Exhibit A

TRADEMARK ASSIGNMENT

This Trademark Assignment is made and entered into as of October 14, 2008, by and among Millennium Information Technologies Limited, a Sri Lankan corporation ("Assignor"), and Wall Street Systems Delaware, Inc., a Delaware corporation ("Assignee") (collectively referred to as the "Parties").

WHEREAS, pursuant to that certain Settlement Agreement between Assignor and Assignee, dated as of October 14, 2008 (the "Agreement"), Assignor agreed to assign to Assignee all of Assignor's right, title and interest in and to the trademark identified in the attached Schedule 1, and all applications and registrations pertaining thereto, and all common law rights associated therewith, together with all goodwill arising from the use of and symbolized by said marks, all such rights existing in any jurisdiction (collectively, the "Mark"), and the Parties wish to record such assignment in the U.S. Patent and Trademark Office;

NOW, THEREFORE, in consideration of the premises set forth above and in the Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows:

1. Assignor, as beneficial owner, does hereby sell, assign, convey, transfer and deliver to Assignee, its successors, assigns, and legal representatives, absolutely and not as collateral security, without recourse, except as expressly provided in the Agreement, all of Assignor's right, title and interest in and to the Mark throughout the world (including any common law rights that may exist and are associated therewith), together with the goodwill symbolized by the Mark, including the right to bring an action or proceeding at law or equity or before any governmental authority for any past, present or future infringement, misappropriation, unauthorized use, dilution or violation of any of the Mark, or to prevent another person or entity from obtaining any trademark that might be detrimental to the rights assigned herein, and to collect all damages, awards, settlements and proceeds relating to the Mark, the registrations and applications for registration thereof, and all the benefit of the Mark, and Assignee hereby accepts such assignment, sale, conveyance, transfer and delivery.

2. Assignor hereby agrees to execute such additional documents as Assignee may reasonably request to register and otherwise give full effect to and perfect the rights of Assignee under this Trademark Assignment in and to the Mark. Assignor authorizes the Director of the United States Patent & Trademark Office to record the Mark and title thereto as the property of Assignee, its successors, legal representatives and assigns in accordance with the terms of this Trademark Assignment.

3. This Trademark Assignment may be executed simultaneously in separate counterparts (including, by facsimile), each of which will be deemed an original, but all of which together will constitute one and the same instrument.

4. This Trademark Assignment is subject to all the terms and conditions of the Agreement. The Parties intend that this Trademark Assignment shall not modify the applicable terms and conditions of the Agreement.

5. Any amendment or supplementation of this Trademark Assignment shall be effective only if in writing and duly executed by each of the Parties hereto.

6. This Trademark Assignment shall be governed by and construed in accordance with the laws of the State of Delaware without regard to the choice of law principles thereof.

(The remainder of this page is intentionally left blank)

IN WITNESS WHEREOF, Assignor and Assignee have caused this Trademark Assignment to be executed as a sealed instrument by their duly authorized officer as of the date first written above.
