**SCHEDULE "A" ATTACHED TO AND FORMING PART OF THE ARTICLES OF
AMALGAMATION OF SEALWELD CORPORATION**

The classes and any maximum number of shares that the Corporation is authorized to issue:

Unlimited number of Class "A" Common Shares
Unlimited number of Class "B" Common Shares
Unlimited number of Class "C" Shares
Unlimited number of Class "D" Preference Shares
All without nominal or par value

The rights, preferences, privileges, restrictions and limitations attached to the said shares are:

1. CLASS "A" COMMON SHARES

The holders of Class "A" Common Shares shall be entitled to receive notice of and attend and vote at all meetings of the shareholders of the Corporation, either in person or by proxy, and shall have one vote for each share held.

2. CLASS "B" COMMON SHARES

The holders of Class "B" Common Shares shall not be entitled to attend or vote in person or by proxy at any meeting of the shareholders of the Corporation or have any notice of such meetings, but in other respects shall be equal to Class "A" Common Shares.

3. CLASS "C" PREFERRED SHARES

(a) The Class "C" Preferred Shares shall in each year, as and if declared by the Board of Directors, and always in preference and priority to any payment of dividends on the Class "A" or Class "B" Common shares for any such year, be entitled, out of any or all profits or surplus lawfully available for dividends, to non-cumulative dividends at the rate of EIGHT (8%) per cent per annum of the Stated Capital Account established with respect to the Class "C" Preferred shares. If in any year after providing for the full dividend on the Class "C" Preferred shares there shall remain any profits or surplus lawfully available for dividends, such profits or surplus or any part thereof may, in the discretion of the Directors, be applied to dividends on the Class "A" Common shares and/or the Class "B" Common shares. The Class "C" Preferred shares shall not be entitled to any dividend other than or in excess of the non-cumulative dividends at the rate of EIGHT (8%) per cent per annum hereinbefore provided for, and if within four (4) months after the expiration of any

- 2 -

fiscal year of the Corporation, the Board of Directors in its discretion shall not have declared the said fixed preferential dividend or any part thereof on the Class "C" Preferred shares for such fiscal year, then the rights of the holders of the Class "C" Preferred shares to such dividend or to any undeclared part thereof for such fiscal year shall be forever extinguished.

- (b) The holders of the Class "C" Preferred shares shall not as such have any voting rights for the election of Directors or for any other purpose, nor shall they be entitled to receive any notice of or attend shareholders' meetings.
- (c) The Corporation may at any time and from time to time redeem the whole or any portion of the Class "C" Preferred shares by compulsory redemption at such price as may be agreed upon, or at a price per share equal to the stated capital account established with respect to such shares if no agreement has been made together with the amount of all dividends declared thereon and unpaid. In case a part only of the then outstanding Class "C" Preferred shares is at any time to be redeemed, the shares so to be redeemed shall be selected by lot in such manner as the Directors in their discretion shall decide or, if the Directors by resolution so determine, may be redeemed pro rata, disregarding fractions.
- (d) In any case of redemption of Class "C" Preferred shares under the provisions of the last preceding paragraph hereof, the Corporation shall, at least thirty (30) days before the date specified for redemption, mail to each person who at the date of mailing is a registered holder of Class "C" Preferred shares to be redeemed a notice in writing of the intention of the Corporation to redeem such Class "C" Preferred shares. Such notice shall be mailed in a prepaid letter addressed to each such shareholder at his address as it appears on the books of the Corporation or, in the event of the address of any such shareholder not so appearing, then to the last known address of such shareholder, provided, however, that accidental failure to give any such notice to one or more of such shareholders shall not affect the validity of such redemption as to the other holders. Such notice shall set out the redemption price and the date on which redemption is to take place and if part only of the shares held by the person to whom it is addressed is to be redeemed the number thereof to be redeemed. On or after the date so specified for redemption the Corporation shall pay or cause to be paid to or to the order of the registered holders of the Class "C" Preferred shares to be redeemed the redemption price thereof on presentation and surrender at the head office of the Corporation, or any other place designated in such notice, of the certificate for the Class "C" Preferred shares called for redemption. Such Class "C" Preferred shares shall thereon be and be deemed to be redeemed and shall be cancelled. If a part only of the shares represented by any certificate is to be redeemed, a new certificate for the balance shall be issued at the expense of the Corporation. From and after the date specified in any such notice, the Class "C" Preferred shares called for redemption shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of shareholders in respect thereof

