Each Grantor hereby authorizes the Secured Party to modify this Security Agreement by amending Exhibit A to include any future patents, trademarks, copyrights, trade names, service marks, patent applications, trademark applications, service mark applications and each Grantor agrees to execute any agreements, documents or instruments reasonably requested by the Secured Party to effectuate such amendment.

5. ROYALTIES; TERM. Each Grantor hereby agrees that the use by the Secured Party of the Proprietary Collateral as authorized hereunder shall be co-extensive with such Grantor's rights thereunder and in respect thereof and without any liability for royalties or other related charges from the Secured Party to such Grantor. The term of the security interest granted herein shall extend until the earlier of (a) the expiration or termination of each item of Proprietary Collateral assigned hereunder, or (b) the date on which all "Collateral" (as defined in the Credit Agreement) has been released pursuant to the terms of the Credit Agreement and the other Loan Documents.

7. DUTIES OF THE GRANTORS. Each Grantor shall have the duty (a) to prosecute diligently any patent application, trademark application and service mark applications that are part of the patents, trademarks or service marks pending as of the date hereof and thereafter until the termination of this Security Agreement; (b) to make application on unpatented but patentable inventions, as such Grantor deems appropriate; (c) to take reasonable steps to preserve and maintain all of such Grantor's rights in any material Proprietary Collateral, including, without limitation, as appropriate, the use in interstate commerce, the timely payment of fees and the making of filings; and (d) not to divest itself of any right under any Proprietary Collateral, in each case unless such Proprietary Collateral is obsolete, no longer used in the operation of the business of any Grantor or replaced. Any expense incurred in connection with the foregoing shall be borne by the Grantors. The Grantors shall not abandon any material pending patent application, trademark application, service mark application or patent, trademark, copyright, trade name or service mark encumbered hereby and material to the operation or value of the business of any Grantor without the prior written consent of the Secured Party.

8. INFRINGEMENT. Each Grantor represents and warrants to the Secured Party that such Grantor owns and possesses, and will own or possess continuously throughout the term of this Security Agreement, the valid right to use the Proprietary Collateral, without any known conflict with the rights of others, and no litigation or proceeding is pending, or, to the best knowledge of such Grantor, threatened against such Grantor, which might, if successful, adversely affect such Grantor's interest in the Proprietary Collateral in any material respect.

9. ADDITIONAL REPRESENTATIONS AND WARRANTIES. Each Grantor represents and warrants that it is the true and lawful owner or licensee of the Proprietary Collateral listed in the Exhibits attached hereto and that, to such Grantor's knowledge, said listed Proprietary Collateral constitute all the patents, patent applications, trademarks, copyrights, service marks and other Proprietary Collateral registered in the United States Patent and Trademark Office or United States Copyright Office, as applicable, that such Grantor now owns or uses in connection with its business.

10. WAIVERS. No course of dealing between any Grantor and the Secured Party, and no failure to exercise or delay in exercising on the part of the Secured Party any right, power or privilege hereunder, under the Credit Agreement or any of the other Loan Documents, shall operate as a waiver of any of the Secured Party's rights, powers or privileges. No single or partial exercise of any right, power or privilege hereunder, under the Credit Agreement or under any other Loan Document shall preclude any other or further exercise thereof, or the exercise of any other right, power or privilege.

11. SECURED PARTY'S EXERCISE OF RIGHTS AND REMEDIES UPON AN EVENT OF DEFAULT.

(a) An "Event of Default" under this Security Agreement shall be deemed to exist if there shall exist and be continuing any event, condition or thing which constitutes an Event of Default

under the Credit Agreement or any other Loan Document, including, without limitation, any Grantor's default in the timely performance of all of its obligations and covenants hereunder.

(b) Upon and during the continuance of an Event of Default, the Secured Party may (to the extent permitted by law) exercise any and all rights and remedies provided in this Security Agreement, the Credit Agreement, the other Loan Documents, at law and in equity. In connection therewith, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the patents, trademarks, copyrights or service marks secured hereby and, if the Secured Party shall commence any such suit, the Grantors shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement. The Grantors shall, upon demand, promptly reimburse the Secured Party for all costs and other expenses including, without limitation, attorneys' fees and expenses, incurred by the Secured Party in the exercise of its rights under this paragraph.

(c) Without limiting the generality of subparagraph (b), above, if an Event of Default shall occur and be continuing, the Secured Party may by written notice to the Grantors take any or all of the following actions: (i) declare the entire right, title and interest of the applicable Grantor in each of the patents, copyrights, trademarks and other Proprietary Collateral vested, in which event such right, title and interest shall immediately vest in the Secured Party, in which case such Grantor agrees to execute an assignment in form and substance reasonably satisfactory to the Secured Party or all its right, title, and interest to such Proprietary Collateral to the Secured Party; (ii) take and practice, use or sell the Proprietary Collateral; and (iii) direct such Grantor to refrain, in which event such Grantor shall refrain, from using or practicing the Proprietary Collateral directly or indirectly, and such Grantor shall execute such other and further documents as the Secured Party may request further to confirm this and to transfer ownership of the Proprietary Collateral to the Secured Party.

