WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantor is a member of an affiliated group of companies that includes each other Loan Party;

WHEREAS, the proceeds of the extensions of credit under the Credit Agreement, to the extent applicable, and the proceeds under the Specified Hedge Agreements will be used in part to enable the Borrower to make valuable transfers to one or more of the other Loan Parties in connection with the operation of their respective businesses;

WHEREAS, the Borrower and the other Loan Parties are engaged in related businesses, and each Loan Party will derive substantial direct and indirect benefit from the making of the extensions of credit under the Credit Agreement and, to the extent applicable, the providing of financial accommodation under the Specified Hedge Agreements; and

WHEREAS, pursuant to Section 5.10(c) of the Credit Agreement, Grantor is required to become a party to the Security Agreement and to take such actions (including the execution, delivery and performance of this Agreement) necessary or advisable to grant to the Administrative Agent for the benefit of the Secured Parties a perfected first priority security interest in the Collateral described in the Guarantee and Collateral Agreement with respect to each new Subsidiary, including the filing of Uniform Commercial Code financing statements or other filings in such jurisdictions as may be requested by the Administrative Agent.

NOW, THEREFORE, in consideration of the foregoing, the Grantor hereby agrees with the Assignee, for the benefit of the Secured Parties, as follows:

1. Grant of Security Interest

(a) Grantor hereby grants to Assignee, for the benefit of the Secured Parties, a security interest in all Trademarks (defined below) and all Proceeds of Trademarks now owned or at any time hereafter acquired by such Grantor in which such Grantor now or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of all Obligations.

(b) "Trademarks" means (i) all United States, state and foreign trademarks, service marks, trade names, domain names, corporate names, company names, business names, fictitious business names, trade dress, trade styles, logos, or other indicia of origin or source identification, and all registrations of and applications to register the foregoing and any renewals thereof, including each registration and application identified in Schedule A hereto, (ii) the right to sue or otherwise recover for any and all past, present and future infringements, dilutions or other violations thereof, (iii) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all licenses entered into in connection therewith, and damages and payments for past, present or future infringements and dilutions thereof), and (iv) all other rights of any kind whatsoever accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each of the above.
