RECITALS

A. Borrower has entered into a Credit Agreement dated as of September 26, 2008 among Borrower, the Lenders referred to therein, and Bank of America, N.A., as Administrative Agent (as it may from time to time be amended, restated, extended, renewed, modified or supplemented, the "Credit Agreement"). This Assignment is the Trademark Assignment referred to in the Credit Agreement and is one of the "Loan Documents" referred to in the Credit Agreement.

B. The Subsidiary Grantors have guarantied the obligations of Borrower pursuant to the Credit Agreement.

C. Pursuant to the Credit Agreement the Lenders are making certain credit facilities available to Borrower.

D. As a condition of the availability of such credit facilities, Grantors are required to enter into this Assignment to grant security interests to Secured Party as herein provided.

E. Grantors expect to realize direct and indirect benefits from the execution of this Assignment.

AGREEMENT

NOW, THEREFORE, in order to induce the Lenders to extend the aforementioned credit facilities to Borrower, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Grantors hereby jointly and severally represent, warrant, covenant and agree as follows:

1. Definitions. Terms defined in the Credit Agreement and not otherwise defined in this Assignment shall have the meanings defined for those terms in the Credit Agreement. As used in this Assignment, the following terms shall have the meanings set forth below:

"Assignment" means this Trademark Assignment, and any extensions, modifications, renewals, restatements, supplements or amendments hereof, including, without limitation, any documents or agreements by which additional Grantors become party hereto.

"Collateral" means and includes all of the following: (a) all of Grantors' now-existing, or hereafter acquired, right, title, and interest in and to all of Grantors' trademarks, trade names, trade styles, and service marks; all prints and labels on which said trademarks, trade names, trade styles, and service marks appear, have appeared, or will appear, and all designs and general intangibles of a like nature; all applications, registrations, and recordings relating to the foregoing in the United States Patent and Trademark Office ("USPTO") or in any similar office or agency of the United States, any State thereof, or any political subdivision thereof, or in any other countries, and all reissues, extensions, and renewals thereof, including those trademarks, terms, designs, and applications described in Schedule 1 hereto (the "Trademarks"); (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all licenses and sublicenses of trademarks, trade names, trade styles and service marks, to the extent that there exists no prohibition as a matter of law or pursuant to such agreements governing such license or sublicense on the transfer thereof for security as contemplated by this Assignment; and (d) any and all proceeds of any of the foregoing, including any claims by Grantors against third parties for past, present and future infringement of the Trademarks or any licenses with respect thereto.

"Grantors" means those Persons mentioned in the preamble to this Assignment and those entities that become parties hereto as provided in Section 6.12 of the Credit Agreement or Section 9 hereof, and each of them, and any one or more of them, jointly and severally.

"Secured Obligations" means (a) in the case of Borrower, any and all present and future Obligations of any type or nature of Borrower arising under or relating to the Credit Agreement, the Secured Cash Management Agreements, the Secured Hedge Agreements and the Loan Documents or any one or more of them and (b) in the case of the Subsidiary Grantors, all present and future Obligations of any type or nature of the Subsidiary Grantors, or any one or more of them, arising under or relating to the Guaranty, including, without limitation, Obligations at any time and from time to time owing to any one or more Cash Management Banks or Hedge Banks arising under Secured Cash Management Agreements or Secured Hedge Agreements, respectively.

"Secured Party" means the Administrative Agent who shall receive and hold the assignments made hereunder for the ratable benefit of each of the Lenders which are parties to the Credit Agreement from time to time, together with each of the Hedge Banks and each of the Cash Management Banks. Subject to the terms and conditions of the Credit Agreement, any right, remedy, privilege, or power of Secured Party shall be exercised by the Administrative Agent, acting with the consent of those Lenders required by the Credit Agreement.

2. Assignment. For valuable consideration, Grantors and each of them hereby jointly and severally grant and assign to Secured Party a security interest, to secure the prompt and indefeasible payment and performance of the Secured Obligations, and each of them, in and to all of the presently existing and hereafter acquired Collateral. This Assignment is a continuing and irrevocable agreement and all the rights, powers, privileges and remedies hereunder shall apply to any and all Secured Obligations, including those arising under successive transactions which shall either continue the Secured Obligations, increase or decrease them and

notwithstanding the bankruptcy of any Grantor or any other event or proceeding affecting any Grantor.

