The undersigned represents that, to the best of the undersigned's knowledge and belief, title to the Properties may be conveyed by the Assignor by way of its rights under certain security interests. The undersigned is empowered to sign this Assignment on behalf of the Assignor.

WHEREAS, INTEGRIAN ACQUISITION CORP., INC., a company of 2555 Federal Road, Benson, North Carolina, United States of America (hereinafter called "Assignee"), is desirous of acquiring the entire right, title and interest for the United States, its territories, dependencies and possessions, in and to said Properties (and/or patents and trademark registrations that may be granted therefrom), and any confirmations, divisions, continuations, reexaminations, reissues or extensions of the same;

Now, To All Whom It May Concern: Be it known that for and in consideration of the sum of One Dollar (\$1.00), to Assignor in hand paid by Assignee, and for other good and valuable consideration moving from Assignee to Assignor, the receipt of all of which is hereby acknowledged, Assignor has, by secured party sale, sold, assigned, transferred and set over, and does hereby irrevocably sell, assign, transfer and set over, unto Assignee, its successors and assigns, its entire right, title and interest for the United States, its territories, dependencies and possessions and all jurisdictions outside the United States, in, to and under said Properties (and/or patents and trademark registrations that may be granted therefrom), and the inventions described therein, including all applications to which the same directly or indirectly claim priority, all rights to publish cautionary notices reserving ownership of said Properties, all rights to register said Properties in appropriate registries, all rights to apply for renewal of any registrations of said Properties, all rights to any confirmations, divisions, continuations, reexaminations, reissues, renewals, extensions, continuations, continuations in part and requests for continuing examination thereof, and all causes of action (whether known or unknown or whether currently pending, filed or otherwise) and other enforcement rights under, or on account of, the Properties, including rights to damages and profits, due or accrued, relating to any of the foregoing, including the right to sue and recover for, and the right to profits and damages, due or accrued, arising out of or in connection with, any and all past, present or future infringements or dilutions; the same to be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment and sale not been made.

Assignor hereby authorizes the respective office or governmental agency in each jurisdiction to issue any and all trademarks, patents, certificates of invention, utility models or other governmental grants or issuances that may be granted upon or result from any of the Properties in the name of Assignee, as the assignee to the entire interest therein.
