Assignor hereby assigns, transfers and conveys to Assignee all right, title and interest in and to the trademarks set forth in the schedule, including any applications and registrations thereof, and the goodwill symbolized by and associated with the business conducted under the trademarks. This Assignment of Trademarks shall be binding upon Assignor, Assignor's successors and assigns and upon all others acting by, through, with or under Assignor's direction or control and all those in privity therewith. Assignor agrees to execute all papers and to perform such other proper acts as Assignee may deem necessary to secure to Assignor or to its designee the rights herein assigned.
