Collateral acquired by Debtor after the date hereof), and Debtor will pay the cost of filing the same in all public offices in which Secured Party may deem filing to be appropriate and will notify Secured Party promptly upon acquiring any additional Collateral that may require an additional filing. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and either of the parties hereto may execute this Agreement by signing any such counterpart. Whenever possible, each provision of this Agreement and any other statement, instrument or transaction contemplated hereby or relating hereto shall be interpreted in such manner as to be effective and valid under such applicable law, but, if any provision of this Agreement or any other statement, instrument or transaction contemplated hereby or relating hereto shall be held to be prohibited or invalid under such applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement or any other statement, instrument or transaction contemplated hereby or relating hereto. All representations and warranties contained in this Agreement shall survive the

execution, delivery and performance of this Agreement and the creation and payment of the obligations owing to Secured Party under the Note.

8. **Governing Law.** The parties to this Agreement have contracted for Wisconsin law to govern this Agreement and it is agreed that this Agreement is made pursuant to and shall be construed and governed by the laws of the State of Wisconsin without regard to the principles of conflicts of law.

9. **Consent to Jurisdiction.** DEBTOR SUBMITS AND CONSENTS TO PERSONAL JURISDICTION OF THE COURTS OF THE STATE OF WISCONSIN AND COURTS OF THE UNITED STATES OF AMERICA SITTING IN WISCONSIN FOR THE ENFORCEMENT OF THIS AGREEMENT AND WAIVES ANY AND ALL PERSONAL RIGHTS UNDER THE LAWS OF ANY STATE OR THE UNITED STATES OF AMERICA TO OBJECT TO JURISDICTION IN THE STATE OF WISCONSIN. AT THE ELECTION OF SECURED PARTY, LITIGATION MAY BE COMMENCED IN ANY STATE COURT OF GENERAL JURISDICTION FOR THE STATE OF WISCONSIN OR ANY UNITED STATES DISTRICT COURT LOCATED IN WISCONSIN. NOTHING CONTAINED HEREIN SHALL PREVENT SECURED PARTY FROM BRINGING ANY ACTION AGAINST DEBTOR OR EXERCISING ANY RIGHTS AGAINST ANY SECURITY GIVEN TO SECURED PARTY, OR AGAINST DEBTOR PERSONALLY, OR AGAINST ANY PROPERTY OF DEBTOR, WITHIN ANY OTHER STATE. COMMENCEMENT OF ANY SUCH ACTION OR PROCEEDING IN ANY OTHER STATE SHALL NOT CONSTITUTE A WAIVER OF CONSENT TO JURISDICTION OR OF THE SUBMISSION MADE BY DEBTOR TO PERSONAL JURISDICTION WITHIN THE STATE OF WISCONSIN.

15. **Waiver.** DEBTOR WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING TO WHICH DEBTOR IS INVOLVED DIRECTLY OR INDIRECTLY AND ANY MATTER IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT OR THE RELATIONSHIP ESTABLISHED HEREUNDER, AND WHETHER ARISING OR ASSERTED BEFORE OR AFTER THE DATE OF THIS AGREEMENT.