3. Representations, Warranties and Covenants. Grantors, and each of them, represent, warrant and agree that:

(a) All of the existing Collateral is valid and subsisting in full force and effect, and Grantors own the sole, full, and clear title thereto, and the right and power to grant the security interests granted hereunder. Grantors will, at their expense, perform all acts and execute all documents necessary to maintain the existence of the Collateral as valid, subsisting, and registered trademarks, including, without limitation, the filing of any renewal affidavits and applications. The Collateral is not subject to any Liens, claims, mortgages, assignments or licenses of any nature whatsoever, whether recorded or unrecorded, except as permitted by the Credit Agreement.

(b) As of the date hereof, none of Grantors or their Subsidiaries has any Trademarks registered, or subject to pending applications, in the USPTO, or any similar office or agency in the United States, or any other country that are material to the conduct of the business of Grantors and their Subsidiaries, taken as a whole, other than those described in Schedule 1.

(c) Within 30 days of the filing of an application for the registration of a trademark with the USPTO or any similar office or agency in the United States, any State therein, or any other country, the applicable Grantor or Subsidiary of such Grantor shall inform Secured Party of the filing of any such application promptly thereafter. Upon request of Secured Party, Grantors shall execute and deliver to Secured Party any and all agreements, instruments, documents, and such other papers as may be requested by Secured Party to evidence the assignment of a security interest to Secured Party of such trademark. Each Grantor authorizes Secured Party to modify this Assignment by amending Schedule 1 to include any new trademark or service mark, and any trademark or service mark renewal of any Grantor applied for and obtained hereafter.

(d) No Grantor nor any Subsidiary of any Grantor has abandoned any of the Trademarks, and no Grantor nor any Subsidiary of any Grantor will do any act, or omit to do any act, whereby the Trademarks may become abandoned, canceled, invalidated, unenforceable, avoided, or avoidable, where such abandonment, cancellation, invalidation, unenforceability, avoidance or avoidability may constitute a Material Adverse Effect. Each Grantor shall notify Secured Party promptly if it knows, or has reason to know, of any reason why any application, registration, or recording may become abandoned, canceled, invalidated, or unenforceable, and if as a result thereof, a Material Adverse Effect may result.

(e) Grantors will render any assistance, as Secured Party may reasonably determine is necessary, to Secured Party in any proceeding before the USPTO, any federal or state court, or any similar office or agency in the United States, or any State therein, or any other country, to protect Secured Party's security interest in the Trademarks.

(f) Grantors assume all responsibility and liability arising from the use of the Trademarks, and each Grantor hereby indemnifies and holds the Administrative Agent and each of the Lenders harmless from and against any claim, suit, loss, damage, or expense (including reasonable attorneys' fees) arising out of any alleged defect in any product manufactured, promoted, or sold by any Grantor (or any Affiliate or Subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale, or advertisement of any such product by any Grantor or any Affiliate or Subsidiary thereof.

(g) Grantors shall promptly notify Secured Party in writing of any adverse determination in any proceeding in the USPTO or any other foreign or domestic Governmental Agency, court or body, regarding any Grantor's ownership of any of the Trademarks. In the event of any material infringement of any of the Trademarks by a third party, Grantors shall promptly notify Secured Party of such infringement and sue for and diligently pursue damages for such infringement unless it is in the best interest of the Grantors not to pursue such proceeding. In the event that Grantors elect not to pursue any rights that might apply to the applicable Grantor in connection with the infringement, Grantors will notify Secured Party of such election.

