Section 3.9(a)(i):

See the disclosure in Annex I attached to this Seller Disclosure Letter with regard to the Seller Registered Intellectual Property.

Seller has applied for pre-registration in the first sunrise period for the following domain names: (1) eurologic.eu, (2) sanbloc.eu, and (3) spheras.eu (collectively the “*European Domain Names*”). Seller applied for all of the European Domain Names with “Adaptec UK, Ltd.” as the applicant. Seller’s pre-registration for such Domain Names was based on rights to the following: (1) the EUROLOGIC trademark registrations in Austria, Denmark, France and UK; (2) the SANBLOC trademark registration in the CTM; and (3) the SPHERAS trademark registration in Ireland (collectively the “*Related Trademarks*”). All Related Trademarks are owned by Eurologic Systems Group Limited. Seller expects that the registrations for the European Domain Names will be completed in the next several months (the “*Expected Completion Period*”), provided that if PricewaterhouseCoopers requires additional information regarding the ownership of the rights to the European Domain Names or the Related Trademarks, Parent or Buyer may be required to recommence the registration process for the European Domain Names. If Seller transfers the Related Trademarks to Buyer or Sanmina-Singapore prior to the granting of the registrations for the European Domain Names, Seller will not be able to complete the process of registering the European Domain Names. The foregoing disclosure shall be referred to herein as the “*European Domain Name Matter.*”
