**Trademark Collateral Assignment and Security Agreement**

**TRADEMARK COLLATERAL SECURITY AND PLEDGE AGREEMENT** dated as of September 30, 2008, between each of **FREEDOM ELDERCARE, INC.**, a Delaware corporation having its principal place of business at 161 Main Street, Hackensack, NJ 07601 (the "Assignor"), and **TD BANK, N.A.**, a national association having a place of business at 2 West Main Street, Waterbury, Connecticut 06702 (the "Bank").

WHEREAS, the Assignor and the Bank are parties to a Commercial Loan and Security Agreement dated of even date herewith (as amended and in effect from time to time, the "Loan Agreement");

WHEREAS, it is a condition precedent to the Bank's making any loans or otherwise extending credit to the Assignor under the Loan Agreement that the Assignor execute and deliver to the Bank a trademark agreement in substantially the form hereof;

WHEREAS, in the Loan Agreement, the Assignor has granted to the Bank a security interest in certain of each Assignor's personal property and fixture assets, including without limitation the Trademarks and Trademark applications listed on Schedule A attached hereto, all to secure the payment and performance of the obligations of Assignor to Bank under the Loan Documents (as defined in the Loan Agreement) (such obligations being hereinafter collectively referred to as the "Obligations"); and

WHEREAS, this Trademark Agreement is supplemental to the provisions contained in the Loan Agreement.

NOW, THEREFORE, in consideration of the premises contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

**1. Definitions.**

Capitalized terms used herein and not otherwise defined herein shall have the respective meanings provided therefor in the Loan Agreement. In addition, the following terms shall have the meanings set forth in this Section 1 or elsewhere in this Trademark Agreement referred to below:

**Excluded Trademark License Rights.** Any Trademark License Rights that are now or hereafter held by Assignor but only to the extent that such Trademark License Rights (or any document evidencing such Trademark License Rights) contain a term or are subject to a rule of law, statute or regulation that restricts, prohibits, or requires a consent (that has not been obtained) of a Person (other than Assignor) to the creation, attachment or perfection of the security interest granted herein; provided, however, that Excluded Trademark License Rights

shall not include any Trademark License Rights that any time cease to satisfy the criteria for Excluded Trademark License Rights (whether as a result of Assignor obtaining any necessary consent, any change in any rule of law, statute or regulation, or otherwise).

**Proceeds.** Any consideration received from the sale, exchange, license, lease or other disposition or transfer of any right, interest, asset or property which constitutes all or any part of the Trademark Collateral, any value received as a consequence of the ownership, possession, use or practice of any Trademark Collateral, and any payment received from any insurer or other person or entity as a result of the destruction or the loss, theft or other involuntary conversion of whatever nature of any right, interest, asset or property which constitutes all or any part of the Trademark Collateral.

**PTO.** The United States Patent and Trademark Office.

**Trademark(s).** All trademarks and trademark applications, whether United States or foreign, that are owned by the Assignor or in which the Assignor has any right, title or interest, now or in the future, including but not limited to:

(a) the trademarks and trademark applications listed on Schedule A hereto (as the same may be amended pursuant hereto from time to time);

(b) all trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers and the goodwill associated therewith, now and existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, whether registered in the PTO or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof or otherwise, including without limitation, any thereof referred to in the Agreement or the other Loan Documents;

(c) all re-issues, continuations, divisions, continuations-in-part, renewals or extensions thereof,

(d) the right (but not the obligation) to make and prosecute applications for such Trademarks.

**Trademark Agreement.** This Trademark Collateral Assignment and Security Agreement, as amended and in effect from time to time.

**Trademark Collateral.** All of each Assignor's right, title and interest in and to all of the Trademarks, the Trademark License Rights, and all other Trademark Rights, and all additions, improvements, and accessions to, all substitutions for and replacements of, and all products and Proceeds (including insurance proceeds) of any and all of the foregoing, and all books and records and technical information and data describing or used in connection with any and all such rights, interests, assets or property.

