Evco and Akzo Nobel Chemicals Inc., (hereinafter sometimes “Akzo”) a company having an office at 120 White Plains Road, Tarrytown, New York, 10591, are parties to a certain “Patents, Trademarks, Licenses and Copyrights Security Agreement” dated as of October 19, 2005 (the “Security Agreement”) pursuant to which Evco granted a security interest in certain intellectual properties to Akzo, and Evco also granted to Akzo a power of attorney to act as attorney-in-fact for Evco with the power, among other things, to assign the trademarks together with the goodwill of the business.

By this assignment, all right, title and interest in and to the trademarks listed above together with the goodwill of the business ancillary thereto and associated therewith is being transferred to Akzo by virtue of the remedial provisions of the Security Agreement; Evco in

recognition of its obligations under those remedial provisions has agreed to transfer these marks together with the goodwill of the business associated with those marks and ancillary thereto to Akzo, and Akzo has conveyed good and valuable consideration to Evco for the transfer of these marks.

Accordingly, for good and valuable consideration in accordance with the Security Agreement, receipt of which is acknowledged, Evco hereby assigns, sells, transfers, conveys and sets over the entire right, title and interest in and to all of the marks listed above, together with the goodwill of the business that is associated therewith and is ancillary thereto, to Akzo and to Akzo's successor and assigns, forever to be held by Akzo the same as if they were held by Evco.

Akzo shall have the right to apply to register the unregistered marks, to maintain and renew the unregistered marks, and to maintain and renew the registered mark as Akzo may choose. Akzo hereby requests the United States Patent and Trademark Office to recognize Akzo as the owner of the marks with the full right to transact all business and to conduct all prosecution regarding any trademark applications for such marks, and the right to enforce the marks in the future against any party. Evco acknowledges receipt of good and valuable consideration and acknowledges that it intends to be legally bound by this assignment and that upon execution of this assignment and recordation in the United States Patent and Trademark Office, Evco will have no further right, title or interest in or to any of these trademark properties. The rights transferred herewith include the right to sue for past infringement.

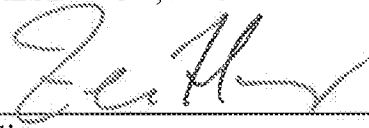

The parties further agree that upon recordation, this assignment moots the trademark security interest recorded in the United States Patent and Trademark Office at reel 3181, frame 0501 on 25 October 2005.

Upon request, Evco will have any documents executed or cause its representatives to appear and testify in any proceeding that may be necessary to secure title of said trademarks in Akzo or to enforce the marks against third parties.

In witness whereof, the parties hereby execute and deliver this Assignment as of the later of the two dates written below.
