**TRADEMARK ASSIGNMENT AGREEMENT
BETWEEN DB4OBJECTS, INC. AND VERSANT CORPORATION**

This Trademark Assignment Agreement (this “**Agreement**”) is made and entered into effective this 1st day of December, 2008 (the “**Effective Date**”), by and between Servo Software, Inc. (formerly known as db4objects, Inc.), a Delaware corporation with a principal place of business at 1900 South Norfolk Street, Suite 350, San Mateo, California 94403 USA (“**Assignor**”), and Versant Corporation, a California corporation with a principal place of business at 255 Shoreline Drive, Suite 450, Redwood City, California 94065 USA (“**Assignee**”). Assignor and Assignee may collectively be referred to herein as the “**Parties**.”

RECITALS

A. Assignor owns the entire right, title and interest in and to certain trademarks, trade names and trademark registrations and applications, including but not limited to those listed in Schedule A (“**Trademarks List**”) attached hereto and incorporated herein (collectively, the “**Trademarks**”).

B. The Parties mutually desire that Assignee acquire Assignor’s entire right, title and interest in and to the Trademarks.

NOW THEREFORE, in consideration of the sum of One Dollar (\$1.00), and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows.

AGREEMENT

1. Assignor, on behalf of itself and its predecessors and successors in interest, hereby sells, assigns and transfers to Assignee and Assignee’s successors, assigns and legal representatives, and Assignee hereby accepts: (a) all of Assignor’s right, title and interest, including but not limited to, common law rights, rights to existing causes of action and the right to past damages associated therewith, that Assignor has in or to the Trademarks; and (b) that part of the goodwill of Assignor’s business connected with and symbolized by the Trademarks.

2. Assignor hereby acknowledges that it retains no right to use the Trademarks and agrees not to challenge, or to assist others to challenge, the validity, or Assignee’s ownership, of the Trademarks. Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into by Assignor that would conflict with this Agreement.

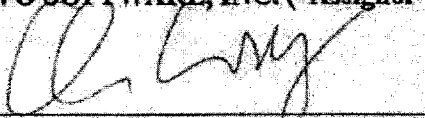

3. Assignor hereby covenants that, upon the request of Assignee, Assignor will promptly provide Assignee with all pertinent facts and documents relating to the Trademarks as may be known and reasonably accessible to Assignor and will testify as to the same in any opposition, litigation or any proceeding related thereto. Assignor will promptly execute and deliver to Assignee or its legal representatives any and all documents, instruments or affidavits required to apply for, obtain, maintain, register and enforce the Trademarks, which Assignee in each case may reasonably in good faith deem necessary or desirable to carry out the purpose thereof.

4. Assignor will take all reasonably necessary steps to give effect to, and further the purposes of, this Agreement, including but not limited to, signing such documents as may be necessary from time to time for the purpose of recording the transfer and assignment of the Trademarks with trademark registries throughout the world.

IN WITNESS WHEREOF, the undersigned have caused their duly authorized representatives to execute this Agreement effective as of the Effective Date and in the capacity shown below.

SERVO SOFTWARE, INC. ("Assignor")

VERSANT CORPORATION ("Assignee")
