TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment") is made and entered into as of this 31st day of July, 2008 ("Effective Date"), by and between CORNING INCORPORATED, a New York corporation with its principal place of business at One Riverfront Plaza, Corning, New York, 14831 ("Assignor"), and STEUBEN GLASS LLC, a Delaware limited liability company, with its principal place of business at 1800 Moler Road, Columbus, Ohio, 43207 ("Assignee").

A. Assignor is the owner of the entire right, title and interest in and to the trademark registrations identified on Schedule I (the "Marks") and the goodwill related thereto;

B. Pursuant to the parties' Asset Purchase Agreement dated as of July 18, 2008 Assignee wishes to acquire, and Assignor has agreed to assign, Assignor's entire right, title and interest in and to the Marks and the goodwill of the business in connection with which the aforesaid Marks have been used.

C. Assignor has agreed to execute such additional instruments as may be necessary or desirable to confirm and record such acquisition by Assignee.

NOW, THEREFORE, in consideration of the foregoing, and other good and valuable consideration, the receipt and sufficiency of which are hereby mutually acknowledged, Assignor hereby agrees as follows:

1. Assignment. Assignor hereby sells, transfers, assigns and delivers to Assignee, its successors, legal representatives and assigns, Assignor's entire right, title and interest in and to the Marks, together with the goodwill of the business in connection with which the Marks have been used, and all registrations and applications therefor, in the United States and for all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment and sale had not been made.

2. Further Assistance. Assignor shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's reasonable request and expense (including the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required): (a) in the preparation and prosecution of any application for registration or any application for renewal of a registration covering the Marks; and (b) in the implementation or perfection of this Agreement.

3. It is also the intent of the parties hereto that the Assignor, by this Assignment, does NOT assign to the Assignee any trademark or related rights in and to the term "CORNING" or any derivations or modifications thereof.

IN WITNESS WHEREOF, Assignor has caused this instrument to be executed this 31st day of July, 2008.

CORNING INCORPORATED, Assignor:
