TRADEMARK ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Ferro Corporation, an Ohio corporation, with an address at 1000 Lakeside Avenue, Cleveland, Ohio 44114-7000 ("Assignor"), hereby sells, transfers and assigns to Novolyte Technologies Inc., a Delaware corporation, with an address of 111 West Irene Road, Zachary, LA 70791, ("Assignee"), its successors, assigns or other legal representatives, all worldwide right, title and interest in and to (i) all trademarks, service marks, trade dress, brand names and trade names worldwide that are owned by Assignor identified on Schedule A (the "Marks"); (ii) all income, royalties, damages and payments now or hereafter due or payable with respect to the Marks worldwide; (iii) all rights of action arising from the Marks worldwide, including all claims for damages by reason of past, present and future infringement of the Marks and the right to sue and collect damages for such infringement, to be held and enjoyed by Assignee for its own use and benefit and for its successors and assigns as the same would have been held by Assignor had this assignment not been made; and (iv) the goodwill of the business symbolized by the Marks.

Assignor covenants and agrees that it will, at any time upon request, do everything reasonable to aid the Assignee, its successors, assigns or other legal representatives to document, effectuate or protect the ownership rights assigned herein, all without further consideration but at the expense of Assignee, its successors, assigns or other legal representatives.

If Assignee is unable for any reason to secure Assignor's signature to any document, or if Assignor otherwise fails to take any action, deemed necessary by Assignee to perfect or maintain Assignee's ownership of the Marks, then Assignee may, and Assignor hereby designates and appoints Assignee and its duly authorized officers and agents as Assignor's agent and attorney-in-fact to act on and in Assignor's behalf and stead to, execute and file any such documents, certificates, assignments, applications and other writings and to perform all other lawfully permitted acts to perfect Assignor's assignment and transfer of ownership rights to Assignee with the same legal force and effect as if executed, filed and performed by Assignor. This power of attorney is coupled with an interest and is irrevocable.

In Witness Whereof, Assignor and Assignee have caused this Agreement to be executed by their duly authorized representatives as of the date written below.
