Section 3. **Supplement to Loan Agreement.** This Agreement has been entered into in conjunction with the security interests granted to the Agent under the Loan Agreement and other Security Documents referred to therein, including but not limited to the Security Agreement. The rights and remedies of the Agent with respect to the security interests granted herein are without prejudice to, and are cumulative, concurrent and in addition to those set forth in the Loan Agreement or any other Security Documents referred to therein, all terms and provisions of which are incorporated herein by reference.

Section 4. **Representations and Warranties.** The Obligated Party represents and warrants to the Agent that, to the actual knowledge of the Obligated Party, a true and correct list of all of the existing Collateral consisting of: (a) U.S. patents and patent applications or registrations owned by the Obligated Party, in whole or in part, is set forth in **Schedule "A"**; (b) U.S. registered copyrights, copyright registrations and applications owned by the Obligated Party, in whole or in part, is set forth in **Schedule "B"**; (c) U.S. trademarks, trademark registrations or applications owned by the Obligated Party, in whole or in part, is set forth in **Schedule "C"**.

Section 5. **Further Acts.** On a continuing basis, the Obligated Party shall make, execute, acknowledge, deliver, file and record in the proper filing and recording places, all such instruments and documents, and take all such action as may be necessary or reasonably advisable or may be reasonably requested by the Agent to carry out the intent and purposes of this Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure the Obligated Party's compliance with this Agreement or to enable the Agent to exercise and enforce its rights and remedies hereunder with respect to the Collateral, including any documents for filing with the PTO or any applicable state office. The Agent may record this Agreement, an abstract thereof, or any other document describing the Agent's interest in the Collateral with the PTO, at the expense of the Obligated Party. In addition, the Obligated Party authorizes the Agent to file financing statements describing the Collateral in any UCC filing office deemed appropriate by the Agent. If the Obligated Party shall at any time hold or acquire a commercial tort claim arising with respect to the

Collateral, the Obligated Party shall immediately notify the Agent in a writing signed by the Obligated Party of the brief details thereof and grant to the Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Agent. Notwithstanding any provision in this Agreement of the Loan Agreement, the Obligated Party shall have the right to maintain, allow to lapse, or abandon any of the Collateral as determined in the ordinary course of business.

Section 6. **Authorization to Supplement.** If the Obligated Party shall obtain rights to (a) any new copyright, copyright registrations or applications, trademark, trademark registrations or applications, patents or patent applications or registrations, or (b) to any reissue, division, renewal, extension or continuation of any copyright, copyright registrations or applications, trademark, trademark registrations or applications, patents or patent applications or registrations, the provisions of this Agreement shall automatically apply thereto. The Obligated Party shall give prompt notice in writing to the Agent with respect to any such new patent, copyright or trademark rights. Without limiting the Obligated Party's obligations under this **Section 6**, the Obligated Party authorizes the Agent unilaterally to modify this Agreement by amending **Schedule "A"**, **Schedule "B"** or **Schedule "C"**, as the case may be, to include any such new patent, copyright or trademark rights. Notwithstanding the foregoing, no failure to so modify this Agreement or amend **Schedule "A"**, **Schedule "B"** or **Schedule "C"** shall in any way affect, invalidate or detract from the Agent's continuing security interest in all Collateral, whether or not listed on **Schedule "A"**, **Schedule "B"** or **Schedule "C"**.

Section 7. **Additional Obligated Party and Supplements.** Each Subsidiary of the Debtor that is required to become a party to this Agreement pursuant to Sections 3.3 and 6.13 of the Loan Agreement shall become an Obligated Party for all purposes of this Agreement upon the execution and delivery by such Subsidiary of (a) an Assumption Agreement in the form of **Schedule "D"** attached hereto, and (b) any deliverable required by the provisions of this Agreement, thereafter such Subsidiary shall have the same rights, benefits and obligations as an Obligated Party hereto on the date thereof.

Section 8. **Binding Effect.** This Agreement shall be binding upon, inure to the benefit of and be enforceable by the Obligated Party, the Agent and their respective successors and assigns. The Obligated Party may not assign, transfer, hypothecate or otherwise convey its rights, benefits, obligations or duties hereunder except as specifically permitted by the Loan Agreement.

Section 9. **Governing Law.** This Agreement shall be governed by, and construed in accordance with, the law of the State of Maryland except as required by mandatory provisions of law or to the extent the perfection or priority of the security interests hereunder, or the remedies hereunder, in respect of any Collateral are governed by the law of a jurisdiction other than Maryland.

Section 10. **Entire Agreement; Amendment.** This Agreement and the Loan Agreement, together with the Schedules and Exhibits hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Loan Agreement. Notwithstanding the foregoing, the Agent unilaterally may re-execute this Agreement or modify, amend or supplement the Schedule hereto as provided in **Section 6** hereof. To the extent that any provision of this Agreement conflicts with any provision of the Loan Agreement, the provision giving the Agent greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to the Agent under the Loan Agreement.

Section 11. **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed

to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a counterpart of this Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

Section 12. **Termination**. Upon payment and performance in full of all Obligations, the security interests created by this Agreement shall terminate, and the Agent (at the Obligated Party's expense) shall promptly execute and deliver to the Obligated Party such documents and instruments reasonably requested by the Obligated Party as shall be necessary to evidence termination of all such security interests given by the Obligated Party to the Agent hereunder, including cancellation of this Agreement by written notice from the Agent to the PTO.

Section 13. **No Inconsistent Requirements**. The Obligated Party acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and the Obligated Party agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

Section 14. **Severability**. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

Section 15. **Notices**. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.