**Trademark License Rights.** Any and all past, present or future rights and interests of each Assignor pursuant to any and all past, present and future licensing agreements in favor of the Assignor, or to which any Assignor is a party, pertaining to any Trademarks, or Trademark License Rights, owned or used by third parties in the past, present or future, including the right in the name of each Assignor or the Bank to enforce, and sue and recover for, any past, present or future breach or violation of any such agreement, other than Excluded Trademark License Rights.

**Trademark Rights.** Any and all past, present or future rights in, to and associated with the Trademarks throughout the world, whether arising under federal law, state law, common law, foreign law, or otherwise, including but not limited to the following: all such rights arising out of or associated with the Trademarks; the right (but not the obligation) to register claims under any federal, state or foreign Trademark law or regulation; the right (but not the obligation) to sue or bring opposition or bring cancellation proceedings in the name of the Assignor or the Bank for any and all past, present and future infringements of or any other damages or injury to the Trademarks or the Trademarks Rights, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, damage or injury; and the Trademark License Rights.

## **2. Grant of Security Interest.**

To secure the payment and performance in full of all of the Obligations, the Assignor hereby grants, assigns, transfers and conveys to the Bank, BY WAY OF COLLATERAL SECURITY, all of the Trademark Collateral. THE BANK ASSUMES NO LIABILITY ARISING IN ANY WAY BY REASON OF ITS HOLDING SUCH COLLATERAL SECURITY.

## **3. Representations, Warranties and Covenants.**

Assignor represents, warrants and covenants that: (i) Schedule A attached hereto sets forth a true and complete list of all the Trademarks, rights to Trademarks and Trademark applications now owned, licensed, controlled or used by the Assignor; (ii) to Assignor's knowledge, the issued Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and there is no litigation or proceeding pending concerning the validity or enforceability of the issued Trademarks; (iii) to the best of Assignor's knowledge, each of the issued Trademarks is valid and enforceable; (iv) to the best of Assignor's knowledge, there is no infringement by others of the issued Trademarks or Trademark Rights; (v) to the best of Assignor's knowledge, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third person, and to the best of Assignor's knowledge there is no infringement by any Assignor of the Trademark rights of others; (vi) to Assignor's knowledge, Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Trademarks (other than ownership and other rights reserved by third party owners with respect to Trademarks which Assignor is licensed to practice or use), free and clear of any liens, charges, encumbrances and adverse claims, including without limitation pledges, assignments, licenses, shop rights and covenants by Assignor not to sue third persons, other than

the security agreement created by the Loan Agreement and this Trademark Agreement; (vii) Assignor has the unqualified right to enter into this Trademark Agreement and perform its terms.

#### **4. No Transfer or Inconsistent Agreements.**

Without the Bank's prior written consent and except for licenses of the Trademark Collateral in the ordinary course of Assignor's business, Assignor will not (i) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Trademark Collateral, or (ii) enter into any agreement (for example, a license agreement) that is materially inconsistent with any Assignor's obligations under this Trademark Agreement or the Loan Agreement and/or any Loan Documents.

**5. After-Acquired Trademarks** If, before all the Obligations shall have been finally paid and satisfied in full, Assignor shall obtain any right, title or interest in or to any other or new Trademarks, Trademark applications, or become entitled to the benefit of any Trademark application or Trademark or any reissue, division, continuation, renewal, extension, or continuation-in-part of any of the Trademark Collateral or any improvement on any of the Trademark Collateral, the provisions of this Trademark Agreement shall automatically apply thereto and Assignor shall promptly give to the Bank notice thereof in writing and execute and deliver to the Bank such documents or instruments as the Bank may reasonably request further to transfer title thereto to the Bank.

#### **6. Trademark Prosecution.**

**6.1 Assignor Responsible.** Assignor shall assume full and complete responsibility for the prosecution, grant, enforcement or any other necessary or desirable actions (in Assignor's good faith business judgment) in connection with the Trademark Collateral, and shall hold the Bank harmless from any and all costs, damages, liabilities and reasonable and documented expenses which may be incurred by the Bank in connection with the Bank's title to any of the Trademark Collateral or any other action or failure to act in connection with this Trademark Agreement or the transactions contemplated hereby, other than due to Bank's gross negligence, bad faith or willful misconduct.

