1.2.2 Unlawful Financial Assistance

No obligations shall be included in the definition of "Secured Obligations" to the extent that, if included, the security interest granted pursuant to this Deed or

any part thereof would constitute a violation of the prohibition on financial assistance as contained in Article 2:98c/2:207c Dutch Civil Code (the "Prohibition") and all provisions hereof will be construed accordingly. For the avoidance of doubt, this Deed will continue to secure those obligations which, if included in the definition of "Secured Obligations", would not constitute a violation of the Prohibition.

1.3 Separate Agreements; Counterparts

- 1.3.1 This Deed is entered into between the Pledgee on the one hand and each of the Pledgors on the other hand for efficiency purposes.
- 1.3.2 This Deed shall be construed so as to constitute a separate pledge agreement between each Pledgor on the one hand and the Pledgee on the other hand and if any such separate agreement between one of the Pledgors and the Pledgee becomes invalid or unenforceable, is terminated, rescinded, released, void, voidable, amended, restated, renewed, novated, supplemented or otherwise affected, the Secured Obligations of any Pledgor are satisfied or any of the rights of pledge created thereby is ineffective, the foregoing shall to the fullest extent permitted by law not affect the validity or enforceability of any of the other agreements between the Pledgee on the one hand and each other separate Pledgor on the other hand.
- 1.3.3 This Deed may be executed in any number of counterparts and by way of facsimile exchange of executed signature pages, all of which taken together shall constitute one and the same agreement.
- 1.3.4 Once this Deed has been executed by the Pledgee the same will become effective between the Pledgee on the one hand and each Pledgor who executes this Deed on the other hand (and among such Pledgors which have at such time executed this Deed), irrespective whether all Pledgors have at such time executed this Deed.

2. UNDERTAKING TO PLEDGE AND PARALLEL DEBT

2.1 Undertaking to pledge

Each Pledgor hereby agrees with the Pledgee that it shall grant to the Pledgee a right of pledge over its IP Collateral, as security for the payment of the Secured Obligations.

2.2 Parallel Debt

Pursuant to the Parallel Debt the Pledgee has its own claim in respect of the payment obligations of the Obligors to the Finance Parties. With respect to this claim the Pledgee acts in its own name and not as representative (*vertegenwoordiger*) of the Finance Parties or any of them and consequently the Pledgee becomes the sole pledgee under this Deed.

3. PLEDGE

3.1 Pledge of IP Collateral

- 3.1.1 To secure the payment of the Secured Obligations each Pledgor hereby grants to the Pledgee a right of pledge over its IP Collateral, which right of pledge is hereby accepted by the Pledgee.
- 3.1.2 Each Pledgor will execute, forthwith when it acquires any IP Collateral which has not yet been pledged pursuant to this Deed and at the Pledgee's first request a supplemental deed of pledge in the form of Annex 2 of this Master Deed or such other form as the Pledgee may request (a "Supplemental Deed of IP Pledge").
- 3.1.3 If and to the extent that at the time of the creation of this right of pledge, or at any time hereafter, a Principal Obligation owed to the Pledgee cannot be validly secured through the Parallel Debt, such Principal Obligation itself shall be a Secured Obligation.

3.2 Foreign Law IP Pledge

To secure the payment of the Secured Obligations, each Pledgor undertakes to grant to the Pledgee, upon any request of the Pledgee, in accordance with and subject to the terms hereof, a right of pledge over its IP Collateral in accordance with the laws of any jurisdiction the Pledgee in its sole discretion deems to be relevant to ensure that the Pledgee will have an enforceable right of pledge under the laws of such jurisdiction (a "Deed of Foreign Law IP Pledge").

3.3 General

- 3.3.1 Each Pledgor undertakes, forthwith upon the execution thereof, to register any Deed with the IP Registers for The Netherlands, the Benelux (as a whole) and the European Community (as a whole) and, upon the Pledgee's written request, in any other jurisdiction the Pledgee deems to be relevant ("Registration Jurisdictions"). The Pledgee is entitled to present this Master Deed and any other Deed for registration with the IP Registers in any Registration Jurisdiction.
- 3.3.2 Each Pledgor undertakes to forthwith provide the Pledgee with (i) a copy of an executed Deed and (ii) any evidence of registration of such Deed in any Registration Jurisdiction.

