RELEASE OF SECURITY INTERESTS

This Release of Security Interests ("Agreement") is entered into and dated effective as of June 16, 2008, by and between LAI International, Inc., a Minnesota corporation ("Debtor"), and Churchill Capital Partners IV, L.P., a Delaware limited partnership ("Secured Party").

INTRODUCTION

A. Debtor and the Secured Party are parties to a Senior Subordinated Patent and Trademark Security Agreement dated June 7, 2005, and a Junior Subordinated Patent and Trademark Security Agreement dated June 7, 2005 (collectively, the "Security Agreements").

B. Pursuant to the Security Agreements, Debtor granted Secured Party security interests in Debtor's Patents, Trademarks and Licenses (as such terms are defined in the Security Agreements), including the patents and patent applications listed on the attached Exhibit A attached hereto, and the trademarks, trademark applications and trademark registrations listed on the attached Exhibit B.

C. The parties desire to confirm the release of all security interests in favor of the Secured Party granted pursuant to the Security Agreements.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and pursuant to its obligations under the Security Agreements, Secured Party hereby agrees as follows:

AGREEMENT

1. Release of Security Interests. The Secured Party hereby releases, discharges and relinquishes, without recourse representation or warranty of any kind to the Debtor, its successors and assigns, all security interests, charges and encumbrances granted by Debtor in favor of Secured Party pursuant to the Security Agreements, including, but not limited to, those relating to the Patents, Trademarks and Licenses.

2. Further Cooperation. The Secured Party shall, upon reasonable request of the Debtor, execute and deliver to the Debtor, or register, or arrange to have registered by its agent, all such other and further terminations and releases under the Uniform Commercial Code or the laws of the United States related to patents, registrations or discharges of security interests in respect of intellectual property or other instruments as are required in order to release and relinquish all liens pursuant to the Security Agreement. The Debtor agrees to pay for the preparation, execution, delivery, filing and recording of this Agreement in the appropriate jurisdictions and of all such other terminations, releases, agreements, discharges, other instruments and collateral.

IN WITNESS WHEREOF, the parties have executed this Release of Security Interests as of the date set forth above.
