**EXECUTION COPY**

**GRANT OF TRADEMARK SECURITY INTEREST**

**October 3, 2008**

**WHEREAS, AMPEX CORPORATION**, a Delaware corporation ("Grantor"), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

**WHEREAS**, Ampex Corporation, a corporation duly organized and validly existing under the laws of Delaware (the "Borrower"), the subsidiary guarantors party thereto (the "Subsidiary Guarantors") and Hillside Capital Incorporated ("Hillside") are parties to a Credit Agreement dated as of October 3, 2008 (as modified and supplemented and in effect from time to time, the "Credit Agreement") providing, subject to the terms and conditions thereof, for loans to be made by Hillside to the Borrower.

**WHEREAS**, the Borrower, the Subsidiary Guarantors and U.S. Bank National Association, as trustee (in such capacity, the "Senior Note Trustee"), are parties to an Indenture dated as of October 3, 2008 (as modified and supplemented and in effect from time to time, the "Indenture"), providing, subject to the terms and conditions thereof, for the issuance of senior secured notes by the Borrower.

**WHEREAS**, the Borrower, the Subsidiary Guarantors, Hillside, the Senior Note Trustee and Hillside Capital Incorporated, as collateral agent for the Claimholders (as defined in the Indenture) (in such capacity, together with its successors in such capacity, the "Collateral Agent"), are parties to an Intercreditor Agreement dated as of October 3, 2008 (as modified and supplemented and in effect from time to time, the "Intercreditor Agreement") providing for, among other things, the relative priorities of the security interests granted by the Security Agreement and the appointment of the Collateral Agent to act as agent for the Claimholders.

**WHEREAS**, pursuant to the terms of a Security Agreement dated as of October 3, 2008 (as modified and supplemented and in effect from time to time, the "Security Agreement"), among Grantor, as an obligor, the Collateral Agent and the other obligors named therein, Grantor has created in favor of the Collateral Agent a security interest in, and the Collateral Agent has become a secured creditor with respect to, the Trademark Collateral;

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to the Collateral Agent pursuant to the Security Agreement, Grantor hereby grants to the Collateral Agent a security interest in all of Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the "Trademark

Collateral):

(i) all rights, title and interest (including rights acquired pursuant to a license or otherwise) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including, without limitation, the trademarks set forth on Schedule A annexed hereto) (collectively, the "Trademarks"), all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (including, without limitation, the registrations and applications set forth on Schedule A annexed hereto), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries, and all goodwill of such Grantor's business symbolized by the Trademarks and associated therewith; and

(ii) in relation to the foregoing: (a) all inventions, processes, production methods, proprietary information, know-how and trade secrets; (b) all licenses or user or other agreements granted to any Obligor with respect to any of the foregoing, in each case whether now or hereafter owned or used; (c) all customer lists, supplier lists, data, plans, blueprints, specifications, designs, drawings, recorded knowledge, surveys, engineering reports, test reports, manuals, materials standards, computer and automatic machinery software and programs; (d) all field repair data, sales data and other proprietary information relating to sales or service of products now or hereafter manufactured; (e) all accounting information and all media in which or on which any information or knowledge or data or records may be recorded or stored and all computer programs used for the compilation or printout of such information, knowledge, records or data; (f) all licenses, consents, permits, variances, certifications and approvals of governmental agencies now or hereafter held by any Obligor; (g) all causes of action, claims and warranties now or hereafter owned or acquired by any Obligor in respect of any of the items listed above; and (h) all proceeds in respect of any of the items listed above (such as, by way of example and not by limitation, license royalties).

For purposes of this Grant of Trademark Security Interest, the term "proceeds" includes whatever is receivable or received when Trademark Collateral or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantor does hereby further acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. However, in no event shall the Trademark Collateral include any Excluded Collateral. In the event of any Grant of Trademark Security Interest