**6.2 Assignor's Duties, etc.** If commercially reasonable in Assignor's good faith business judgment, Assignor shall have the duty to prosecute diligently any Trademark applications of the Trademarks pending as of the date of this Trademark Agreement or thereafter, to make application for non-registered Trademarks but reasonably registrable Trademarks and to preserve and maintain all rights in the Trademarks, including without limitation the payment when due of all maintenance fees and other fees, taxes and other expenses which shall be incurred or which shall accrue with respect to any of the Trademarks. Any expenses incurred in connection with such applications and actions shall be borne by Assignor. If commercially reasonable in Assignor's good faith business judgment, Assignor shall not abandon any filed Trademark application, or any pending Trademark application or Trademarks, without the written consent of the Bank, which consent shall not be unreasonably withheld. The Bank hereby appoints the Assignor as its agent, effective during the continuance of an Event of Default, for all matters referred to in the foregoing provisions of this Section 6 and agrees to

execute any documents necessary to confirm such appointment. Upon the occurrence and during the continuance of an Event of Default, the Bank may terminate such agency by providing written notice of termination to the Assignor.

**6.3 Assignor's Enforcement Rights.** Assignor shall have the right to bring suit or other action in Assignor's own name to enforce the Trademarks and the Trademark Rights. The Bank shall be required to join in such suit or action as may be necessary to assure Assignor's ability to bring and maintain any such suit or action in any proper forum so long as the Bank is completely satisfied that such joinder will not subject the Bank to any risk of liability. Assignor shall promptly, upon demand, reimburse and indemnify the Bank for all damages, costs and reasonable and documented out-of-pocket expenses, including reasonable and documented outside legal fees, incurred by the Bank pursuant to this Section 6.

**6.4 Protection of Trademarks, etc.** If commercially reasonable in Assignor's good faith business judgment, in general, Assignor shall take any and all such actions (including but not limited to institution and maintenance of suits, proceedings or actions) as may be necessary or appropriate to properly maintain, protect, preserve, care for and enforce the Trademark Collateral. Assignor shall not take nor fail to take any action, nor permit any action to be taken or not taken by others under its control, which would reasonably be expected to adversely affect the validity, grant or enforcement of any of the Trademark Collateral.

**6.5 Notification by Assignor.** Promptly upon obtaining knowledge thereof, Assignor will notify the Bank in writing of the institution of, or any final adverse determination in, any proceeding in the PTO or any similar office or agency of the United States or any foreign country, or any court, regarding the validity of any of the material Trademarks or any Assignor's rights, title or interests in and to any of the material Trademark Collateral, and of any event which does or reasonably could reasonably be expected to materially adversely affect the value of any of the material Trademark Collateral, the ability of Assignor or the Bank to dispose of any of the Trademark Collateral or the rights and remedies of the Bank in relation thereto (including but not limited to the levy of any legal process against any of the Trademark Collateral).

## **7. License Bank to Assignor.**

Unless and until there shall have occurred and be continuing an Event of Default and the Bank has notified the Assignor that the license granted hereunder is terminated, the Bank hereby grants to the Assignor the sole and exclusive, nontransferable, royalty-free, worldwide right and license under the Trademarks to make, have made for it, use, sell and otherwise practice the inventions disclosed and claimed in the Trademarks for Assignor's own benefit and account and for none other; provided, however, that the foregoing right and license shall be no greater in scope than, and limited by, the rights assigned to the Bank by Assignor hereby. The Assignor agrees not to sell, assign, transfer, encumber or sublicense its interest in the license granted to the applicable Assignor in this Section 7, without the prior written consent of the Bank. Any such sublicenses granted on or after the date hereof shall be terminable by the Bank upon termination of Assignor's license hereunder.

