## SECURED LENDER SALE AGREEMENT

This SECURED LENDER SALE AGREEMENT ("Agreement") is made as of the 1st day December, 2008, by and between LENDINGTREE, LLC ("Buyer") and CIT LENDING SERVICES CORPORATION ("Lender"). NEW HOMES REALTY, INC. ("Debtor") consents to this Agreement and the transactions contemplated by this Agreement and provides certain agreements, representations and warranties in Sections 1, 8 and 11 of this Agreement.

### WITNESSETH

WHEREAS, Lender made certain loans (the "Loans") to the Debtor, and as collateral for the Loans, Debtor granted Lender a security interest in its personal property assets;

WHEREAS, Debtor is currently in default on its obligations to Lender; and

WHEREAS, Lender wishes to sell to Buyer, and Buyer wishes to purchase from Lender, certain of the assets of Debtor pursuant to a sale under Article 9-610 of the Uniform Commercial Code (the "Article 9 Sale") and in accordance with the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements set forth herein, and intending to be legally bound hereby, the parties hereto hereby agree as follows:

**1. Agreement to Purchase.** Subject to the terms and conditions hereinafter set forth, Lender agrees to sell to Buyer, and Buyer agrees to purchase from Lender, Debtor's rights in the assets of Debtor listed on Exhibit "A" (collectively, the "Assets") to the extent that such Assets are subject to the provisions of the Uniform Commercial Code.

If it is determined that Lender does not have the ability to sell Debtor's rights in a particular Asset, because such Asset is not an asset that can be subject to the security interest under the Uniform Commercial Code or otherwise, then Debtor, by consenting to this Agreement, agrees to sell such Asset to Buyer for no additional consideration and the Lender shall have no liability as a result thereof.

Neither the Lender nor the Buyer is assuming or becoming responsible for any of the Debtor's liabilities or obligations. All such liabilities and obligations of Debtor, whether realized or unrealized, accrued or contingent, direct or indirect, and whether arising prior to the Closing or arising at any time from the conduct of Debtor's business or the ownership or operation of its properties prior to the Closing, or arising in connection with the Closing, including any liabilities or other obligations to the employees of Debtor, are not being assumed by the Lender or Buyer and neither the Lender nor the Buyer shall have any obligations with respect thereto

**2. Purchase Price/Audit Rights/Preservation of Assets.**

(a) The purchase price shall be paid by Buyer to Lender [REDACTED]

[REDACTED]

Profit generated by the Assets and earned by the Buyer in each of the following six three-month periods (the "Earnout Payments"). Earnout Payments will be made on or before the thirtieth (30<sup>th</sup>) day after the last day of each applicable three-month period, accompanied by a calculation worksheet, in the form of Exhibit "B", which verifies the amounts and calculations of the Adjusted Gross Profit and Earnout Payments generated in the applicable three-month period. The period of time during which the Earnout Payments are to be paid shall be referred to as the "Earnout Period". Payments made to the Lender hereunder shall be made by wire transfer as follows:

JP Morgan Chase & Company, New York, NY  
ABA #: 021 000 021  
Account #: 304 252 611  
Account Name: CIT Lending Services Corporation  
Reference: New Homes Realty

(b) [REDACTED]

(c) The Lender or its designee shall have the right to quarterly, at its sole cost, access the books and records of the Buyer for purposes of verifying the amounts and calculations of the Adjusted Gross Profit and Earnout Payments.

