FIRST LIEN TRADEMARK SECURITY AGREEMENT

This FIRST LIEN TRADEMARK SECURITY AGREEMENT, dated as of October 2, 2006 (this "Agreement"), is made by PROFESSIONAL DRIVERS OF GEORGIA, INC., a Georgia corporation (the "Grantor"), in favor of CANADIAN IMPERIAL BANK OF COMMERCE, NEW YORK AGENCY, as the administrative agent (together with its successor(s) thereto in such capacity, the "Administrative Agent") for each of the Secured Parties.

WITNESSETH:

WHEREAS, pursuant to a First Lien Credit Agreement, dated as of October 2, 2006 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Credit Agreement"), among the Borrower, the Lenders and the Administrative Agent, the Lenders and the Issuer have extended Commitments to make Credit Extensions to the Borrower;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered a First Lien Pledge and Security Agreement, dated as of October 2, 2006 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Credit Agreement and pursuant to clause (b) of Section 4.5 of the Security Agreement, the Grantor is required to execute and deliver this Agreement and to grant to the Administrative Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor agrees, for the benefit of each Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby grants to the Administrative Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in all of the Grantor's right, title and interest throughout the world, whether now or hereafter existing or acquired by the Grantor, in and to the following (the "Trademark Collateral");

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office and corresponding offices in other countries of the world or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as "Trademarks"), including those Trademarks referred to in Item A of Schedule I;

(b) all Trademark licenses and other agreements for the grant by or to such Grantor of any right to use any Trademark (each a "Trademark License"), including each Trademark License referred to in Item B of Schedule I;

(c) all of the goodwill of the business connected with the use of, and symbolized by the Trademarks described in clause (a) and, to the extent applicable, clause (b);

(d) the right to sue third parties for past, present and future infringements or dilution of the Trademarks described in clause (a) and, to the extent applicable, clause (b) or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark License; and

(e) all proceeds of, and rights associated with, the foregoing (including Proceeds, licenses, royalties, income, payments, claims, damages and proceeds of infringement suits).

Notwithstanding the foregoing, Trademark Collateral shall not include those items set forth in clauses (i) through (v) of Section 2.1 of the Security Agreement.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens; Termination of Agreement. Upon (a) the Disposition of Trademark Collateral in accordance with the Credit Agreement or (b) the occurrence of the Termination Date, the security interests granted herein shall automatically terminate with respect to (i) such Trademark Collateral (in the case of clause (a)) or (ii) all Trademark Collateral (in the case of clause (b)), without delivery of any instrument or performance of any act by any party.

Upon the occurrence of the Termination Date, this Agreement and all obligations of each Grantor hereunder shall automatically terminate without delivery of any instrument or performance of any act by any party. A Grantor shall automatically be released from its obligations hereunder upon the consummation of any transaction permitted by the Credit Agreement as a result of which such Grantor ceases to be a Subsidiary of any of Holdings and any of its Subsidiaries. Upon any such Disposition or termination, the Administrative Agent will, at the Grantor's sole expense, release without any representations, warranties or recourse of any kind whatsoever, all Trademark Collateral held by the Administrative Agent hereunder, and execute and deliver to the Grantor such Documents as the Grantor shall reasonably request to evidence such termination subject to, in the case of any such termination, the terms of the Intercreditor Agreement, including any requirement to deliver such Collateral to the lenders under the Second Lien Credit Agreement (or any agent on their behalf) in accordance with the Intercreditor Agreement.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Article X thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile or via other electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 8. Governing Law, Entire Agreement, etc. THIS AGREEMENT SHALL BE DEEMED TO BE A CONTRACT MADE UNDER AND GOVERNED BY THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING FOR SUCH PURPOSE SECTIONS 5 1401 AND 5 1402 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK). This Agreement and the other Loan Documents constitute the entire understanding among the parties hereto with respect to the subject matter hereof and thereof and supersede any prior agreements, written or oral, with respect thereto.

¹ (a) Professional Drivers of Georgia, Inc. owns a federal registration on the Principal Register for ProDrivers® Reg. No. 2,062,248. The Company is aware that there are third parties that have adopted and may be using corporate names or services marks which incorporate “ProDrivers.” As ProDrivers opens in new territories, it has encountered at least one company who has priority for that mark in their local geography and for that reason, in the Elmhurst, Illinois market (Chicago area) and Wisconsin, we are utilizing the name Professional Drivers, Inc. We anticipate this issue and the same resolution to arise in connection with our expansion into Michigan. Additionally, Professional Drivers’ use of the PRODRIVERS® mark has been the subject of two separate litigation cases arising from such use in Atlanta, Georgia and Houston, Texas, as summarized below.

- Pro-Driver Services, Inc. v. Staffing Resources, Inc.; Civil Action No. 98-A-1510-6; in the Superior Court of Gwinnett County, State of Georgia. On March 9, 1998, Pro Driver Services, Inc. (“PDS”) filed suit against Staffing Resources, Inc., predecessor to Career Blazers Inc., predecessor to Immediant Corporation, for service mark infringement, deceptive trade practices, injury to business reputation and goodwill, and dilution, requesting damages, attorney’s fees and costs, and an injunction. The parties reached a settlement, and PDS assigned any and all rights it had in its claimed “Pro-Drivers”, “Pro-Driver Services” and “Pro Driver Services” service marks to the Company.
- Houston Pro Driver Leasing Company, Inc. v. Immediant Corporation f/k/a Career Blazers Inc. f/k/a Staffing Resources, Inc. and Professional Drivers, Inc.; Cause no. H-99-0579, in the United States district court, southern district of Texas, Houston Division. On February 24, 1999, Houston Pro Driver Leasing Company, Inc. (“HPDL”) filed suit against Staffing Resources of Texas, Inc. (“SRTI”). Plaintiff HPDL later amended its complaint dismissing SRTI and including Immediant corporation f/k/a Career Blazers Inc. f/k/a Staffing Resources, Inc. (collectively “Staffing Resources”) and Professional Drivers, Inc. as co-defendants. The parties reached a settlement on April 24, 2000 and the lawsuit was dismissed on May 11, 2000. Under a bill of sale and an assignment executed after the settlement, Plaintiff HPDL transferred all rights in its claimed “Pro Driver” mark and its rights to the www.prodriver2.com domain-name registration to Professional Drivers, Inc. HPDL further agreed to change its corporate and trade name.

(b) The Company has encountered issues where other staffing companies have used the name or a derivative of the name ProDrivers in areas where this brand currently operates or has recently expanded to operate. The Company holds the federal trademark. The Company analyzes whether it has the first usage in that geography; and further evaluates whether the name is used in a service likely to cause confusion with the services provided by ProDrivers before it pursues enforcement of the right to use the mark. If the Company believes it has priority rights, it will send a cease and desist letter and attempt to resolve the confusion by having the other company utilize a different name. In some instances with the recent territorial expansion of ProDrivers the Company has encountered local companies with first use in that geography and rather than litigate the right to use the name, the Company agrees to use a different name in that geography. For example, as ProDrivers opens in Illinois and Wisconsin operating under the name Professional Drivers, Inc.