## **8. Remedies.**

If any Event of Default shall have occurred and be continuing, then upon notice by the Bank to Assignor: (i) Assignor's license with respect to the Trademarks as set forth in Section 7 shall terminate; (ii) Assignor shall promptly cease and desist from the practice, manufacture, use and sale of the inventions claimed, disclosed or covered by the Trademarks; and (iii) the Bank shall have, in addition to all other rights and remedies given it by this Trademark Agreement, the Loan Agreement, and the other Loan Documents, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in the State of Connecticut and any other relevant jurisdiction and, without limiting the generality of the foregoing, the Bank may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Assignor, all of which are hereby expressly waived, and without advertisement, sell or license at public or private sale or otherwise realize upon the whole or from time to time any part of the Trademark Collateral, or any interest which Assignor may have therein, and after deducting from the proceeds of sale or other disposition of the Trademark Collateral all expenses (including all reasonable and documented out-of-pocket expenses for broker's fees and legal services), shall apply the residue of such proceeds toward the payment of the Obligations as set forth in the Loan Agreement and/or the other Loan Documents. Notice of any sale, license or other disposition of any of the Trademark Collateral shall be given to the Assignor at least thirty (30) days before the time that any intended public sale or other disposition of such Trademark Collateral is to be made or after which any private sale or other disposition of such Trademark Collateral may be made, which Assignor hereby agrees shall be reasonable notice of such public or private sale or other disposition. At any such sale or other disposition, the Bank may, to the extent permitted under applicable law, purchase or license the whole or any part of the Trademark Collateral or interests therein sold, licensed or otherwise disposed of.

## **9. Collateral Protection.**

If Assignor shall fail to promptly do any act that it has covenanted to do hereunder, or if any representation or warranty of Assignor shall be breached, the Bank, in its own name or that of the Assignor (in the sole discretion of the Bank), may (but shall not be obligated to) do such act or remedy such breach (or cause such act to be done or such breach to be remedied), and the Assignor agrees promptly to reimburse the Bank for any reasonable and documented out-of-pocket cost or expense incurred by the Bank in so doing.

## **10. Power of Attorney.**

If any Event of Default shall have occurred and be continuing, Assignor does hereby make, constitute and appoint the Bank (and any officer or agent of the Bank as the Bank may select in its exclusive discretion) as Assignor's true and lawful attorney-in-fact, with the power to endorse the Assignor's name on all applications, documents, papers and instruments necessary for the Bank to use any of the Trademark Collateral, to practice, make, use or sell the inventions disclosed or claimed in any of the Trademark Collateral, to grant or issue any exclusive or nonexclusive license of any of the Trademark Collateral to any third person, or necessary for the Bank to assign, pledge, convey or otherwise transfer title in or dispose of the Trademark

Collateral or any part thereof or interest therein to any third person, and, in general, to execute and deliver any instruments or documents and do all other acts which the Assignor is obligated to execute and do hereunder. Assignor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof, and releases the Bank from any claims, liabilities, causes of action or demands arising out of or in connection with any action taken or omitted to be taken by the Bank under this power of attorney (except for the Bank's gross negligence, bad faith or willful misconduct or failure to act in a commonly reasonable manner). This power of attorney shall be irrevocable for the duration of this Trademark Agreement.

**11. Further Assurances.**

Assignor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with governmental or regulatory authorities, agencies or offices, such agreements, assignments, documents and instruments, and do such other and further commercially reasonable acts and things (including, without limitation, obtaining consents of third parties), as the Bank may reasonably request or as may be necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Bank the grant, perfection and priority of the Bank's security interest in any of the Trademark Collateral.

**12. Termination.**

At such time as all of the Obligations have been finally paid and satisfied in full (other than contingent indemnity obligations in respect of which no claim has been asserted), this Trademark Agreement shall terminate and the Bank shall, upon the written request and at the expense of the Assignor, execute and deliver to Assignor all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Assignor the entire right, title and interest to the Trademark Collateral previously granted, assigned, transferred and conveyed to the Bank by the Assignor pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof which may have been made by the Bank pursuant hereto or the Loan Agreement and/or any of the other Loan Documents.

