WHEREAS, subject to the terms of the 1996 Master Lease Agreement, GECC has heretofore and may hereafter convey to certain financial institutions (collectively with GECC, the "Lease Participants") participation interests in its rights, duties and obligations under the 1996 Master Lease Agreement;

WHEREAS, concurrently herewith, the Grantor, the Loan Agent, the Lease Agent and the Common Collateral Agent are entering into (i) that certain Amended and Restated Facilities Agreement dated as of even date herewith (as further amended, supplemented, modified or restated from time to time, the "Facilities Agreement"; capitalized terms used herein and not otherwise defined herein shall have the meaning assigned thereto in the Facilities Agreement) which sets forth certain agreements and provisions governing the conduct of the Grantor and certain of its Subsidiaries and (ii) that certain Amended and Restated

Intercreditor Agreement dated as of even date herewith (as further amended, supplemented, modified or restated from time to time, the "Intercreditor Agreement") which sets forth certain agreements among the Lenders, the Issuing Lender, the Loan Agent, the Lease Agent, the Lease Participants and the Common Collateral Agent with respect to, among other things, voting rights and collateral issues; and

WHEREAS, as a condition precedent to the execution and delivery by the Loan Agent, the Lease Agent and the Common Collateral Agent of the Facilities Agreement and to the making of future financial accommodations by the Creditors, the Grantor is required to execute and deliver this Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in order to induce the execution and delivery by the Loan Agent, the Lease Agent and the Common Collateral Agent of the Facilities Agreement and to induce the Creditors to make future financial accommodations, the Grantor agrees as follows:

AGREEMENT

1. To secure the payment and performance of all Secured Obligations (as defined in Paragraph 2), Grantor hereby grants to the Common Collateral Agent for the benefit of the Creditors a valid, enforceable security interest in all of Grantor's rights, titles and interests in the United States and throughout the world, in and to all of its currently owned or hereafter acquired trademarks, registrations of trademarks and applications for registration, together with the goodwill of the business symbolized by such trademarks, including without limitation, those trademark registrations and applications for trademark registrations on Schedule A attached hereto and made a part hereof, and to all income, royalties, damages and payments now and hereafter due and/or payable under or based on such trademarks, and in and to all rights to sue, collect and retain damages and payments for past and future infringements and violation of the rights thereof (hereinafter all of the foregoing trademarks, registrations of trademarks and applications for trademark registrations are sometimes individually and/or collectively referred to as the "Trademarks").

2. This Agreement secures and the Trademarks are collateral security for the prompt payment or performance in full when due, whether at stated maturity, by acceleration or otherwise (including the payment of amounts that would become due but for the operation of the automatic stay under Section 362(a) of the Bankruptcy Code, 11 U.S.C. § 362(a)) of all obligations of

every nature of the Grantor now or hereafter existing under the Credit Documents and any promissory note or other document or instrument delivered pursuant thereto and all amendments, extensions or renewals thereof or hereof, whether for principal or interest (including, without limitation, all amounts owed by Grantor, whether designated as principal, interest or otherwise under the 1996 Master Lease Agreement and interest that, but for the filing of a petition in bankruptcy with respect to the Grantor, would accrue on such obligations), fees, expenses or otherwise, whether now existing or hereafter arising, voluntary or involuntary, whether or not jointly owed with others, direct or indirect, absolute or contingent, liquidated or unliquidated, and whether or not from time to time decreased or extinguished and later increased, created or incurred and all or any portion of such obligations that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from the Common Collateral Agent or the Creditors as a preference, fraudulent transfer or otherwise, and all obligations of every nature of the Grantor now or hereafter existing under this Agreement (all such obligations being the "Secured Obligations").

3. Grantor warrants and represents to and covenants with the Common Collateral Agent that:

(a) Grantor is the present owner of the entire right, title and interest in and to the Trademarks that are the subject of registrations on Schedule A, and, to the best of its knowledge, has good and indefeasible title thereto.

(b) The Trademarks are free and clear of all security interests, liens, claims and encumbrances, except those permitted by the Facilities Agreement.

(c) Except pursuant to Area Development Agreements, Franchise Agreements and similar agreements and as otherwise disclosed in writing by Grantor to the Common Collateral Agent, Grantor has not granted any license, rights and privileges in or to the Trademarks to any party, except the Common Collateral Agent.

(d) To the best of Grantor's knowledge, Grantor may use the Trademarks that are the subject of registrations on Schedule A free and clear of the infringement of the rights of others.

(e) Except as otherwise disclosed in writing by Grantor to the Common Collateral Agent, Grantor has no outstanding threats of action and has not commenced and

is not about to commence any suit or action against others in connection with the violation or enforcement of the rights of Grantor in the Trademarks.

