Intellectual Property Pledge Agreement

INTELLECTUAL PROPERTY PLEDGE AGREEMENT, dated as of January 2, 2009, by Chrysler Holding LLC (the "Borrower") and each of the entities identified on Schedule A attached hereto (collectively, "Guarantors"), in favor of the United States Department of the Treasury (the "Secured Party").

RECITALS

The Borrower and the Guarantors are parties to the Loan and Security Agreement dated January 2, 2009 (the "Loan Agreement"), in favor of the Secured Party pursuant to which the Borrower and the Guarantors are required to execute and deliver this Intellectual Property Pledge Agreement;

Accordingly, for good and valuable consideration of the premises and to induce the Secured Party to enter into the Loan Agreement and to induce the Secured Party to make its extensions of credit to the Borrower under the Loan Agreement, Borrower and Guarantors hereby agree with the Secured Party as follows:

Section 1. Defined Terms

Unless otherwise defined herein, all capitalized terms used herein have the meaning given to them in the Loan Agreement.

Section 2. Grant of Security Interest in Collateral

As security for the prompt and complete payment when due of the Obligations and the performance by the Borrower of all the covenants and obligations to be performed by it pursuant to the Loan Agreement and the other Loan Documents, the Borrower, and each Guarantor, in order to secure its guaranty under the Guaranty, hereby assigns and pledges to the Secured Party and grants to the Secured Party a Lien on and security interest in all of its rights, title and interest in and to the following property of the Borrower or such Guarantor, as the case may be, whether now owned or existing or hereafter acquired or arising and regardless of where located (the "Collateral"):

- (a) All domestic and foreign letters patent, design patents, utility patents, industrial designs, and all intellectual property rights in inventions, trade secrets, ideas, concepts, methods, techniques, processes, proprietary information, technology, know-how, formulae, and other general intangibles of like nature, now existing or hereafter acquired or owned by any Loan Party (including, without limitation, all domestic and foreign letters patent, design patents, utility patents, industrial designs, inventions, trade secrets, ideas, concepts, methods, techniques, processes, proprietary information, technology, know-how and formulae described in Exhibit A hereto), all applications, registrations and recordings thereof (including, without limitation, applications, registrations and

recordings in the United States Patent and Trademark Office, or in any similar office or agency of the United States or any other country or any political subdivision thereof), and all reissues, divisions, continuations, continuations in part and extensions or renewals thereof;

(b) All domestic and foreign trademarks, service marks, collective marks, certification marks, trade dress, trade names, business names, d/b/a's, Internet domain names, trade styles, designs, logos and other source or business identifiers and all general intangibles of like nature, now or hereafter owned, adopted, or acquired by any Loan Party (including, without limitation, all domestic and foreign trademarks, service marks, collective marks, certification marks, trade dress, trade names, business names, d/b/a's, Internet domain names, trade styles, designs, logos and other source or business identifiers described in Exhibit B hereto), all applications, registrations and recordings thereof (including, without limitation, applications, registrations and recordings in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision thereof), and all reissues, extensions or renewals thereof, together with all goodwill of the business symbolized by such marks;

(c) All domestic and foreign copyrights, whether registered or unregistered, including, without limitation, all copyright rights throughout the universe (whether now or hereafter arising), in any and all media (whether now or hereafter developed), in and to all original works of authorship (including, without limitation, all marketing materials created by or on behalf of any Loan Party), acquired or owned by any Loan Party (including, without limitation, all copyrights described in Exhibit C hereto) all applications, registrations and recordings thereof (including, without limitation, applications, registrations and recordings in the United States Copyright Office or in any similar office or agency of the United States or any other country or any political subdivision thereof), and all reissues, renewals, restorations, extensions or revisions thereof;

(d) all Proceeds with respect to the foregoing clauses (a) through (c);
and

(e) to the extent not included in the foregoing, all proceeds, products, rents, revenues, issues, profits, royalties, income, benefits, accessions, additions, substitutions and replacements of and to any and all of the foregoing.

Notwithstanding the foregoing, in no event shall the Collateral include any Excluded Collateral.

