WORLDWIDE TRADEMARK ASSIGNMENT

For one dollar and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Virox Technologies Inc., an Ontario corporation, with its principal place of business at 2770 Coventry Road, Oakville, Ontario, Canada, L6H 6R1 ("Assignor"), confirms that it assigned and does hereby assign to JohnsonDiversey, Inc., a Delaware corporation, with its principal place of business at 8310 16th Street Sturtevant, Wisconsin 53177-1964 (USA) ("Assignee"), all the Assignor's worldwide rights in the trademark (hereinafter the "Mark") identified in the attached Schedule "A" (which forms a part of this assignment), including any and all applications, registrations and renewals which may issue for the Mark, along with all applicable common law rights in the Mark, such as the associated goodwill and business, all Convention or Treaty rights in the Mark, and all rights to sue for present and future infringement thereof, as well as infringement occurring prior to the date of this assignment, as fully as these rights would have been held by the Assignor had this assignment not been made. Without limiting the generality of the foregoing, the registrations identified in the attached Schedule "A" are covered by this assignment.

Assignor covenants that it has the full right and power to convey the entire interest herein assigned, and that it has not executed and shall not hereafter execute any document in conflict with this assignment.

Assignor agrees that upon request of the Assignee, its successors, assigns or other legal representatives, Assignor, its successors, assigns or other legal representatives, shall do all other legal acts reasonably necessary to carry out the intent of this Assignment, at the Assignor's expense, including but not limited to causing any party under the Assignor's control to execute such documents and do all other legal acts reasonably necessary to carry out the intent of this assignment. Without limiting the generality of the foregoing, these other legal acts include executing additional documents as may be required to record this assignment and to obtain registration of the assigned Mark in any country in the Assignee's name, or in the name of Assignee's successors, assigns or other legal representatives.

This assignment is effective as of **October 30, 2007**.

Signed and sealed this 15 day of September, 2008.