4. REPRESENTATIONS, WARRANTIES AND COVENANTS

- (c) at its own expense execute all documents and perform all such acts as the Pledgee may request for creating perfecting or protecting the right of pledge envisaged hereby, including but not limited to execution of any Deed in notarial form;
- (d) not pledge, otherwise encumber or transfer its IP Collateral, whether or not in advance, other than envisaged hereby or as explicitly permitted under the terms of the other Finance Documents, perform any act or refrain from performing any act as a result of which the rights of the Pledgee may be harmed, or permit to subsist any kind of encumbrance or attachment over any of its IP Collateral;
- (e) not grant or extend any license for the use or exploitation of any IP Collateral that will have a material effect on its business or on the overall value of the IP Collateral;
- (f) immediately inform the Pledgee of any event or circumstance which may be of importance to the Pledgee for the preservation or exercise of the Pledgee's rights pursuant hereto and provide the Pledgee, upon its written request, with any other information in relation to the (pledge of the) IP Collateral as the Pledgee may from time to time request;

5. ENFORCEMENT

5.1 Any failure by a Pledgor to satisfy the Secured Obligations when due shall constitute a default (*verzuim*) in the performance of the Secured Obligations, without any reminder letter (*sommatie*) or notice of default (*ingebrekestelling*) being required.

5.2 Upon the occurrence of an Enforcement Event the Pledgee may enforce its right of pledge and take recourse against the proceeds thereof.

5.3 The Pledgors shall not be entitled to request the court to determine that their IP Collateral pledged pursuant hereto shall be sold in a manner deviating from the provisions of Article 3:250 Dutch Civil Code.

5.4 The Pledgee shall not be obliged to give notice to the Pledgor of any intention to sell the pledged IP Collateral (as provided in Article 3:249 Dutch Civil Code) or, if applicable, of the fact that it has sold the same IP Collateral (as provided in Article 3:252 Dutch Civil Code).

5.5 All monies received or realised by the Pledgee in connection with the IP Collateral shall be applied by the Pledgee in accordance with the relevant provisions of the Finance Documents, subject to the mandatory provisions of Dutch law on enforcement (*uitwinning*).

5.6 The Pledgor hereby irrevocably and unconditionally waives (*doet afstand van*) any rights granted to the Pledgors under or pursuant to Dutch law from time to time which aim at protecting grantors of security for the debts of third parties, including any right it may have pursuant to Articles 3:233 and 6:139 Dutch Civil Code.

6. MISCELLANEOUS PROVISIONS

An excerpt from the Pledgee's records shall serve as conclusive evidence (*dwingend bewijs*) of the existence and the amounts of the Secured Obligations, subject to proof to the contrary.

6.3 Unenforceability

Each Pledgor and the Pledgee hereby agree that they will negotiate in good faith to replace any provision hereof which may be held unenforceable with a provision which is

enforceable and which is as similar as possible in substance to the unenforceable provision.

6.4 Power of attorney

Each Pledgor hereby grants an irrevocable power of attorney to the Pledgee authorising the Pledgee to execute on its behalf all documents and to perform all such acts on behalf of the Pledgor as the Pledgee may deem necessary or useful in order to have the full benefit of the rights (to be) granted to the Pledgee pursuant hereto, including (i) the exercise of any ancillary rights (*nevenrechten*) as well as any other rights it has in relation to the Rights and (ii) the performance of obligations of the Pledgee hereunder, which authorisations permits the Pledgee to (also) act as a Pledgor's counterparty within the meaning of Article 3:68 Dutch Civil Code.

6.5 Costs

~~6.5.1 All risks, taxes, fees, costs, charges and other expenses due or incurred in respect of or in connection with (the pledge of) any IP Collateral, shall be exclusively for the account of the Pledgors.~~

6.5.2 All costs, charges and expenses incurred by the Pledgee in the lawful exercise of the powers conferred upon it pursuant hereto (including any enforcement measure), or in relation to the negotiation, preparation and administration of any Deed, as well as in connection with any variation, amendment or supplement to the terms of any Deed, and any costs, charges and expenses incurred by the Pledgee in connection with any consent or waiver, shall be payable by the Pledgor to the Pledgee on first demand.

8.2 The Pledgee will be entitled to terminate by notice the right of pledge created pursuant hereto, in part or in whole, in respect of all or part of the IP Collateral and/or all or part of the Secured Obligations. If and insofar as the purported effect of any such termination would require a waiver (*afstand*) by the Pledgee, such termination shall be construed accordingly and the Pledgor hereby in advance agrees to such waiver.

9. CONFLICT

If any provisions in this Deed (for the avoidance of doubt excluding any specific provisions relating to the preservation of the IP Collateral or the exercise of the Pledgee's right pursuant to this Deed) conflict with the provisions of the Facilities Agreement, the provisions of the Facilities Agreement shall prevail, unless that would make the provisions of this Deed void or voidable or would be contrary to mandatory provisions of Dutch law, in which case the provisions of this Deed will prevail.