(h) Each Grantor shall, at its sole expense, do, make, execute and deliver all such additional and further acts, things, assurances, and instruments, in each case in form and substance satisfactory to Secured Party, relating to the creation, validity, or perfection of the security interests provided for in this Assignment under 35 U.S.C. Section 261, 15 U.S.C. Section 1051 et seq., the Uniform Commercial Code or other Law of the United States, the State of New York, or of any countries or other States as Secured Party may from time to time reasonably request, and shall take all such other action as the Secured Party may reasonably require to more completely vest in and assure to Secured Party its security interest in any of the Collateral, and each Grantor hereby irrevocably authorizes Secured Party or its designee, at such Grantor's expense, to execute such documents, and file such financing statements with respect thereto with or without such Grantor's signature, as Secured Party may reasonably deem appropriate. In the event that any recording or refiling (or the filing of any statement of continuation or assignment of any financing statement) or any other action, is required at any time to protect and preserve such security interest, Grantors shall, at their sole cost and expense, cause the same to be done or taken at such time and in such manner as may be necessary and as may be reasonably requested by Secured Party. Each Grantor further authorizes Secured Party to have this or any other similar security agreement recorded or filed with the USPTO or other appropriate federal, state or government office.

(i) Following Secured Party's request thereof and the applicable Grantor's failure to perform, Secured Party is hereby irrevocably appointed by each Grantor as its lawful attorney and agent, with full power of substitution to execute and deliver on behalf of and in the name of any or all Grantors, such financing statements and other documents and agreements, and to take such other action as Secured Party may deem necessary for the purpose of perfecting, protecting or effecting the security interests granted herein and effected hereby, and any mortgages or Liens necessary or desirable to implement or effectuate the same, under any applicable Law, and Secured Party is hereby authorized to

file on behalf of and in the name of any or all Grantors, at Grantors' sole expense, such financing statements, documents and agreements in any appropriate governmental office.

(j) Secured Party may, in its sole discretion, pay any amount, or do any act which Grantors fail to pay or do as required hereunder to preserve, defend, protect, maintain, record, amend, or enforce the Secured Obligations, the Collateral, or the security interest granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, and reasonable attorneys' fees. Grantors will be liable to Secured Party for any such payment, which payment shall be deemed an advance by the Lenders to Grantors, shall be payable on demand, together with interest at the per annum rate then applicable to Base Rate Advances under the Credit Agreement, or the Default Rate, if applicable, and shall be part of the Secured Obligations.

4. Events of Default. Any "Event of Default" as defined in the Credit Agreement shall constitute an Event of Default hereunder.

5. Rights and Remedies. Upon the occurrence and during the continuance of any such Event of Default, in addition to all other rights and remedies of Secured Party, whether provided under Law, the Credit Agreement or otherwise, Secured Party may enforce its security interest hereunder which may be exercised without notice to, or consent by, any Grantor, except as such notice or consent is expressly provided for hereunder. Upon such enforcement:

(a) Secured Party may use any of the Trademarks for the sale of goods, completion of work in process, or rendering of services in connection with enforcing any security interest granted to Secured Party by Grantors or any Subsidiary of any Grantor.

(b) Secured Party may grant such license or licenses relating to the Collateral for such term or terms, on such conditions and in such manner, as Secured Party shall, in its sole discretion, deem appropriate. Such license or licenses may be general, special, or otherwise, and may be granted on an exclusive or nonexclusive basis throughout all or part of the United States of America, its territories and possessions, and all foreign countries.

(c) Secured Party may assign, sell, or otherwise dispose of the Collateral, or any part thereof, either with or without special conditions or stipulations, except that Secured Party agrees to provide Grantors with five (5) days' prior written notice of any proposed disposition of the Collateral. The requirement of sending notice conclusively shall be met if such notice is mailed, first class mail, postage prepaid, to Borrower, on behalf of all Grantors. Each Grantor hereby irrevocably appoints Borrower as its agent for the purpose of receiving notice of sale hereunder, and agrees that such Grantor conclusively shall be deemed to have received notice of sale when notice of sale has been given to Borrower. Each Grantor expressly waives any right to receive notice of any public or private sale of any Collateral or other security for the Secured Obligations except as expressly provided in this Section 5(c). Secured Party shall have the power to buy the Collateral, or any part thereof, and Secured Party shall also have the power to execute assurances and perform all other acts which Secured Party may, in Secured

Party's sole discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, Grantors shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale or other disposition of any of the Collateral pursuant to Section 5(c) hereof, Secured Party may, at any time, execute and deliver, on behalf of Grantors, and each of them, pursuant to the authority granted in powers of attorney, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. Grantors agree to pay Secured Party, on demand, all costs incurred in any such transfer of the Collateral, including, but not limited to any taxes, fees, and reasonable attorneys' fees.

