1. Assignor does hereby irrevocably assign, transfer, set over, and deliver to Assignee and its successors and assigns, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Trademarks and the registrations thereof and applications therefor, together with (i) the goodwill of the business(es) symbolized by and associated with the Trademarks, (ii) all causes of actions, claims and demands or other rights for, or arising from any infringement, dilution, unfair competition, misappropriation or other violation, including but not limited to past infringement, dilution, unfair competition, or other violation, of the Trademarks, and (iii) all rights corresponding thereto throughout the world.
