## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement"), dated as of October 31, 2008, is made by PELIKAN TECHNOLOGIES, INC., a Delaware corporation ("Grantor"), in favor of GENERAL ELECTRIC CAPITAL CORPORATION ("GE Capital"), as agent (in such capacity, together with its successors and permitted assigns, the "Agent") for the Lenders (as defined in the Loan Agreement referred to below).

### WITNESSETH:

WHEREAS, pursuant to that certain Loan and Security Agreement, dated as of December 26, 2007 (as the same may be amended, restated, replaced, supplemented or otherwise modified from time to time, the "Loan Agreement"), among Grantor, the other Loan Parties thereto, the Lenders from time to time party thereto (the "Lenders") and GE Capital, as agent for the Lenders, the Lenders have severally agreed to make extensions of credit to the Grantor upon the terms and subject to the conditions set forth therein; and

WHEREAS, pursuant to that certain Second Amendment to Loan and Security Agreement of even date herewith, and in consideration of the waivers and amendments provided to the Grantor thereunder, Grantor is required to execute and deliver this Intellectual Property Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders and the Agent to enter into the Second Amendment and to induce the Lenders to continue to make their respective extensions of credit to the Grantor under the Loan Agreement, Grantor hereby agrees with the Agent as follows:

Section 1. Defined Terms. Capitalized terms used herein without definition are used as defined in the Loan Agreement.

Section 2. Grant of Security Interest in Intellectual Property Collateral. Grantor, as collateral security for the prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations hereby mortgages, pledges and hypothecates to the Agent for the benefit of the Lenders, and grants to the Agent for the benefit of the Lenders a Lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of Grantor (the "Intellectual Property Collateral"):

(a) all of its copyrights, including, without limitation, those referred to on Schedule 1 hereto, together with all renewals, reversions and extensions of the foregoing;

(b) all of its patents, including, without limitation, those referred to on Schedule 1 hereto, together with all reissues, reexaminations, continuations, continuations-in-part, divisionals, renewals and extensions of the foregoing;

(c) all of its trademarks, including, without limitation, those referred to on Schedule 1 hereto, together with all renewals and extensions of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each such trademark; and

(e) all income, royalties, proceeds and liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Loan Agreement. The security interest granted pursuant to this Intellectual Property Security Agreement is granted in conjunction with, and in no way limiting, the security interest granted to the Agent pursuant to the Loan Agreement and each Grantor hereby acknowledges and agrees that the rights and remedies of the Agent with respect to the security interest in the Intellectual Property Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Grantor Remains Liable. Grantor hereby agrees that, anything herein to the contrary notwithstanding, Grantor shall retain full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Intellectual Property subject to a security interest hereunder.

Section 5. Counterparts. This Intellectual Property Security Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

Section 6. Governing Law. This Intellectual Property Security Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.

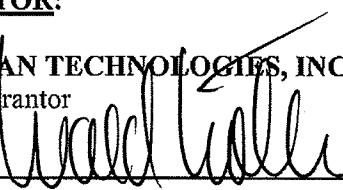

[Signature Pages Follow]

In witness whereof, Grantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
