Assignment Agreement

ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS made as of April 1, 2008 by Accu Industries, Inc., a Virginia corporation with its principal place of business at 11126 Air Park Road, Ashland, VA ("Assignor"), to Robert Bosch LLC, a Delaware limited liability company ("Assignee").

RECITALS

Assignee and Assignor are parties to an Asset Purchase Agreement dated as of March 12, 2008 (the "Agreement"), pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Purchased Assets (as defined in the Agreement), including without limitation the patents, patent applications, service marks, trademarks, trademark applications, trade names, copyrights, copyright applications and other intellectual property assets of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments as the Assignee may reasonably request in order to more effectively assign, transfer, grant, convey, assure and confirm to Assignee and its successors and assigns, or to aid and assist in the collection of or reducing to possession by the Assignee of, all of such assets.

In accordance therewith, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's registered and unregistered domestic and foreign patents, patent applications, servicemarks, trademarks, trademark applications, trade names, copyrights, copyright applications and other intangible assets, including without limitation the patents, patent applications, servicemarks, trademarks, servicemark and trademark applications, trade names, copyright registrations and copyright applications listed on Schedule A annexed hereto and incorporated herein by reference, (all of the foregoing being referred to herein as the "Intellectual Property Assets").

NOW, THEREFORE, Assignor, for and in exchange for the payment of the purchase price set forth in the Agreement, the receipt of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Intellectual Property Assets, together with the goodwill of the business associated therewith and which is symbolized thereby, all rights to sue for infringement of any Intellectual Property Asset, whether arising prior to or subsequent to the date of this Assignment of Intellectual Property Assets, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States, Canada and in any other jurisdiction, the same to be held and enjoyed by the said Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by the said Assignor had this Assignment of Intellectual Property Assets not been made.

Except to the extent that federal law preempts state law with respect to the matters covered hereby, this Assignment of Intellectual Property Assets shall be governed by and construed in accordance with the laws of the Commonwealth of Virginia without giving effect to the principles of conflicts of laws thereof.
