## TRADEMARK ASSIGNMENT

**THIS TRADEMARK ASSIGNMENT** (this "Trademark Assignment") is executed and delivered by Ripple Technologies, Inc., a Pennsylvania corporation ("Assignor"), to NitroSecurity, Inc., a Delaware corporation ("Assignee").

### RECITALS

Concurrently herewith, Assignor and Assignee are consummating the transactions contemplated by that certain Asset Purchase Agreement dated as of even date herewith between Assignor and Assignor (the "Purchase Agreement"), pursuant to which Assignee is acquiring from Assignor substantially all of the assets of Assignor. All capitalized terms used and not otherwise defined herein shall have the respective meanings ascribed to such terms in the Purchase Agreement.

### AGREEMENT

**WHEREAS**, in connection with the Purchase Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to obtain, any and all right, title and interest that Assignor may have in and to all registered trademarks, together with the registrations and applications therefor, throughout the world which Assignor may have, including without limitation the marks set forth on Schedule A attached hereto (hereinafter, the "Marks").

**NOW, THEREFORE**, in consideration of the agreements made herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby covenants and agrees as follows:

**1. ASSIGNMENT:** Assignor does hereby assign, sell, transfer and convey unto Assignee any and all of the right, title and interest in and to the Marks and any applications or registrations therefore which Assignor may have, together with the goodwill of the business in connection with which the Marks are used and which are symbolized by the Marks, including, but not limited to, the use of the Marks in any manner; and Assignor does hereby further assign, sell, transfer and convey unto Assignee any and all claims of Assignor for past infringement and any and all causes of action of Assignor with respect to or arising out of the Marks, along with the right to recover damages and profits for past infringements thereof.

**2. NO USE/CHALLENGE:** As of the execution of this Trademark Assignment, Assignor shall permanently discontinue use of the Marks, and Assignor agrees not to challenge Assignee's right and title to the Marks, including the right of Assignee in and to its current and/or future registrations and applications for such Marks or seek to obtain or maintain state or federal trademark registrations for the Marks or any mark which so resembles the Marks as to be likely, when applied, to cause confusion or mistake or to deceive. Assignor further agrees that, as of the date hereof, Assignor will no longer use any and all merchandise and materials bearing the Marks not otherwise transferred to Assignee in connection with the Purchase Agreement.

**3. AUTHORITY:** Assignor represents and warrants that it has the full right, power and authority to enter into and deliver this Trademark Assignment.

**4. CONTINUING OBLIGATIONS:** Assignor agrees to assist Assignee, upon request, by taking any reasonable action that may be necessary for the perfecting, securing and completing of this

Trademark Assignment, including the execution of documentation required by any state or federal agency and/or registrar responsible for the registration or administration of the Marks, including without limitation the United States Patent and Trademark Office.

5. **BINDING EFFECT:** The covenants and conditions contained in this Trademark Assignment shall apply to and bind the parties hereto and their heirs, legal representatives, successors and permitted assigns. Nothing herein contained shall itself change, amend, extend or alter (nor shall it be deemed or construed as changing, amending, extending or altering) the terms or conditions of the Purchase Agreement in any manner whatsoever. In the event of any conflict or other difference between the Purchase Agreement and this Trademark Assignment, the provisions of the Purchase Agreement shall control.

6. **GOVERNING LAW:** This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to its conflicts of laws principles.
