BLANKET ASSIGNMENT OF DOMESTIC INTELLECTUAL PROPERTY RIGHTS

This Assignment is executed as of this 1<sup>st</sup> day of January, 2005 by The Boler Company. ("Assignor"), a Delaware corporation having a principal place of business at 500 Park Boulevard, Suite 1010, Itasca, Illinois (United States of America) 60143.

WHEREAS, Assignor presently owns a variety of domestic (i.e., U.S.) and foreign intellectual property rights, including but not limited to, ownership rights in patents and patent applications issued by or pending in the United States Patent and Trademark Office, ownership rights in trademarks and trademark applications registered by or pending in the United States Patent and Trademark Office, ownership rights in service marks and service mark applications registered by or pending in the United States Patent and Trademark Office, ownership rights in unregistered trademarks and service marks, ownership rights in registered and/or unregistered copyrights, ownership rights in trade secrets, rights to sue, enforce and recover for infringement of intellectual property rights, rights to use intellectual property, rights to license and/or sub-license intellectual property rights, rights to receive income, royalties and payments for the use of intellectual property by others, rights in inventions that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor, rights in trademarks and service marks that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor, and rights in copyrightable works that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor;

WHEREAS, Hendrickson USA, L.L.C. ("Assignee") is a Delaware limited liability company having a principal place of business at 500 Park Boulevard, Suite 1010, Itasca, Illinois (United States of America) 60143 and desires to acquire all rights in and to Assignor's domestic intellectual property;

WHEREAS, it is desired to sell, transfer and assign all of the entirety of the domestic intellectual property rights owned by Assignor to Assignee, specifically those intellectual property rights that are applicable within the United States of America, its territories and possessions;

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00) and other good, valuable and legally adequate consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, conveys and sets over unto Assignee, its successors and assigns all of the entirety of Assignor's right, title and interest in and to domestic intellectual property rights.

The parties agree and acknowledge that this Assignment shall constitute an assignment and transfer of all of the entirety of Assignor's right title and interest in and to domestic (i.e., U.S.) intellectual property rights, including but not limited to, all of Assignor's:

- (a) ownership rights in patents and patent applications issued by or pending in the United States Patent and Trademark Office,

- (b) ownership rights in trademarks and trademark applications registered by or pending in the United States Patent and Trademark Office,
- (c) ownership rights in service marks and service mark applications registered by or pending in the United States Patent and Trademark Office,
- (d) ownership rights in unregistered trademarks and service marks,
- (e) ownership rights in registered and/or unregistered copyrights,
- (f) ownership rights in trade secrets,
- (g) rights to sue, enforce and recover for past, present and future infringement of domestic intellectual property rights,
- (h) rights to use intellectual property subject to the approval of any third party licensor of such intellectual property, to the extent such approval is required, and subject to Assignee's assumption of obligations related to such use of such intellectual property, which assumption is hereby transferred to the extent applicable,
- (i) rights to license and/or sub-license intellectual property rights,
- (j) rights to receive income, royalties and payments for the use of intellectual property by others,
- (k) rights in inventions that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor,
- (l) rights in trademarks and service marks that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor, and
- (m) rights in copyrightable works that have been assigned to Assignor and/or are subject to an obligation of assignment to Assignor.

The assignment and transfer of all marks by this Agreement includes an assignment and transfer of the entire goodwill of the business in connection with which the respective marks are used and to the extent any mark is the subject of an application to register such mark based upon a bona fide intention to use such mark in commerce, the assignment and transfer of such mark also includes the assignment and transfer of that portion of the business of Assignor to which such mark pertains.

The assignment and transfer of the right to sue, enforce and recover for infringement of intellectual property rights carried out by this Agreement shall include an assignment and transfer of the right to sue, enforce and recover for past, present and