(f) The Trademarks on Schedule A constitute all of the United States registrations and applications for the Trademarks owned by Grantor.

(g) Grantor has not and will not make any agreement or assignment in conflict with this Agreement.

4. To the best of Grantor's knowledge, the trademark applications have been duly and properly filed, and the trademark registrations filed and issued, and the Trademarks which are the subject of registrations on Schedule A are valid and enforceable.

5. Grantor shall not take any action, nor permit any action to be taken by others subject to Grantor's control, including licensees, or fail to take any action regarding any matter of which the Grantor has knowledge, which would affect the validity and enforcement of the Trademarks, or impair the value of the Trademarks or the goodwill of the business associated therewith, except Grantor may discontinue or abandon the use of the Trademarks in accordance with its reasonable business judgment, if such discontinuance or abandonment is desirable or necessary.

6. Subject to the other provisions of this Agreement, Grantor shall assume and continue, at its own cost and expense, through counsel of its own choice and acceptable to the Common Collateral Agent, full and complete responsibility for the prosecution, issuance, enforcement, maintenance, renewal or any other actions in connection with the Trademarks.

7. Grantor promptly shall notify the Common Collateral Agent, in writing, of any suit, action or proceeding brought against it relating to, concerned with or affecting the Trademarks or infringement of another trademark, and shall, on written request, deliver to the Common Collateral Agent a copy of all pleadings, papers, orders or decrees theretofore and thereafter filed in any such suit, action or proceeding, and shall keep the Common Collateral Agent fully advised in writing of the progress of any such suit.

8. Grantor shall provide the Common Collateral Agent quarterly with a listing of all new applications for trademarks (together with a listing of the issuance of registrations on any previous applications). Any new applications and issued trademark registrations shall be subject to the terms and

conditions of the Facilities Agreement and this Agreement and come within the term "Trademarks" as set forth herein. Grantor shall, together with the list, provide the Common Collateral Agent, on written request, with duly executed documents in a form acceptable to counsel for the Common Collateral Agent and suitable for recording, which documents grant a valid enforceable security interest to the Common Collateral Agent for the benefit of the Creditors as set forth in Paragraph 1 hereof, and subject to all the terms of this Agreement and the Facilities Agreement.

9. Grantor shall provide the Common Collateral Agent, at least annually, with a complete status report of all the Trademarks, and upon written request by the Common Collateral Agent, shall deliver to counsel for the Common Collateral Agent copies of any trademark applications and other non-privileged documents concerned with or related to the adoption, use, prosecution, protection, maintenance, renewal, enforcement or issuance of the Trademarks.

10. In order to protect and continue the goodwill of the business associated with and symbolized by the Trademarks, and to avoid deception to the public as to the nature and quality of the goods on which the Trademarks are employed by Grantor, Grantor shall conduct its business in accordance with the requirements of production, quality and service of the goods in the market as in the past, and shall at all times maintain the quality of the goods sold or distributed on which the Trademarks are employed commensurate with at least the same or better quality and past practices of Grantor.

11. The occurrence of either of the following shall constitute an Event of Default under this Agreement: (a) if Grantor shall fail or neglect to perform, keep or observe any material term, provision, condition, covenant, warranty or representation contained in this Agreement which is required to be performed, kept or observed by Grantor, and the same is not cured within 15 Business Days after written notice thereof from the Common Collateral Agent to Grantor; or (b) occurrence of an Event of Default under the Facilities Agreement. Grantor hereby appoints and designates the Common Collateral Agent its sole attorney to take any such action in the name of Grantor after an Event of Default as the Common Collateral Agent deems necessary under the circumstances, and Grantor shall pay all fees and expenses in connection with such action by its attorney so appointed and designated. Upon exercising any of its rights under this Agreement, Common Collateral Agent shall not assign or otherwise transfer any portion of the Trademarks that constitute so called "intent to use" applications for trademarks without assigning such applications as part of the entire business or

portion thereof to which such applications pertain as required by 15 U.S.C. §1060.