**13. Course of Dealing.**

No course of dealing among the Assignor and the Bank, nor any failure to exercise, nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder or under the Loan Agreement or other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

**14. Expenses.**

Any and all reasonable and documented out-of-pocket fees, costs and expenses, of whatever kind or nature, including the reasonable and documented outside attorneys' fees incurred by the Bank in connection with the preparation of this Trademark Agreement and all

other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving any of the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to any of the Trademark Collateral, shall be borne and paid by the Assignor.

**15. Overdue Amounts.**

Until paid, all amounts due and payable by the Assignor hereunder shall be a debt secured by the Trademark Collateral and other Collateral and shall bear, whether before or after judgment, interest at the rate of interest for overdue principal set forth in the Loan Agreement.

**16. No Assumption of Liability; Indemnification.**

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED HEREIN, THE BANK ASSUMES NO LIABILITIES OF ASSIGNOR WITH RESPECT TO ANY CLAIM OR CLAIMS REGARDING ASSIGNOR'S OWNERSHIP OR PURPORTED OWNERSHIP OF, OR RIGHTS OR PURPORTED RIGHTS ARISING FROM, ANY OF THE TRADEMARKCOLLATERAL OR ANY PRACTICE, USE, LICENSE OR SUBLICENSE THEREOF, OR ANY PRACTICE, MANUFACTURE, USE OR SALE OF ANY OF THE INVENTIONS DISCLOSED OR CLAIMED THEREIN, WHETHER ARISING OUT OF ANY PAST, CURRENT OR FUTURE EVENT, CIRCUMSTANCE, ACT OR OMISSION OR OTHERWISE. ALL OF SUCH LIABILITIES SHALL BE EXCLUSIVELY BORNE BY THE ASSIGNOR, AND THE ASSIGNOR SHALL INDEMNIFY THE BANK FOR ANY AND ALL REASONABLE AND DOCUMENTED OUT-OF-POCKET COSTS, EXPENSES, DAMAGES AND CLAIMS, INCLUDING REASONABLE AND DOCUMENTED OUTSIDE LEGAL FEES, INCURRED BY THE BANK WITH RESPECT TO SUCH LIABILITIES.

**17. Rights and Remedies Cumulative.**

All of the Bank's rights and remedies with respect to the Trademark Collateral, whether established hereby or by the Loan Agreement or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. This Trademark Agreement is supplemental to the Loan Agreement, and nothing contained herein shall in any way derogate from any of the rights or remedies of the Bank contained therein. Nothing contained in this Trademark Agreement shall be deemed to extend the time of attachment or perfection of or otherwise impair the security interest in any of the Trademark Collateral granted to the Bank under the Loan Agreement.

**18. Notices.**

All notices and other communications made or required to be given pursuant to this Trademark Agreement shall be in writing and shall be delivered in hand, mailed by United States registered or certified first-class mail, postage prepaid, or sent by telegraph, telecopy or telex and confirmed by delivery via courier or postal service, addressed as follows:

The Assignor (i) certifies that neither the Bank nor any representative, agent or attorney of the Bank has represented, expressly or otherwise, that the Bank would not, in the event of litigation, seek to enforce the foregoing waivers, and (ii) acknowledges that, in entering into the Loan Agreement and the other Loan Documents to which the Bank is a party, the Bank is relying upon, among other things, the waivers and certifications contained in this Section 21.

**22. Miscellaneous.**

The headings of each section of this Trademark Agreement are for convenience only and shall not define or limit the provisions thereof. In the event of any irreconcilable conflict between the provisions of this Trademark Agreement and the Loan Agreement, the provisions of the Loan Agreement shall control. If any term of this Trademark Agreement shall be held to be invalid, illegal or unenforceable, the validity of all other terms hereof shall in no way be affected thereby, and this Trademark Agreement shall be construed and be enforceable as if such invalid, illegal or unenforceable term had not been included herein. The Assignor acknowledges receipt of a copy of this Trademark Agreement.