(e) Secured Party may first apply the proceeds actually received from any such use, license, assignment, sale, or other disposition of Collateral first to the reasonable costs and expenses thereof, including, without limitation, reasonable attorneys' fees and all legal, travel, and other expenses which may be incurred by Secured Party. Thereafter, Secured Party may apply any remaining proceeds to such of the Secured Obligations as provided in the Credit Agreement. Grantors shall remain liable to Secured Party for any expenses or Secured Obligations remaining unpaid after the application of such proceeds, and Grantors will pay Secured Party, on demand, any such unpaid amount, together with interest at the rate(s) set forth in the Credit Agreement.

(f) Upon request of Secured Party, Grantors shall supply to Secured Party, or Secured Party's designee, Grantors' knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and Grantors' customer lists and other records relating to the Trademarks and the distribution thereof.

Nothing contained herein shall be construed as requiring Secured Party to take any such action at any time. All of Secured Party's rights and remedies, whether provided under Law, the Credit Agreement, this Assignment, or otherwise shall be cumulative, and none is exclusive of any right or remedy otherwise provided herein or in any of the other Loan Documents, at law or in equity. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. Waivers.

(a) Each Grantor hereby waives any and all rights that it may have to a judicial hearing, if any, in advance of the enforcement of any of Secured Party's rights hereunder, including, without limitation, its rights following any Event of Default and during the continuance thereof to take immediate possession of the Collateral and exercise its rights with respect thereto.

(b) Secured Party shall not be required to marshal any present or future security for (including, but not limited to, this Assignment and the Collateral subject to a security interest hereunder), or guaranties of, the Secured Obligations or any of them, or to resort to such security or guaranties in any particular order. Each Grantor hereby agrees that it will not invoke any Law relating to the marshaling of collateral which might

cause delay in or impede the enforcement of Secured Party's rights under this Assignment or any other instrument evidencing any of the Secured Obligations or by which any of such Secured Obligations is secured or guaranteed, and each Grantor hereby irrevocably waives the benefits of all such Laws.

(c) Except for notices specifically provided for herein, each Grantor hereby expressly waives demand, notice, protest, notice of acceptance of this Assignment, notice of loans made, credit extended, collateral received or delivered or other action taken in reliance hereon and all other demands and notices of any description. With respect both to Secured Obligations and any collateral therefor, each Grantor assents to any extension or postponement of the time of payment or any other indulgence, to any substitution, of any Person primarily or secondarily liable, to the acceptance of partial payment thereon and the settlement, compromising or adjusting of any thereof, all in such manner and at such time or times as Secured Party may deem advisable. Secured Party shall have no duty as to the protection of the Collateral or any income thereon, nor as to the preservation of rights against prior parties, nor as to the preservation of any rights pertaining thereto except as otherwise required by Law. Secured Party may exercise its rights with respect to the Collateral without resorting or regard to other collateral or sources of reimbursement for liability. Secured Party shall not be deemed to have waived any of its rights upon or under the Credit Agreement or the Collateral unless such waiver be in writing and signed by the Secured Party. No delay or omission on the part of the Secured Party in exercising any right shall operate as a waiver of any right on any future occasion. All rights and remedies of the Secured Party under the Credit Agreement or on the Collateral, whether evidenced hereby or by any other instrument or papers, shall be cumulative and may be exercised singularly or concurrently.

7. Costs and Expenses.

(a) Grantors will pay any and all charges, costs and taxes incurred in implementing or subsequently amending this Assignment, including, without limitation, recording and filing fees, appraisal fees, stamp taxes, and reasonable fees and disbursements of Secured Party's counsel incurred by Secured Party, and the allocated cost of in-house counsel to Secured Party, in connection with this Assignment, and in the enforcement of this Assignment and in the enforcement or foreclosure of any Liens, security interests or other rights of the Secured Party under this Assignment, or under any other documentation heretofore, now, or hereafter given to Secured Party in furtherance of the transactions contemplated hereby.