Section 3. Pledge Agreement

(a) THE INTEREST IN THE COLLATERAL BEING ASSIGNED
HEREUNDER SHALL NOT BE CONSTRUED AS A CURRENT ASSIGNMENT

BUT, RATHER AS A SECURITY INTEREST THAT PROVIDES THE SECURED PARTY SUCH RIGHTS AS ARE PROVIDED TO HOLDERS OF SECURITY INTERESTS UNDER APPLICABLE LAW.

(b) The security interest granted pursuant to this Intellectual Property Pledge Agreement is granted in conjunction with the security interest granted to the Secured Party pursuant to the Loan Agreement and the Guaranty and Borrower and each of the Guarantors hereby acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Collateral made and granted hereby are more fully set forth in the Loan Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of the Loan Agreement and this Intellectual Property Pledge Agreement, the Loan Agreement shall govern.

Section 4. Authorization

To the extent applicable, the parties hereto authorize and request that the Commissioner of Patents and Trademarks of the United States record this security interest in the Collateral.

To the extent applicable, the parties hereto authorize and request that the Copyright Office of the United States record this security interest in the Collateral.

Section 5. Continuing Security Interest; Release And Discharge of Security Interest

(a) This Intellectual Property Pledge Agreement shall create a continuing security interest in the Collateral and shall (i) remain in full force and effect until the Obligations have matured and have been paid and satisfied in full, (ii) be binding upon and inure to the benefit of the Loan Parties, each of the Loan Parties' executors, administrators, successors and assigns, and (iii) inure to the benefit of and be binding upon the Secured Party and its successors, transferees and assigns. Upon the payment and satisfaction in full of the Obligations, each Loan Party shall be entitled to the return, upon its request and at its expense, of such of the Collateral as shall not have been sold or otherwise applied pursuant to the terms hereof.

(b) **Release of Security Interest Upon Satisfaction of all Obligations.** Upon termination of this Intellectual Property Pledge Agreement and repayment to the Secured Party of all Obligations and the performance of all obligations under the Loan Documents, the Secured Party shall release its security interest in any remaining Collateral; provided, that if any payment, or any part thereof, of any of the Obligations is rescinded or must otherwise be restored or returned by the Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or a trustee or similar officer for the Borrower or any substantial part of its Property, or otherwise, this Intellectual Property Pledge Agreement, all rights

hereunder and the Liens created hereby shall continue to be effective, or be reinstated, until such payments have been made.

(c) **Partial Release of Collateral.** Provided that no Default or Event of Default shall then exist, the Borrower or a Guarantor may, in connection with any Disposition of any Collateral permitted under the Loan Agreement, obtain the release from the Lien of the Loan Documents of the portion of the Collateral sold, upon the satisfaction of the conditions set forth in the Loan Agreement.

Section 6. Miscellaneous

(a) **Waiver; Amendment.** None of the terms and conditions of this Intellectual Property Pledge Agreement may be changed, waived, modified or varied in any manner whatsoever unless in writing duly signed by the Secured Party and the Loan Parties.

(b) **Notices.** Except as otherwise expressly provided herein, all notices and other communications hereunder shall be in writing (including telegraphic, telex, telecopier, facsimile or cable communication) and shall be mailed, telegraphed, telexed, telecopied, faxed, cabled or delivered to the parties hereto at the respective address set forth below and shall be effective when received:

- (i) if to a Loan Party, at its address set forth on Annex A hereto;
- (ii) if to the Secured Party, at the respective addresses set forth on Annex A hereto;

or at such other address as shall have been furnished in writing by any Person described above to the party required to give notice hereunder.

(c) **Miscellaneous.** The headings of the several sections and subsections in this Intellectual Property Pledge Agreement are for purposes of reference only and shall not limit or define the meaning hereof. This Intellectual Property Pledge Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which together shall constitute one instrument. In the event that any provision of this Intellectual Property Pledge Agreement shall prove to be invalid or unenforceable, such provision shall be deemed to be severable from the other provisions of this Agreement which shall remain binding on all parties hereto.

