Trademark Security Agreement

Trademark Security Agreement, dated as of November 20, 2008, by CLICKSAFETY.COM, INC. ("Grantor"), in favor of GENERAL ELECTRIC CAPITAL CORPORATION, in its capacity as agent pursuant to the Credit Agreement (in such capacity, the "Agent").

W I T N E S S E T H:

Whereas, the Grantor has joined as a party to the Master Reaffirmation to Collateral Documents Agreement, dated as of June 27, 2008 among JBP MIDCO, LLC (the "Borrower"), the other persons designated as Credit Parties and the GENERAL ELECTRIC CAPITAL CORPORATION, as Agent for the Secured Parties referred to therein (the "Agent") (the "Reaffirmation Agreement") whereby the Credit Parties ratified and reaffirmed their obligations under the Guaranty and Security Agreement, dated as of May 21, 2008, made by the Borrower, the Guarantors party thereto and Agent, (jointly with the Reaffirmation Agreement, the "Security Agreement") in favor of the Agent pursuant to which the Grantor is required to execute and deliver this Trademark Security Agreement;

Now, Therefore, in consideration of the premises and to induce the Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Grantor hereby pledges and grants to the Agent for the benefit of the Secured Parties a lien on and security interest in and to all of its right, title and interest in, to and under all the following Pledged Collateral of Grantor:

- (a) Trademarks of Grantor listed on Schedule I attached hereto;
- (b) all Goodwill associated with such Trademarks; and
- (c) all Proceeds of any and all of the foregoing (other than Excluded Property).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, the Agent shall execute, acknowledge, and deliver to the Grantor an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[Signature page follows]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,

CLICKSAFETY.COM, INC.