(d) [REDACTED] otherwise agreed to by the Lender in writing, Buyer will use its reasonable best efforts to maintain and keep operational the Assets in substantially the same form and condition as existing immediately prior to Closing, and in particular, Buyer shall use its reasonable best efforts to maintain and keep operational the Debtor's URLs including but not limited to [www.newhomesrealestate.net](http://www.newhomesrealestate.net) and [www.newhomes.com](http://www.newhomes.com). The Buyer shall use its reasonable best efforts to maintain and update the URLs with current content, substantially similar in nature to the content contained on the Debtor's websites prior to Closing, including but not limited to, the builder feeds and content, refreshed new home inventory, IDX feeds, and other real estate and geographic content necessary to attract and interest potential home buyers. The Buyer shall use its best efforts to maintain the Debtor's websites utilizing search engine optimization best practices. Notwithstanding the forgoing, the Buyer may make changes to the Assets (including but not limited to the URLs, the search engine optimization spiders, and the builder feeds and content) if the Buyer reasonably and in good faith determines that such changes will result in increased Adjusted Gross Profit.

**3. Closing.** The Closing means the transfer of the Assets [REDACTED] to be paid to Lender pursuant to Section 2. The Closing shall be deemed to occur upon the satisfactory completion of the conditions set forth in Section 4 and Section 5 (the "Closing Date"). Subject to the satisfaction of all conditions set forth in Sections 4 and 5 below, the Closing Date shall occur on or before December 1, 2008. If the Closing does not occur on or before December 1, 2008 (or such other date agreed to by the parties in writing), this Agreement shall become null and void.

**4. Buyer's Conditions to Closing.** The obligations of Buyer under this Agreement are subject to the fulfillment prior to or at the Closing of the following conditions:

- (a) execution and delivery by Lender and the Debtor of this Agreement;
- (b) execution and delivery by Lender of the Bill of Sale for the Assets, in the form of Exhibit "C";
- (c) no action, suit or proceeding will be pending or threatened by any third party or governmental or regulatory agency to restrain, prohibit or otherwise challenge the legality or validity of these transactions, and Lender shall have performed all agreements hereunder;
- (d) all of the representations and warranties of Lender and Debtor contained in this Agreement shall be true and accurate in all material respects.
- (e) leases of a material number of offices previously utilized by Debtor and determined by Buyer to be reasonably necessary to continue the business shall have been assigned or otherwise transferred to Buyer;
- (f) Buyer shall have obtained all necessary and material consents and approvals for assignment of those contracts, agreements, or other rights that Buyer reasonably has determined are necessary to continue the business;
- (g) a material number of individuals identified by Buyer who, immediately prior to the Closing, were acting as licensed real estate brokers for Debtor shall have agreed to serve as brokers for Buyer, and all necessary and material filings shall have been made with the applicable state regulatory agencies to designate such individuals as brokers for the Buyer; and
- (h) Buyer has not determined, in its reasonable discretion, that a material number of individuals previously designated as real estate agents for the Debtor have declined to serve as agents for Buyer following Closing.

**5. Lender's Conditions to Closing.** The obligations of Lender under this Agreement are subject to the fulfillment prior to or at the Closing of the following conditions:

- (a) execution and delivery by Buyer and Debtor of this Agreement;

(b) execution and delivery by Buyer of a Bill of Sale for the Assets, in the form of Exhibit C;

(c) no action, suit or proceeding will be pending or threatened by any third party or governmental or regulatory agency to restrain, prohibit or otherwise challenge the legality or validity of these transactions; and

(d) all of the representations and warranties of Buyer and Debtor contained in this Agreement shall be true and accurate in all material respects, and Buyer shall have performed all agreements required hereunder.

## **6. Lender's Representations, Warranties and Covenants.**

Because Lender is selling the Assets pursuant to an Article 9 Sale, the Assets are being transferred to Buyer on an “as is, where is” basis without recourse and without any representation or warranty of any kind, including any warranty of merchantability or the like, except as to the specific representations contained in this Section 6. Lender represents, warrants and covenants that as of the date hereof:

(a) Lender has full legal power and authority to enter into this Agreement.

(b) This Agreement and each of the documents executed in connection herewith (i) is a legally binding obligation of Lender, enforceable in accordance with its terms, (ii) has been duly and validly authorized by all necessary action of Lender, (iii) does not and will not result in a breach or default under Lender's formation or operating documents or under any agreement to which Lender is a party, and (iv) to the best of Lender's actual knowledge, does not violate any rule or regulation of any agency or governmental body.