- 3 -

unless payment of the redemption price shall not be made upon presentation of certificates in accordance with the foregoing provisions, in which case the rights of the holders shall remain unaffected. The Corporation shall have the right at any time after the mailing of notice of its intention to redeem any Class "C" Preferred shares as aforesaid to deposit the redemption price of the shares so called for redemption, or of such of the said shares represented by certificates which have not at the date of such deposit been surrendered by the holders thereof in connection with such redemption, to a special account in any chartered bank or trust company in Canada named in such notice to be paid without interest to or to the order of the respective holders of such Class "C" Preferred shares called for redemption upon presentation and surrender to such bank or trust company of the certificates representing the same and upon such deposit being made or upon the date specified for redemption in such notice, whichever is the latter, the Class "C" Preferred shares in respect whereof such deposit shall have been made shall be deemed to be redeemed and shall be cancelled and the rights of the holders thereof after such deposit or such redemption date, as the case may be, shall be limited to receiving without interest their proportionate part of the total redemption price so deposited against presentation and surrender of the said certificates held by them respectively.

(e) Subject to the provisions of the Business Corporations Act, a holder of Class "C" Preferred shares shall be entitled to require the Corporation to redeem at any time or times all or any of the Class "C" Preferred shares registered in the name of such holder on the books of the Corporation by tendering to the Corporation at its head office a share certificate representing the Class "C" Preferred shares which the registered holder desires to have the Corporation redeem together with a request in writing specifying:

- (i) that the registered holder desires to have the Class "C" Preferred shares represented by such certificate redeemed by the Corporation; and
- (ii) the business day (in this paragraph referred to as the "redemption date") on which the holder desires to have the Corporation redeem such Class "C" Preferred shares.

Requests in writing shall specify a redemption date which shall not be less than thirty (30) days after the date on which the request in writing is given to the Corporation. Upon receipt of a share certificate representing the Class "C" Preferred shares which the registered holder desires to have the Corporation redeem, together with such a request, the Corporation shall on the redemption date redeem such Class "C" Preferred shares by paying to such registered holder an amount equal to the amount which would be required to be paid by the Corporation upon a compulsory redemption of the said shares. Such payment shall be made by cheque payable at par at any branch of the Corporations' bankers for the time being in Canada. The said Class "C" Preferred shares shall be redeemed on the redemption date and from and

- 4 -

after the redemption date such shares shall cease to be entitled to dividends and the holders thereof shall not be entitled to exercise any of the rights of holders of such shares in respect thereof unless payment of the redemption price is not made on the redemption date, in which event the rights of the holders of the said shares shall remain unaffected.

4. Each class of shares shall bear such dividends as the Directors of the Corporation shall, from time to time, determine, and no class of shares shall rank pari passu with any other class of shares in respect of dividends.

5. In the event of liquidation, dissolution, bankruptcy or winding up of the Corporation, either voluntary or involuntary, or other distribution of its assets amongst its shareholders for the purpose of winding up its affairs, the Class "C" Preferred shares shall, in preference and priority to any payment on the Class "A" or Class "B" shares, be entitled, out of the assets of the Corporation available for distribution to the shareholders, to the payment in full of the amount required to be paid to redeem the Class "C" Preferred shares, together with the amount of all dividends declared thereon and unpaid, but shall not be entitled to any further dividends declared thereon and unpaid, but shall not be entitled to any further participation in such assets. In order to effect an eventual equality of distribution with regard to the Class "A" or Class "B" shares, there shall firstly be a distribution in favour of the Class "B" shares totalling that received in respect to the Class "A" shares for all preceding fiscal periods in excess of that received with respect to the Class "B" shares for all preceding fiscal periods, after which the holders of both Class "A" shares and Class "B" shares shall be entitled to share equally share for share in all distributions of the remaining assets of the Corporation.

6. The capital of the Corporation may be increased, divided, converted, consolidated and dealt with from time to time and any shares of the original capital when dealt with in accordance with the law then prevailing, or new capital, may be issued having attached thereto any preferred, special, qualified or deferred rights, privileges, conditions, or restrictions including any preference or priority in the payment of dividends or the distributions of assets, voting or otherwise, over any other shares, whether issued or not, and the regulations of the Corporation may be varied as far as necessary to give effect thereto.
