TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is executed and delivered as of July 23, 2008, by Brulant, Inc., an Ohio corporation ("Seller") in favor of Brulant, LLC (f/k/a Brulant Acquisition Sub, LLC), a Delaware limited liability company ("Buyer"). All capitalized terms used in this Assignment and not defined herein shall have the respective meanings ascribed to such terms in the Asset Contribution and Purchase Agreement, dated as of July 2, 2008, by and among the Buyer, Rosetta LLC, a Delaware limited liability company, Seller and the Shareholders named therein (the "Purchase Agreement").

WHEREAS, this Assignment is executed and delivered in connection with the Purchase Agreement, pursuant to the terms and conditions of which Seller agreed to contribute, convey, transfer, assign and deliver to Buyer, and Buyer agreed to purchase and accept, all of Seller's right, title and interest in, to and under each trademark that is a Transferred Asset (the "Transferred Trademarks") (including, without limitation, those trademarks set forth on Annex 1 attached hereto).

NOW, THEREFORE, in consideration of the premises and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, Seller and Buyer hereby agree as follows:

1. Assignment. Seller hereby contributes, conveys, transfers, assigns and delivers to Buyer, and its successors and assigns, all of its right, title and interest in, to and under the Transferred Trademarks, including without limitation the right to sue for past infringements and otherwise enforce, and the right to all royalties and all other proceeds, in connection with the Transferred Trademarks.

2. Further Assurances. Seller hereby covenants and agrees that it will, at the request of Buyer and without further consideration, execute and deliver, and will cause its Affiliates, agents, directors, officers and employees to execute and deliver, such other instruments of contribution, assignment, conveyance, transfer, and delivery, and take such other action, as may reasonably be necessary to more effectively contribute, convey, transfer, assign and deliver to Buyer, and its successors and assigns, all of Seller's right, title and interest in, to and under the Transferred Trademarks, to assist Buyer in exercising all rights with respect thereto and to carry out the purpose and intent of this Assignment.

3. No Modification of Representations, Warranties, Rights, Remedies, or Obligations. Seller, by its execution of this Assignment, and Buyer, by its acceptance of this Assignment, hereby acknowledge and agree that neither the representations and warranties nor the rights, remedies or obligations of any party under the Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by this instrument.

4. Choice of Law. This Assignment shall be governed by and construed in accordance with the laws of the State of New York without regard to the conflict of law provisions thereof.

5. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall for all purposes be deemed an original and all of which shall constitute one and the same instrument. Any signature page delivered by a facsimile machine shall be binding to the same extent as an original signature page with regard to any agreement subject to the terms hereof or any amendment thereto. A party that delivers a signature page in this manner agrees to later deliver an original counterpart to the other party.
