TRADEMARKS SUBJECT TO THE ASSIGNMENT:

See attached SCHEDULE A

WHEREAS, the Assignor a corporation incorporated in the state identified above and having a principal place of business at the location identified above, is the owner of the Trademarks and the U.S. trademark applications and registrations identified above that is related thereto (collectively, the "Trademark Rights");

WHEREAS, Assignor wishes to assign the Trademark Rights and the goodwill of the business associated therewith, or that portion of the good will of the business to which the Trademark Rights pertain, as required by § 10 of the Lanham Act; and

WHEREAS, Assignee, a corporation incorporated in the state identified above and having a principal place of business at the location identified above, desires to acquire all of Assignor's right, title, and interest in and to the Trademark Rights, together with that portion of goodwill of the business to which the Trademark Rights pertain;

NOW THEREFORE, for good and valuable consideration, including such consideration set forth in that certain Asset Transfer Agreement between the Assignor and Assignee dated 8 November 2007, the receipt of which is hereby acknowledged, Assignor has sold, transferred, assigned, and conveyed, and hereby sells, transfers, assigns, and conveys unto Assignee, its successors and assigns, all of Assignor's entire right, title, and interest in and to the Trademark Rights, in the United States of America, together with that portion of the goodwill associated with the business to which the Trademark Rights pertain, all common-law rights related thereto, all rights of registration, renewal, and extension, and the right to recover for claims of damages and profits for past infringements thereof; and

Assignor further represents and warrants that Assignor has the right, title, and authority to execute this Assignment and to convey all right, title, and interest in the Trademark Rights, and that Assignor has not conveyed nor will convey hereafter the Trademark Rights to a third party; and Assignor hereby covenants and agrees with the Assignee, its successors and assigns, that Assignor will not execute in writing or do any act whatsoever conflicting with these representations, and that Assignor, Assignor's successors, legal representatives, or administrators will at any time upon request, without further or additional consideration, but at the expense of the Assignee, its successors, and assigns, execute and deliver such additional papers, instruments, and writings and do such additional acts as said Assignee, its successors, and assigns, may deem necessary or desirable to perfect the Assignee's enjoyment of this

grant, and render all necessary assistance in making application for, obtaining, and enforcing any of the Trademark Rights, including giving testimony in any proceedings or transactions involving the Trademark Rights and/or to provide evidence to support any of the foregoing in the event such evidence is deemed necessary by Assignee, to the extent such evidence is in the possession or control of Assignor.