12. If any Event of Default shall have occurred and be continuing, the Common Collateral Agent may exercise in respect of the Trademarks (a) all the rights and remedies it has as a secured party on default under the Uniform Commercial Code of the State of New York (the "Code") (whether or not the Code applies to the affected Trademarks), (b) all of the rights and remedies provided for in this Agreement, the Facilities Agreement the other Credit Documents and any other agreement between the Grantor and the Creditors or between the Grantor and the Common Collateral Agent, as applicable, and (c) such other rights and the remedies as may be provided by law or otherwise (such rights and remedies of the Common Collateral Agent to be cumulative and non-exclusive). Without limiting the foregoing rights of the Common Collateral Agent in any respect, following the occurrence and during the continuance of an Event of Default hereunder, the Common Collateral Agent may grant, in Grantor's name and as Grantor's agent and attorney-in-fact or in its own name as Common Collateral Agent, licenses, rights or other privileges in, or otherwise take whatever action with respect to the Trademarks that the Common Collateral Agent deems necessary or appropriate under the circumstances; provided, however, Common Collateral Agent shall, and shall require any licensee to, conduct the business relating to the Trademarks in accordance with the requirements of production, quality and service of the goods in the market as in the past, and shall at all times maintain the quality of the goods sold or distributed on which the trademarks are employed commensurate with at least the same, or better, quality and past practices of Grantor.

13. Should any part or provision of this Agreement be held unenforceable or conflicting with the law of any jurisdiction the validity of the remaining parts or provisions hereof shall not be affected thereby.

14. Grantor agrees, on written request by the Common Collateral Agent, now and during the term of this Agreement to do all such acts as may be reasonably necessary or appropriate in order to carry out the intent and purpose of this Agreement, and to protect the interest of the Creditors in the Trademarks.

15. This Agreement shall create a continuing security interest in the Trademarks and shall (a) remain in full force and effect until the indefeasible payment in full of the Secured Obligations and termination of all contractual obligations of any Creditor under any Credit Document to extend credit of any nature to the Grantor, (b) be binding upon the Grantor, its successors and assigns and (c) inure, together with the rights and remedies

of the Common Collateral Agent hereunder, to the benefit of the Common Collateral Agent and its successors, transferees and assigns. Upon the indefeasible payment in full of the Secured Obligations and termination of all contractual obligations of all Creditors under any Credit Document to extend credit of any nature to Grantor, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the Grantor. Upon any such termination, the Common Collateral Agent will, at the Grantor's expense, execute and deliver to the Grantor such documents as the Grantor shall reasonably request to evidence such termination and shall terminate its financing statements with regard to the Collateral wherever filed.

16. It is the intent of the parties that this Agreement grants a security interest in all of Grantor's right, title and interest in and to the Trademarks and is not intended to be, and shall not be deemed to be, an assignment of the Trademarks. The parties agree and acknowledge that the security interest granted herein on any so-called "intent to use" trademark applications is granted as part of a security interest in the entire business to which any such applications pertain.

17. No amendment or waiver of any provision of this Agreement nor consent to any departure by the Grantor herefrom, shall in any event be effective unless the same shall be in writing and signed by the Common Collateral Agent and the Grantor, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

18. All notices and other communications provided for under this Agreement shall be in writing (including telegraphic, telex or facsimile communication) and mailed or telecommunicated or delivered at the address of such party set forth in the Facilities Agreement; or, as to each party, at such other address as shall be designated by such party in a written notice to the other party complying as to delivery with the terms of this Paragraph 18. All such notices and communications shall, when mailed or telecommunicated, be effective upon the earlier of actual receipt or three (3) Business Days after deposited in the mails, or one (1) Business Day after transmitted by telex and the appropriate answerback received, transmitted by facsimile or delivered to the telegraph company, respectively, addressed as aforesaid.

19. Each of the Grantor and the Common Collateral Agent hereby submits to the nonexclusive jurisdiction of the state courts of the State of New York and the federal courts located in New York City, New York for all matters arising under this Agreement and related documents. Service of process

sufficient for personal jurisdiction in any action against the Grantor in New York may be made by registered or certified mail, return receipt requested, to the address specified pursuant to Paragraph 18.

20. THIS AGREEMENT SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK AND THE PARTIES HERETO ELECT UNDER NEW YORK GENERAL OBLIGATIONS LAW, SECTION 5-1401, TO APPLY NEW YORK LAW. Unless otherwise defined herein or in the Facilities Agreement, terms used in Article 9 of the Code as in effect in the State of New York are used herein as therein defined.

21. In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation and in any other jurisdiction, shall not in any way be affected or impaired thereby.

22. This writing is intended by the Grantor and the Common Collateral Agent as the final expression of this Agreement and is also intended, together with the Credit Documents as a complete and exclusive statement of the terms of their agreement with respect to the matters covered hereby. No course of dealing, course of performance or trade usage, and no parol evidence of any nature, shall be used to supplement or modify and terms of this Agreement. There are no conditions to the full effectiveness of this Agreement.

23. This Agreement may be executed in one or more counterparts, each of which when so executed shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.
