INTANGIBLE PROPERTY ASSIGNMENT

This Intangible Property Assignment ("*Assignment*") is effective as of September 18, 2008, by and between Valent GL Corporation, a Texas corporation ("*Assignee*"), on the one hand, and Green Light Company ("*GLC*"), Green Light Sales Company ("*GLSC*"), and Southwest Contract Packaging, Inc. ("*SCPI*," and collectively with GLC and GLSC, "*Assignors*"), all Texas corporations, on the other hand. Capitalized terms not defined herein shall have the meanings given to them in the Purchase Agreement (as defined below).

WHEREAS, Assignors and Assignee have entered into an Asset Purchase Agreement dated August 15, 2008 (the "*Purchase Agreement*"), providing for the sale by Assignors of all of their respective rights, title, and interests in and to the Assets, free and clear of any and all Encumbrances, and pursuant to which Assignee has agreed to purchase and accept from Assignors, the Assets.

WHEREAS, Section 7.4.1(i) of the Purchase Agreement provides that at Closing, Sellers will deliver "an assignment of all of the Assets that are intangible personal property (including but not limited to the Intellectual Property Assets, Records, Lists, Websites, and Related Intangibles) and separate assignments of all registered Trademarks, Patents and Copyrights[]"

NOW, THEREFORE, in consideration of the mutual promises and covenants contained herein and in the Purchase Agreement and intending to be legally bound hereby, the parties hereto agree as follows:

DEFINITIONS

All undefined, capitalized terms used herein shall have the meaning given to them in the Purchase Agreement.

TRANSFER AND ASSIGNMENT

1 Transfer. Assignors, and each of them, hereby sells, assigns and transfers to Assignee all of Assignors' and each of their respective rights, title and interests in and to the following:

- (a) the Trademarks, including those set forth on Schedule A hereto;
- (b) the Patents;
- (c) the Copyrights, including those set forth on Schedule B hereto;
- (d) the Trade Secrets;
- (e) the Domain Names, including those set forth on Schedule C hereto;
- (f) the Manufacturing Know-How;
- (g) the Records;

- (h) the Lists;
- (i) the Proprietary Rights; and
- (j) the Related Intangibles.

2. Acceptance Assignee hereby accepts the foregoing assignment but shall only assume all liabilities, debts and obligations associated the foregoing Assets to the limited extent set forth in the Purchase Agreement; provided, however, that Assignee does not agree to assume any liability, debt, or obligation other than one which may constitute Assumed Liabilities (as defined in the Purchase Agreement).

GENERAL

3. Entire Agreement. This Assignment and the Purchase Agreement contain the entire agreement of the parties with respect to the subject matter of this Assignment. No prior agreement or understanding pertaining to any such matter shall be effective. This Assignment may only be modified in a written instrument executed by the parties. Nothing contained in this Assignment is intended to expand, modify or limit any of the provisions contained in the Purchase Agreement. In the event of any conflict between this Assignment and the Purchase Agreement the latter shall control.

4. Terms of the Purchase Agreement This Assignment is being executed in connection with, and is subject to the terms and conditions set forth in, the Purchase Agreement and shall neither add to nor detract from the terms thereof. The parties acknowledge and agree that the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein.

5. Further Assurances. Assignors agree that, upon the request of Assignee, they will do, execute, acknowledge and deliver, or will cause to be done, executed, acknowledged and delivered, all such further acknowledgments, assignments, bills of sale, transfers, conveyances, instruments, consents, assurances, and actions as may reasonably be required for the purpose of assigning, making, conveying, assuring and confirming to Assignee, its successors and assigns, the transfers contemplated hereby.

6. Power of Attorney. In the event that Assignee is unable for any reason to secure Assignors' signature to any document any Assignor is required to execute under this Assignment, Assignors each hereby irrevocably designate and appoint Assignee's duly authorized officers and agents as such Assignor's agents and attorneys-in-fact to act for and on such Assignor's behalf and instead of such Assignor, to execute such document with the same legal force and effect as if executed by such Assignor. Sellers hereby declare that the foregoing powers are coupled with an interest and are and shall be irrevocable by Sellers.

7. Binding Assignment This Assignment shall be binding upon and inure to the benefit of each of the parties hereto, their successors and permitted assigns

8. Governing Law. This Assignment shall be governed by and construed in accordance with the domestic substantive laws of the State of Texas, without giving effect to any choice or conflict of law provision or rule that would cause the application of the laws of any other jurisdiction. Each party hereto irrevocably and unconditionally consents to personal jurisdiction in the State of Texas and voluntarily submits to the jurisdiction of the courts of the State of Texas in any action or proceeding with respect to this Assignment, including the U.S. District Court for the Western District of Texas for any actions, suits, or proceedings arising out of or relating to this Assignment and the transactions contemplated hereby (and each party agrees not to commence any actions, suit or proceeding relating thereto except in such courts).

9. Severability. If any provision of this Assignment shall be deemed invalid or unenforceable by any court of competent jurisdiction, then such portion shall be deemed severed, and the remainder thereof shall be enforceable in accordance with its terms.

10. Notices. Any notice or other communications required or permitted hereunder shall be deemed sufficiently given if made in accordance with the Purchase Agreement.

11. Counterparts. This Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signatures appearing and transmitted via facsimile transmission or portable document format (PDF) attached to email shall be deemed of equal legal dignity to originals.

12. Headings. All headings contained in this Assignment are for reference only and shall not affect the meaning or interpretation of this Assignment in any manner.