12. SEVERABILITY. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. MODIFICATION. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 4 hereof or by a writing signed by the parties hereto.

14. CUMULATIVE REMEDIES; POWER OF ATTORNEY. All of the Secured Party's rights and remedies in respect of the Proprietary Collateral whether established hereby, by the Credit Agreement, by any of the Loan Documents or by law, shall be cumulative and may be exercised singularly or concurrently. Upon and during the continuance of an Event of Default, each Grantor hereby constitutes and appoints the Secured Party its true and lawful attorney, with full power of substitution, with power to (a) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Secured Party in the use of the Proprietary Collateral, (b) take any other actions in respect of the Proprietary Collateral as the Secured Party deems in the best interest of the Secured Party, (c) grant or issue any exclusive or non-exclusive license under the Proprietary Collateral to anyone, or (d) assign, pledge, convey or otherwise transfer title in or dispose of the Proprietary Collateral to anyone. Each Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the "Collateral" (as such term is defined and used in the Credit Agreement) shall have been released

pursuant to the terms of the Credit Agreement. Each Grantor hereby acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party under the Credit Agreement or any of the other Loan Documents, but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given to it by the terms of this Security Agreement, all rights and remedies allowed by law and all rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Proprietary Collateral may be located or deemed located.

15. APPLICATION OF PROCEEDS. All Collateral and proceeds of Collateral obtained and realized by the Secured Party from the exercise of remedies hereunder or under any other documents relating to this Agreement shall, unless otherwise required by the terms of the other Loan Documents or by applicable law, be applied as follows:

- (i) first, to the payment of all expenses (to the extent not paid by the Borrower) incurred by the Agents and the Lenders in connection with the exercise of such remedies, including, without limitation, all reasonable costs and expenses of collection, reasonable attorneys' fees, court costs and any foreclosure expenses;
- (ii) second, to the payment pro rata of interest then accrued on the outstanding Loans;
- (iii) third, to the payment pro rata of any fees then accrued and payable to the Agents or any Lender under this Agreement;
- (iv) fourth, to the payment pro rata of the principal balance then owing on the outstanding Loans, the LC Reimbursement Obligations and the Specified Hedge Agreements;
- (v) fifth, to the payment pro rata of all other amounts owed by any Grantor to the Agents or any Lender under this Agreement or any other Loan Document (including, without limitation, a deposit with the Letter of Credit Issuer in the aggregate amount of the aggregate undrawn amount of all Letters of Credit outstanding at such time);
- (vi) sixth, to the payment pro rata of Bank Product Debt and all other amounts owed by any Grantor to the Agents or any Lender or any Affiliate of any of the foregoing under any other agreement, instrument or document, so long as the Administrative Agent is provided with a true and correct copy thereof and such Person timely certifies to the Administrative Agent the amount or amounts due and owing thereunder; and
- (vii) finally, any remaining surplus after all of the Obligations and obligations described in clause (vi) above have been paid in full, to the Borrower (as agent for itself and Holdings and their respective Subsidiaries as their interests may appear) or to whomsoever shall be lawfully entitled thereto.

For the purpose of determining pro rata shares under clause (iv) of this Section, all Obligations in respect of Specified Hedge Agreements will be deemed to have an outstanding principal amount equal to the amount that would be payable (or would permit the Lender or Lender Affiliate counterparty thereto to cause to become payable) by a Loan Party (after giving effect to any netting agreement) upon the occurrence of any default or other termination thereunder (after

notice and opportunity to cure to the extent, if any, provided for in such Specified Hedge Agreement).

16. AGENT. The Secured Party will hold in accordance with this Security Agreement all items of the Collateral at any time received under this Security Agreement. The acceptance by the Secured Party of this Security Agreement, with all the rights, powers, privileges and authority so created, shall not at any time or in any event obligate the Secured Party to appear in or defend any action or proceeding relating to the Collateral to which it is not a party, or to take any action hereunder or thereunder, or to expend any money or incur any expenses or perform or discharge any obligation, duty or liability under the Collateral. By accepting the benefits of this Security Agreement, each Secured Creditor acknowledges and agrees that the rights and obligations of the Secured Party shall be as set forth in Article 8 of the Credit Agreement. 17. ENFORCEMENT ON BEHALF OF SECURED CREDITORS. The Secured Creditors agree by their acceptance of the benefits hereof that this Security Agreement may be enforced on their behalf only by the action of the Secured Party, acting upon the instructions of the Required Lenders and that no other Secured Creditor shall have any right individually to seek to enforce or to enforce this Security Agreement or to realize upon the security to be granted hereby, it being understood and agreed that such rights and remedies may be exercised by the Secured Party, for the benefit of the Secured Creditors, upon the terms of this Security Agreement.