(c) Lender has a valid, perfected and enforceable security interest in those Assets which are subject to the provisions of the Uniform Commercial Code evidenced by, *inter alia*, a properly filed UCC-1 financing statement(s) as required under the Uniform Commercial Code.

(d) Debtor has defaulted under the Loans, thereby entitling Lender to exercise its rights and remedies with respect to such Assets under the Uniform Commercial Code.

(e) The Lender has used its best efforts to comply in all material respects with the provisions of the Uniform Commercial Code and the Loan Documents in connection with the sale of the Assets to the Buyer

## **7. Buyer's Representations, Warranties and Covenants.**

(a) Buyer understands that the Assets are being transferred to Buyer on an “as is, where is” basis without recourse and without any representation or warranty of any kind, including any warranty of merchantability or the like, except as to the specific representations contained in Section 6.

(b) Buyer understands that Lender is not in the business of selling the Assets, is neither a manufacturer, distributor, nor dealer of the Assets, and has come into the right of possession of, and the right to sell, the Assets solely as a secured creditor, and that Lender makes no representation as to the Assets' condition and quality.

(c) Buyer has full legal power and authority to enter into this Agreement.

(d) This Agreement and each of the documents executed in connection herewith (i) is a legally binding obligation of Buyer, enforceable in accordance with its terms, (ii) has been duly and validly authorized by all necessary action of Buyer, (iii) does not and will not result in a breach or default under Buyer's formation or operating documents or under any agreement to which Buyer is a party, and (iv) to the best of Buyer's actual knowledge, does not violate any rule or regulation of any agency or governmental body.

## **8. Debtor's Representations, Warranties and Covenants.**

Debtor represents, warrants and covenants that as of the date hereof:

(a) (i) Except for Lender's interests in the Assets as a secured lender, as of November 5, 2008, the Debtor owned all of the Assets free and clear of any right, title and interest of any third party, and (ii) from November 5, 2008 through the Closing Date, Debtor has not transferred, sold, pledged, secured other otherwise hypothecated the Assets to any third party, and the Debtor covenants and agrees not to enter into any agreement that purports to transfer, sell or pledge the Assets; and (iii) other than Lender's interest in the Assets, Debtor is not aware of any attempt by any third party to claim any right, title, or interest in the Assets.

(b) Debtor acknowledges that it has defaulted under the Loans, thereby entitling Lender to exercise its rights and remedies with respect to the Assets under the Uniform Commercial Code.

## **9. Expenses.**

Each of the parties to this Agreement shall pay its own respective expenses incurred by them in connection with this Agreement and the transactions contemplated herein.

This Agreement is an integrated document, contains the entire agreement between the parties, wholly cancels, terminates and supersedes any and all previous and/or contemporaneous oral agreements, negotiations, commitments and writings between the parties hereto with respect to such subject matter. From time to time following the Closing Date, either party will at the request of the other party and without further consideration, execute and deliver to the requesting party such other instruments of conveyance and transfer as the requesting party may reasonably request in order to consummate the transactions intended to be consummated hereby, so long as such requested action does not cause the requested party to expend significant costs or fees or incur any liability. Subject to the foregoing, Lender and Buyer agree to use commercially reasonable best efforts to take all actions set forth herein in order to consummate the transactions contemplated hereby.

**18. Counterparts.**

This Agreement may be executed in one or more counterparts, each of which will be considered an original instrument and all of which together will be considered one and the same agreement, and will become effective when counterparts, which together contain the signatures of each party hereto, will have been delivered to Buyer and Lender. **19. Third-Party Beneficiaries.**

This Agreement will not confer any rights or remedies upon any person other than the parties to this Agreement and their respective successors and permitted assigns.

**20. Waiver of Jury Trial.**

**THE PARTIES KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVE ANY AND ALL RIGHT TO A TRIAL BY JURY IN ANY LITIGATION RELATING TO THIS AGREEMENT.**
