1. Assignment. Effective as of the date hereof, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers, conveys and delivers unto Assignee all of its right, title and interest in, to and under the Trademarks including that portion of Assignor's business in connection with which Assignor had a *bona fide* intention to use any of the Trademarks, all rights to sue and recover for past and future infringement thereof and all goodwill associated therewith. Assignor hereby agrees to furnish Assignee for filing such notices of assignment with the United States Patent and Trademark Office and any other government/regulatory agency worldwide and shall submit such documents (such as registrant name change agreements) as are necessary to effect the assignment and transfer of the Trademarks to Assignee, with all reasonable filing costs to be borne by Assignee. Assignor hereby grants to Assignee an irrevocable power of attorney, coupled with an interest, to execute and file any of the foregoing notices and other documents.

2. Further Assurances. Assignor and Assignee, any time and from time to time, each shall execute, acknowledge, deliver and perform or cause to be executed, acknowledged, delivered and performed, such further acts, assignments, transfers, conveyances, powers of attorney, assurances or otherwise as may be reasonably necessary or proper to carry out the provisions and intent of this Assignment.

3. Counterparts. This Assignment may be executed in one or more counterparts, each of which shall be deemed to be an original but all of which shall constitute one and the same instrument.
