TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT is made as of May 2, 2008 by GANNETT SATELLITE INFORMATION NETWORK, INC., a Delaware corporation ("Assignor").

RECITALS

WHEREAS, Assignor owns the trademarks listed on Schedule A attached hereto (the "Marks") that are registered or are the subject of a pending application in the United States Patent and Trademark Office;

WHEREAS, pursuant to the Asset Purchase Agreement, dated as of the date hereof (the "Purchase Agreement"), by and between Assignor and Telematch, Inc., a Delaware corporation ("Assignee"), Assignor has agreed to transfer certain intellectual property rights, including, without limitation, the Marks, to Assignee; and

WHEREAS, Assignee desires to acquire all rights, title and interests in, to and under the Marks and the goodwill associated therewith.

NOW, THEREFORE, in consideration of the mutual promises set forth in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged by Assignor:

1. All capitalized words and terms used in this Trademark Assignment and not defined herein shall have the respective meanings ascribed to them in the Purchase Agreement.
2. Upon the terms and subject to the conditions of the Purchase Agreement, Assignor hereby conveys, assigns, transfers and delivers absolutely to Assignee, its successors and assigns, all rights, title and interests throughout the world in and to the Marks and the registrations and applications for registration, together with the goodwill of the business connected with and symbolized by the Marks and all rights and powers arising or accrued therefrom including, without limitation, the right to sue and recover damages and other remedies for future and past infringements of the Marks and to fully and entirely stand in the place of Assignor in all matters related thereto.
3. Assignor agrees to take such further action and to execute such additional documents as may be necessary to perfect Assignee's title in and to the Marks.
4. Assignor hereby requests the Commissioner of Patents and Trademarks (the "Commissioner") to record this Trademark Assignment to Assignee and to issue any Certificates of Registration in the name of Assignee. Assignor hereby covenants that the Commissioner has full right to convey the entire interest herein assigned, and that Assignor has not executed, and will not execute, any agreements inconsistent herewith.
5. Assignor, by its execution of this Trademark Assignment, and Assignee, by its acceptance of this Trademark Assignment, each hereby acknowledge and agree that neither the representations and warranties nor the rights, remedies or obligations of any party under the Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by this instrument, and this Trademark Assignment shall not create any additional obligation or liability for Assignor or Assignee beyond those already specified in or contemplated by the Purchase Agreement and is intended only to assist with consummation of the transactions contemplated by the Purchase Agreement.

6. This Trademark Assignment is made subject to, and with the benefit of, the respective representations, warranties, covenants, terms, conditions, limitations and other provisions of the Purchase Agreement and in the event of any conflict or other inconsistency between this Trademark and the Purchase Agreement, the Purchase Agreement shall govern and be the controlling document.

7. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of New York without reference to its choice of law rules. The parties hereto, by mutual agreement in writing, may amend, modify and supplement this Trademark Assignment. The failure of any party hereto to enforce at any time any provision of this Trademark Assignment shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Trademark Assignment or any part hereof or the right of any party thereafter to enforce each and every such provision. This Trademark Assignment may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement.

[Remainder of Page Intentionally Left Blank]