(b) Grantors agree to reimburse Secured Party for and indemnify it against, any and all losses, expenses and liabilities (including liabilities for penalties) of whatever kind or nature sustained and reasonably incurred in connection with any claim, demand, suit or legal or arbitration proceeding relating to this Assignment, or the exercise of any rights or powers hereunder, including reasonable attorneys' fees and disbursements, and the allocated cost of in-house counsel to the Secured Party, except losses, expenses and liabilities arising out of Secured Party's own gross negligence or willful misconduct.

8. Continuing Effect. This Assignment shall remain in full force and effect and continue to be effective should any petition be filed by or against any Grantor for liquidation or reorganization, should any Grantor become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of any Grantor's assets.

9. Joinder. Any other Person may become a Grantor hereunder and become bound by the terms and conditions of this Assignment by executing and delivering to Administrative Agent an Instrument of Joinder substantially in the form attached hereto as Exhibit A, accompanied by such documentation as Administrative Agent may require to establish the due organization, valid existence and good standing of such Person, its qualification to engage in business in each material jurisdiction in which it is required to be so qualified, its authority to execute, deliver and perform this Assignment, and the identity, authority and capacity of each Responsible Officer thereof authorized to act on its behalf.

10. Release of Grantors. This Assignment and all Secured Obligations of Grantors hereunder shall be released when all Secured Obligations (other than contingent indemnification obligations) have been paid in full in cash or otherwise performed in full and when no portion of both the Revolving Credit Commitment and the Term Facility remains outstanding. Upon such release of Grantors' Secured Obligations hereunder, Secured Party shall return any Collateral to Grantors, or to the Person or Persons legally entitled thereto, and shall endorse, execute, deliver, record and file all instruments and documents, and do all other acts and things, reasonably required for the return of the Collateral to Grantors, or to the Person or Persons legally entitled thereto, and to evidence or document the release of Secured Party's interests arising under this Assignment, all as reasonably requested by, and at the sole expense of, Grantors.

11. Additional Powers and Authorization. Secured Party shall be entitled to the benefits accruing to it as Administrative Agent under the Credit Agreement and the other Loan Documents. Notwithstanding anything contained herein to the contrary, Secured Party may employ agents, trustees, or attorneys-in-fact and may vest any of them with any Property (including, without limitation, any Collateral assigned hereunder), title, right or power deemed necessary for the purposes of such appointment.

12. WAIVER OF JURY TRIAL. EACH GRANTOR AND SECURED PARTY HEREBY EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER THIS ASSIGNMENT, ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO THIS ASSIGNMENT, ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER SOUNDING IN CONTRACT OR TORT OR OTHERWISE; AND EACH GRANTOR AND SECURED PARTY HEREBY AGREE AND CONSENT THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT EACH GRANTOR OR SECURED PARTY MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

EACH GRANTOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION TO SUCH SERVICE OF PROCESS AND FURTHER IRREVOCABLY WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY ACTION OR PROCEEDING COMMENCED HEREUNDER OR UNDER ANY OTHER LOAN DOCUMENT THAT SERVICE OF PROCESS WAS IN ANY WAY INVALID OR INEFFECTIVE. NOTHING HEREIN SHALL AFFECT THE RIGHT OF THE ADMINISTRATIVE AGENT, ANY LENDER OR THE HOLDER OF ANY NOTE TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR TO COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY GRANTOR IN ANY OTHER JURISDICTION.

(b) EACH GRANTOR HEREBY IRREVOCABLY WAIVES ANY OBJECTION WHICH IT MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY OF THE AFORESAID ACTIONS OR PROCEEDINGS ARISING OUT OF OR IN CONNECTION WITH THIS ASSIGNMENT OR ANY OTHER LOAN DOCUMENT BROUGHT IN THE COURTS REFERRED TO IN CLAUSE (A) ABOVE AND HEREBY FURTHER IRREVOCABLY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, WAIVES AND AGREES NOT TO PLEAD OR CLAIM IN ANY SUCH COURT THAT ANY SUCH ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.