(d) **Intellectual Property Pledge Agreement Constitutes Security Agreement.** This Intellectual Property Pledge Agreement shall constitute a security agreement within the meaning of the Uniform Commercial Code.

(e) **GOVERNING LAW.** Insofar as there may be no applicable Federal law, this Loan Agreement shall be construed in accordance with the laws of the State of New York, without regard to any rule of conflicts of law (other than Section 5-

1401 of the New York General Obligations Law) that would result in the application of the substantive law of any jurisdiction other than the State of New York. Nothing in this Loan Agreement shall require any unlawful action or inaction by either party.

(f) **Hypothecation or Pledge of Collateral.** Nothing in this Intellectual Property Pledge Agreement shall preclude the Secured Party from engaging in repurchase transactions with the Collateral or otherwise pledging, repledging, transferring, hypothecating, or rehypothecating the Collateral (subject to the interest of the relevant Senior Lien Lender). Nothing contained in this Intellectual Property Pledge Agreement shall obligate the Secured Party to segregate any Collateral delivered to the Secured Party by Borrower or any of the Guarantors.

(g) **Severability.** Any provision of this Intellectual Property Pledge Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions thereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. If any provision of this Intellectual Property Pledge Agreement shall be held invalid or unenforceable (in whole or in part) as against any one or more of Borrower and the Guarantors, then this Intellectual Property Pledge Agreement shall continue to be enforceable against all other Guarantors and Borrower, as applicable, without regard to any such invalidity or unenforceability.

(h) **Entire Agreement.** This Intellectual Property Pledge Agreement and the other Loan Documents embody the entire agreement and understanding of the parties hereto and supersede any and all prior agreements, arrangements and understandings relating to the matters provided for herein and therein.

(i) **CONSENT TO JURISDICTION AND VENUE; SERVICE OF PROCESS. EACH PARTY HERETO HEREBY IRREVOCABLY AND UNCONDITIONALLY:**

(i) **SUBMITS FOR ITSELF AND ITS PROPERTY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS INTELLECTUAL PROPERTY PLEDGE AGREEMENT AND THE OTHER LOAN DOCUMENTS, OR FOR RECOGNITION AND ENFORCEMENT OF ANY JUDGMENT IN RESPECT THEREOF, TO THE EXCLUSIVE GENERAL JURISDICTION OF ANY COURT OF THE STATE AND COUNTY OF NEW YORK, OR IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF NEW YORK;**

(ii) **CONSENTS THAT ANY SUCH ACTION OR PROCEEDING MAY BE BROUGHT IN SUCH COURTS AND, TO THE EXTENT PERMITTED BY LAW, WAIVES ANY OBJECTION THAT IT MAY NOW OR HEREAFTER HAVE TO THE VENUE OF ANY SUCH ACTION OR PROCEEDING IN ANY SUCH COURT OR THAT SUCH ACTION OR PROCEEDING WAS BROUGHT**

IN AN INCONVENIENT COURT AND AGREES NOT TO PLEAD OR CLAIM THE SAME;

(iii) AGREES THAT SERVICE OF PROCESS IN ANY SUCH ACTION OR PROCEEDING MAY BE EFFECTED BY MAILING A COPY THEREOF BY REGISTERED OR CERTIFIED MAIL (OR ANY SUBSTANTIALLY SIMILAR FORM OF MAIL), POSTAGE PREPAID, TO ITS ADDRESS SET FORTH IN SECTION 6(b) OR AT SUCH OTHER ADDRESS OF WHICH THE SECURED PARTY SHALL HAVE BEEN NOTIFIED; AND

(iv) AGREES THAT NOTHING HEREIN SHALL AFFECT THE RIGHT TO EFFECT SERVICE OF PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT TO SUE IN ANY OTHER JURISDICTION.

(j) WAIVER OF JURY TRIAL. EACH LOAN PARTY AND THE SECURED PARTY HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INTELLECTUAL PROPERTY PLEDGE AGREEMENT, ANY OTHER LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, Borrower and each Guarantor has caused this Intellectual Property Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
