TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Agreement") is effective as of May 10, 2007, and entered into by and between **METHOD NETWORK, INC.**, a Delaware corporation (hereafter "Assignor"), and **METHOD INC.**, a California corporation (hereafter "Method") and memorializes the intent of said parties.

RECITALS

WHEREAS, Assignor has acquired U.S. Federal common law rights in the trade name and trademark Method, and owns the trademark applications and registrations set forth in the attached Schedule A (hereafter "the Marks") on and in connection with its design and marketing communications business, and desires to assign all of the Marks to Method; and

WHEREAS, Method desires to acquire from Assignor all right, title and interest in the Marks, together with the goodwill associated therewith.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing promises and the mutual covenants herein contained, and other good and valuable consideration already delivered to Assignor, the parties hereto agree as follows:

1. Assignor hereby transfers and assigns to Method all right, title, and interest it has in the Marks related to the services described within the associated applications and registrations for the Marks. Assignor agrees to execute any required documents, to provide upon request any required records, and otherwise to cooperate fully with Method as may be necessary to accomplish the transfer and assignment of said right, title and interest which Assignor has, or has had, in or to any or all of the Marks.

2. By executing below, Assignor acknowledges that Method is the owner of all right, title and interest in and to the Marks, and is also the owner of the goodwill attached to the Marks.

3. Each party represents and warrants that it has full right, power and authority to enter into this Agreement and perform all of such party's obligations hereunder, including without limitation assignment of rights as contemplated herein. Assignor further represents and warrants that it has granted no other licenses to use the Marks or otherwise transferred any rights in the Marks.

4. The terms and conditions of this Agreement shall inure to the benefit of, and shall be binding upon, the successors and assigns of the parties hereto.

5. This Agreement contains the entire agreement between the parties and constitutes the complete, final and exclusive embodiment of their agreement with respect to the subject matter hereof. This Agreement is executed without reliance upon any promise, warranty or representation by any party or any representative of any party other than those expressly contained herein. This Agreement may only be amended or modified by a written agreement signed by both parties.

6. Nothing herein contained shall be construed to constitute the parties hereto as partners or joint venturers or either as agent of the other and neither party shall have the power to obligate or bind the other in any manner whatsoever.

7. This Agreement may be executed in counterparts each of which shall be deemed an original but which together shall constitute one and the same instrument.

8. This Agreement shall be governed by and interpreted in accordance with the laws of the State of California applicable to contracts made and performed entirely within California.
