REEL: 003889 FRAME: 0440

**AMENDED AND RESTATED
INTELLECTUAL PROPERTY SECURITY AGREEMENT**

This Amended and Restated Intellectual Property Security Agreement is entered into as of October 7, 2008 by and between **SILICON VALLEY BANK** ("Secured Party") and **HART INTERCIVIC, INC.**, a Texas corporation ("Debtor").

RECITALS

A. Secured Party and Debtor are entering into that certain Amended and Restated Loan and Security Agreement by dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "**Loan Agreement**"; capitalized terms used herein which are not defined, have the meanings set forth in the Loan Agreement).

B. Pursuant to the terms of the Loan Agreement, Debtor has granted to Secured Party a security interest in all of Debtor's right, title and interest, whether presently existing or hereafter acquired, in, to all Intellectual Property and all other Collateral.

C. This Agreement amends and restates in its entirety that certain Intellectual Property Security Agreement, dated as of March 22, 2002 (as amended, restated, supplemented, or otherwise modified from time to time, the "**Prior IP Security Agreement**"), between Debtor and Secured Party. The Prior IP Security Agreement was recorded: (A) with the U.S. Copyright Office, on June 7, 2002, at Volume 3486 / Page 601 with respect to the Registered Copyrights identified therein; and (B) with the U.S. Patent and Trademark Office, on April 11, 2002, at Reel 012762 / Frame 0259, with respect to the Patents identified therein.

NOW, THEREFORE, as collateral security for the payment and performance when due of all of the Obligations, Debtor hereby grants, represents, warrants, covenants and agrees as follows:

AGREEMENT

1. Grant of Security Interest. To secure all of the Obligations, Debtor grants and pledges to Secured Party a security interest in all of Debtor's right, title and interest in, to and under its Intellectual Property (as defined in the Loan Agreement), including without limitation the following:

(a) All of present and future United States registered copyrights and copyright registrations, including, without limitation, the registered copyrights, maskworks, software, computer programs and other works of authorship subject to United States copyright protection listed in Exhibit A to this Agreement (and including all of the exclusive rights afforded a copyright registrant in the United States under 17 U.S.C. §106 and any exclusive rights which may in the future arise by act of Congress or otherwise) and all present and future applications for copyright registrations (including applications for copyright registrations of derivative works and compilations) (collectively, the "**Registered Copyrights**"), and any and all royalties, payments, and other amounts payable to Debtor in connection with the Registered Copyrights, together with all renewals and extensions of the Registered Copyrights, the right to recover for all

past, present, and future infringements of the Registered Copyrights, and all computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating the Registered Copyrights, and all other rights of every kind whatsoever accruing thereunder or pertaining thereto.

(b) All present and future copyrights, maskworks, software, computer programs and other works of authorship subject to (or capable of becoming subject to) United States copyright protection which are not registered in the United States Copyright Office (the "Unregistered Copyrights"), whether now owned or hereafter acquired, and any and all royalties, payments, and other amounts payable to Debtor in connection with the Unregistered Copyrights, together with all renewals and extensions of the Unregistered Copyrights, the right to recover for all past, present, and future infringements of the Unregistered Copyrights, and all computer programs, computer databases, computer program flow diagrams, source codes, object codes and all tangible property embodying or incorporating the Unregistered Copyrights, and all other rights of every kind whatsoever accruing thereunder or pertaining thereto. The Registered Copyrights and the Unregistered Copyrights collectively are referred to herein as the "Copyrights."

(c) All right, title and interest in and to any and all present and future license agreements with respect to the Copyrights.

(d) All present and future accounts, accounts receivable, royalties, and other rights to payment arising from, in connection with or relating to the Copyrights.

(e) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications set forth on Exhibit B attached hereto (collectively, the "Patents");

(f) All trademark and servicemark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Debtor connected with and symbolized by such trademarks, including without limitation those set forth on Exhibit C attached hereto (collectively, the "Trademarks");

(g) Any and all claims for damages by way of past, present and future infringements of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the rights identified above;

(h) All licenses or other rights to use any of the Copyrights, Patents or Trademarks, and all license fees and royalties arising from such use to the extent permitted by such license or rights;

(i) All amendments, extensions, renewals and extensions of any of the Copyrights, Trademarks or Patents; and

(j) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing, and all license royalties and proceeds of infringement suits, and all rights

corresponding to the foregoing throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part of the foregoing.

2. Loan Agreement. This security interest is granted in conjunction with the security interest granted to Secured Party under the Loan Agreement. The rights and remedies of Secured Party with respect to the security interest granted hereby are in addition to those set forth in the Loan Agreement and the other Loan Documents, and those which are now or hereafter available to Secured Party as a matter of law or equity. Each right, power and remedy of Secured Party provided for herein or in the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Secured Party of any one or more of the rights, powers or remedies provided for in this Agreement, the Loan Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Secured Party, of any or all other rights, powers or remedies.

3. Covenants and Warranties. Debtor represents, warrants, covenants and agrees as follows:

(a) Debtor and Secured Party acknowledge that Section 6.10 of the Loan Agreement modifies certain requirements set forth in Section 8(3) of the Schedule to the Prior Loan Agreement, and that this Agreement modifies certain requirements set forth in the Prior IP Security Agreement, in each case with respect to the registration or non-registration of copyrights.

(b) Debtor shall undertake all commercially reasonable measures to cause its employees, agents and independent contractors to assign to Debtor all rights of authorship to any copyrighted material in which Debtor has or may subsequently acquire any right or interest.

(c) Debtor shall promptly advise Secured Party of any Trademark, Patent or Registered Copyright not specified in this Agreement, which is hereafter acquired by Debtor.

(d) Section 6.10 of the Loan Agreement hereby is incorporated herein as though fully set forth herein, *mutatis mutandis*.

4. General. If any action relating to this Agreement is brought by either party hereto against the other party, the prevailing party shall be entitled to recover reasonable attorneys fees, costs and disbursements. This Agreement may be amended only by a written instrument signed by both parties hereto. To the extent that any provision of this Agreement conflicts with any provision of the Loan Agreement, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Secured Party under the Loan Agreement. This Agreement, the Loan Agreement, and the other Loan Documents comprise the entire agreement of the parties with respect to the matters addressed in this Agreement.

5. CHOICE OF LAW, VENUE, JURY TRIAL WAIVER AND JUDICIAL REFERENCE. SECTION 11 OF THE LOAN AGREEMENT HEREBY IS INCORPORATED HEREIN, MUTATIS MUTANDIS.
