TRADEMARK SECURITY AGREEMENT (FIRST LIEN)

Trademark Security Agreement (First Lien), dated as of August 29, 2008 (as amended, restated, amended and restated, or otherwise modified, the "Trademark Security Agreement"), between each of the entities set forth on the signature pages hereto (each a "Grantor" and collectively, the "Grantors") and **KEYBANK NATIONAL ASSOCIATION**, in its capacity as administrative agent for the Secured Parties (together with any successors and assigns thereto in such capacity, the "Administrative Agent").

W I T N E S S E T H:

WHEREAS, the Grantors are party to the Pledge and Security Agreement (First Lien) dated as of December 31, 2007 (as amended, restated, amended and restated, or otherwise modified, the "Pledge and Security Agreement") between each of the Grantors and the other grantors party thereto and the Administrative Agent, and pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to enter into the Credit Agreement, the Grantors hereby agree with the Administrative Agent, as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, capitalized terms used herein without definition shall have the meaning given to them in the Pledge and Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Administrative Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

(a) all United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing, including, but not limited to: (i) the registrations and applications referred to on Schedule I hereto (as such schedule may be amended or supplemented from time to time), (ii) all extensions or renewals of any of the foregoing, (iii) all of the goodwill of the business connected with the use of and symbolized by the foregoing, (iv) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to goodwill, and (v) all Proceeds of the foregoing, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit (collectively, "Trademarks"); and

(b) any and all agreements providing for the granting of any right in or to Trademarks (whether such Grantor is licensee or licensor thereunder) including, without limitation, each agreement referred to on Schedule I hereto (as such schedule may be amended or supplemented from time to time) (collectively, "Trademark Licenses").

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent for the Secured Parties pursuant to the Pledge and Security Agreement and the Grantors hereby acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Pledge and Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Pledge and Security Agreement, the provisions of the Pledge and Security Agreement shall control.

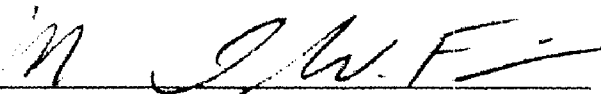

SECTION 4. Applicable Law. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

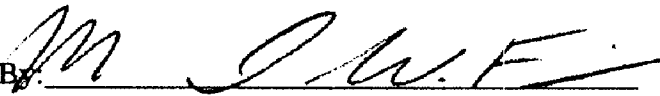

[Remainder of page intentionally left blank]

In Witness Whereof, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
