TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of January 26, 2009, is made by **Global Plastics Ltd.**, a British Columbia corporation (the "Company"), in favor of **MFC Capital Funding, Inc.**, a Minnesota corporation, as agent (in such capacity, the "Agent") for the lenders from time to time party to the Credit Agreement referred to below (the "Lenders").

RECITALS

WHEREAS, the Company, Perrin Holdings, LLC, a Delaware limited liability company ("Holdings"), Perrin Manufacturing Company, a California corporation ("Borrower"), GPL Holdings Inc., a British Columbia corporation ("GPL"; the Company, Holdings, Borrower and GPL are referred to herein, collectively, as "Obligors"), the Lenders and the Agent have entered into a Credit Agreement dated as of January 26, 2009 (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have agreed to make certain loans to Borrower;

WHEREAS, the Obligors and the Agent have entered into (a) a Security Agreement dated as of January 26, 2009 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), and (b) a Patent, Copyright, License and Trademark Security Agreement dated as of January 26, 2009 (as amended, restated, supplemented or otherwise modified from time to time, the "IP Security Agreement"); and

WHEREAS, pursuant to the terms of the Security Agreement and the IP Security Agreement, the Company has granted to the Agent, for the benefit of itself and the Lenders, a security interest in substantially all the assets of the Company, including all right, title and interest of the Company in, to and under all now existing and hereafter arising service marks, trademarks, trademark or service mark registrations, trademark or service mark applications and trade names, all renewals thereof, all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto arising in favor of the Company, and the goodwill of the Company's business connected with and symbolized thereby, to secure the payment and performance in full of all amounts owing by the Company under the Credit Agreement and the other Financing Agreements (as defined in the Credit Agreement);

NOW, THEREFORE, in consideration of the mutual agreements set forth herein and in the Credit Agreement, the Company hereby grants to the Agent, for the benefit of itself and the Lenders, a security interest in all of the Company's right, title and interest in and to the following, whether now existing and hereafter arising:

- (1) each trademark and trademark application, including, without limitation, each trademark and trademark application referred to in Schedule 1 annexed hereto, and all renewals thereof, together with the goodwill of the Company's business connected with and symbolized thereby;
- (2) all license agreements with any other Person or Persons with respect to any service marks, trademarks, trademark or service mark registrations, trademark or

service mark applications and trade names, whether the Company is a licensor or licensee under any such license agreements, and, subject to the terms of such licenses, the right to prepare for sale, sell and advertise for sale, all inventory now or hereafter owned by the Company and now or hereafter covered by such licenses; and

- (3) all products and proceeds of the foregoing, including, without limitation, all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto arising in favor of the Company (items 1 through 3 being herein collectively referred to as the "Trademark Collateral");

provided, however, that there shall be excluded from the foregoing grant of security interest all Excluded Property (as such term is defined in the IP Security Agreement).

This security interest is granted in conjunction with the security interests granted to the Agent pursuant to the Security Agreement and the IP Security Agreement and is subject to limitations set forth therein. In the event of any conflict between any provision of this Agreement and any provision of the Security Agreement or the IP Security Agreement, the Security Agreement or the IP Security Agreement, respectively, will govern. Each of the Company and the Agent hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement, the Security Agreement and the IP Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
